Ethical Reflections Essays On Moral Themes:

Ethical Reflections Henry Stob, 1978 *Rediscovering the Natural Law in Reformed Theological Ethics* Stephen J. Grabill, 2006-10-05 Is knowledge of right and wrong written on the human heart Do people know God from the world around them Does natural knowledge contribute to Christian doctrine While these questions of natural theology and natural law have historically been part of theological reflection the radical reliance of twentieth century Protestant theologians on revelation has eclipsed this historic connection Stephen Grabill attempts the treacherous task of reintegrating Reformed Protestant theology with natural law by appealing to Reformation era theologians such as John Calvin Peter Martyr Vermigli Johannes Althusius and Francis Turretin who carried over and refined the traditional understanding of this key doctrine *Rediscovering the Natural Law in Reformed Theological Ethics* calls Christian ethicists theologians and laypersons to take another look at this vital element in the history of Christian ethical thought **Natural Law and the Two Kingdoms** David VanDrunen, 2010 Conventional scholarship holds that the theology and social ethics of the Reformed tradition stand at odds with concepts of natural law and the two kingdoms But David VanDrunen here challenges that status quo through his careful thoroughgoing exploration of the development of Reformed social thought from the Reformation to the present from publisher description *Media Ethics* Clifford G. Christians, Mark Fackler, Peggy J. Kreshel, William J. Brown, Yayu Feng, Holly K. Overton, Kathy Brittain Richardson, 2024-06-26 Through original case studies and analyses of real life media experiences *Media Ethics* challenges readers to think analytically and critically about ethical situations in mediated communication This textbook provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating awareness and critical reflection of ethical issues In each chapter the authors examine case studies spanning several continents and geopolitical and cultural contexts To provide a framework for analyzing the cases and exploring the steps in moral reasoning the book introduces the Potter Box a powerful tool for moral analysis Focusing on a wide range of ethical issues faced by media practitioners and news organizations the cases in this new twelfth edition include the most prominent concerns in journalism broadcasting advertising public relations and entertainment today It explores new topics such as the use of ChatGPT in newsrooms the privacy implications of biometric technologies the role of public relations in political campaigns and advertisers approach to sustainability and climate change This core textbook is ideal for classes in media and communication ethics journalism public relations advertising entertainment media and popular culture Online instructor and student resources including video introductions to each chapter PowerPoint slides sample discussion and exam questions and links to further resources are available at www.routledgelearning.com/mediaethics *The Perilous Sayings* Amos Winarto Oei, 2017-04-30 Dr Amos Winarto Oei brings fresh clarity and understanding of the antitheses of Jesus from the Sermon on the Mount Providing a thorough evaluation of key historical and contemporary interpretations of Matthew 5 21 48 from notable theologians Oei illustrates the unity surrounding the teachings of Jesus even among disparate

denominational traditions Dr Oei also addresses whether the ethics Jesus set out in the antitheses are for Christians only or whether they are demands for all individuals and also the state This book is the product of extensive theological research and sound exegesis and presents a clear argument of the universal nature and individual scope of the ethics and morality of the most famous sermon ever preached *Biblical Christian Ethics* David Clyde Jones,1994-06-01 After examining what Scripture teaches about the goal and motive of the Christian life the author addresses moral dilemmas human life issues sexuality economic justice and truthfulness *Justice, Mercy, and Well-Being* Peter G. Bolt,James R. Harrison,2020-03-10 This collection of essays examines how God's justice and mercy intersect in the lives of individuals and their communities with a view to the establishment of personal and social well being in the world The authors drawn from England and Australia approach the theme from a variety of methodological and interdisciplinary perspectives Theological exegetical historical healthcare moral and visual arts approaches are brought to bear in an investigation relevant for the identity and mission of the church in a world characterized by cycles of revenge the perpetration of injustice and the marginalization and persecution of various ethnic groups The practical outcome of these studies has wide ranging relevance for our attitudes toward indigenous peoples the well being of single and married people healthcare throughout the ages the spiritual care of people including those suffering dementia the personal experience of trauma issues of moral judgement and the abiding value of the creative arts *Robert Frost* John H. Timmerman,2002 Robert Frost The Ethics of Ambiguity examines Frost's ethical positioning as a poet in the age of modernism The argument is that Frost constructs his poetry with deliberate formal ambiguity withholding clear resolutions from the reader Therefore the poem itself functions as metaphor inviting the reader into a participation in constructing meaning Furthermore the ambiguity of ethical positioning was intrinsic to Frost himself Nonetheless by holding his poetry up to several traditional ethical views Rationalist Theological Existentialist Deontological and Social Ethics one may define a congruent ethical pattern in both the poetry and the person *Liturgy and Ethics* ,2017-11-06 The connection between Christian ethics and liturgy has been on the research agenda for some decades now Liturgy and Ethics addresses this issue departing from the particularity of the Reformed tradition and its potential for contributing to the discussion The volume offers in depth studies of how to understand God's acting in worship the centrality of justice and the formative meaning of the liturgy and relates these reflections to various moral issues and contemporary liturgical practices In combining a specific theological approach with a broad disciplinary treatment of the topics this volume aims to push forward the scholarly discussion on liturgy and ethics in significant ways *When Evil Strikes Sunday* Bobai Agang,2016-06-22 Human hostility is not the narrative of a selected few Since the fall of the grandparents of the human family Adam and Eve all humans have continued to participate in the reality of evil Accordingly the question is no longer whether evil will strike but rather when evil strikes how should humans particularly Christians respond to it This book offers a relevant and effective theology and ethics for addressing the issue of Christian response to violence in Nigeria and beyond

