Ethical Argument Critical Thinking In Ethics:

Ethical Argument Hugh Mercer Curtler, 1993 This book teaches students about argument in ethics by involving them in an ethical argument about relativism The book argues against relativism and encourages students to question assumptions and present counter arguments The book also stresses basic ethical principles and includes a chapter with numerous cases for discussion An excellent teaching tool

Moral Discourse and Practice Stephen Darwall, Allan Gibbard, Peter Railton, 1997-03-20 This anthology gathers together key contemporary reading on the foundations of ethical theory and on meta ethics

Critical Reasoning in Ethics Anne Thomson, 1999 Critical Reasoning in Ethics is a clearly structured accessible and crystal clear introduction that is designed to enable students to develop their own skills in reasoning about ethical issues

Advanced Ethics for Addiction Professionals Michael J. Taleff, 2009-11-13 The aspects of the book related to the philosophy of science and cognitive science inductive and deductive reasoning biases and heuristics are distilled in reasonable and useful ways I recommend this book to those addiction professionals who want to create their own framework for ethical decision making

PsycCRITIQUES Ethical decision making is required in many of the difficult situations faced by addiction professionals In this guide Michael Taleff describes how to integrate critical thinking with ethical decision making This is a guide not on what to do when confronted with difficult ethical dilemmas but on how to think about what to do The author presents common ethical dilemmas that addiction professionals face in their daily work such as boundary issues confidentiality dual relationships and more and asks readers to consider their own responses to these dilemmas The book then shows readers how to apply new models of ethical thinking to practice

Key features Presents an ethical self exam to encourage critical thinking about one's own decision making method Introduces a variety of models such as the social contract theory existentialist theory and ethical egoism Discusses how biases emotional reactions and fallacies can weaken ethical decision making Presents an introductory Ethics Judgment Kit a simple practical decision making procedure for students This book demonstrates how critical thinking skills can impact and improve the process of ethical decision making

Thinking Critically about Ethical Issues RUGGIERO, 2019-01-30 Thinking Critically About Ethical Issues encourages students to reason out for themselves the best answers to moral problems rather than providing neat answers for students to swallow and regurgitate Striking a balance between the theoretical and the practical Ruggiero's text discusses the history of ethics but its focus is on doing ethics to promote the development of critical thinking skills and to help students acquire confidence in their own judgement The short chapter length allows students to spend less time reading and more time doing ethical analysis