It situates the whole gamut of the reign of human hostility in its various manifestations self interest and greed for power deception and social injustices governmental official corruption terrorism and so on It encourages humans to take seriously both the fact of God creating humans good and the fall serving as the gateway of evil into the human race It recognizes the complexity of human problems Yet it offers possibility for just peacemaking In spite of the horrific violence across the globe humans are still able to do tremendous good Thus the book recognizes the paradox of humanity humans are capable of doing tremendous good and equally capable of doing tremendous evil

The Place of Christ in Liturgical Prayer Bryan D. Spinks, 2008 Proceeding from Josef A Jungmanns groundbreaking book of the same title this volume gathers new work from fifteen renowned scholars on christological and trinitarian themes in prayer and worship Eastern and Western traditions Catholic and Protestant ancient and contemporary are all represented in this record of the 2005 meeting of the Yale Institute of Sacred Music Collectively these practitioners and theologians from their varied settings grapple with the competing ideas and expressions of christological and trinitarian doctrine in meaningful liturgy

QUOTES SAMPLES

There is only one corner of the universe you can be certain of improving and that s your own self After silence that which comes nearest to expressing the inexpressible is music Experience is not what happens to you it s what you do with what happens to you It is a bit embarrassing to have been concerned with the human problem all one s life and find at the end that one has no more to offer by way of advice than try to be a little kinder The more powerful and original a mind the more it will incline towards the religion of solitude

Basics of the Faith Carl F. H. Varieties of Ethical Reflection Michael Barnhart, 2002-01-01 Varieties of Ethical Reflection brings together new cultural and religious perspectives drawn from non Western primarily Asian philosophical sources to globalize the contemporary discussion of theoretical and applied ethics The work pushes ethics beyond a Western philosophical tradition tending toward universalism to infuse and broaden modern ethical theory with relativistic Asian ethical principles The contributors introduce multicultural concepts and ideas from the Chinese Taoist Confucian and Neo Confucian Indian and East Asian Buddhist and Hindu traditions focusing on such areas of moral controversy as the clash between women s

rights and culture universal human rights abortion and euthanasia in a non Western setting and the standardization of medical practice across cultures **The Four Gospels** William S. Stobb,2015-06-18 The Four Gospels have been read and studied for nearly 2 000 years As early as the second century Irenaeus Church father and martyr declared that four accounts of the life of Christ were needed no more and no less Yet many Christians in spite of the numerous and excellent commentaries available today cannot answer the question Why four Gospels This in depth volume which took 20 years to research and 10 years to write clearly reveals the necessity of a four fold portrait of Christ Selected excerpts from some of the most celebrated writers of the past such as A Edersheim Chas Erdman F W Farrar Edw Gibbon F L Godet D S Gregory F W Krummacher H H Milman G Campbell Morgan Arthur Pink Sir Wm Ramsay Chas Rollin R C Trench B F Westcott and scores of others are incorporated throughout the book in order to explain and substantiate the historical background and characteristic differences of the Four Gospels This work is an excellent reference for teachers students and historians but is designed for Christians in all walks of life A homeschooling mother stated that the work is quite readable even by a pressured mom and very worthwhile I especially like the organization of the book which helped me keep my bearings The history is fascinating and helpful **Morality of the Past from the Present Perspective** Vasil Gluchman,2009-03-26 The

monograph is divided into four parts The work starts with Preface in which Vasil Gluchman presents socio political socio cultural and ideological context of the first half of the twentieth century and the situation in Slovakia and Central Europe in this historical period placing this monograph and the works of individual contributors into the context of the given era The first part deals with philosophical and ethical issues arising from the examination of morality at the end of the 19th century and the beginning of the 20th century This part creates the methodological starting point for the examinations presented in the next three parts of the monograph The second part focuses on the development of philosophical and ethical reflection of morality in Slovakia in the given era The third part examines socio political and professional ethical aspects of the development and functioning of morality in Slovakia in the first half of the 20th century Reflections of morality in Slovakia in the Slovak literature of the first half of the 20th century are the object of interest in the fourth part of the monograph

Good News Clifford G. Christians,John P. Ferré,P. Mark Fackler,1993-06-03 Mass media ethics and the classical liberal ideal of the autonomous individual are historically linked and professionally dominant yet the authors of this work feel this is intrinsically flawed They show how recent research in philosophy and social science together with a longer tradition in theological inquiry insist that community mutuality and relationship are fundamental to a full concept of personhood The authors argue that persons in community provides a more defensible grounding for journalists professional moral decision making in crucial areas such as truthtelling privacy organizational culture and balanced coverage With numerous examples drawn from life as well as from theory this book will interest journalists editors and professionals in media management as well as students and scholars of media ethics reporting and media law
