Ethics And Values In Social Work 2 E Pb

Ronald H. Rooney, Rebecca G. Mirick

Ethics And Values In Social Work 2 E Pb:

Ethics and Values in Social Work Allan Edward Barsky, 2019-02-26 Students entering the field of social work need to develop a real world understanding of how to apply values such as respect social justice human relationships service competence and integrity in practice while managing the dilemmas that arise when social workers clients and others encounter conflicting values and ethical obligations This second edition of *Ethics and Values in Social Work* offers a comprehensive set of teaching and learning materials to help students develop the knowledge self awareness and critical thinking skills required to handle values and ethical issues in all levels of practice individual family group organization community and social policy

Decision Making, Assessment and Risk in Social Work Brian J. Taylor, 2017-04-10 At a time when accountability and the avoidance of risk are increasingly demanded of social workers the ability to make clear and informed decisions is essential This book written for practicing social workers undertaking their ASYE and compulsory CPD has been designed to help professionals make sound judgments in increasingly complex contexts and under pressure The focus is on empowering front line professionals through reflective practice so that they are able to draw on multiple factors and perspectives and make sound problem solving judgements The book begins with the core concepts client focus and legal background before moving on to consider the collaborative processes and the nature of individual judgements It then considers particular dimensions of social work decision making such as safeguarding taking risks assessment and dynamic decision tools and processes It then concludes by look at the organisational context of decision management with a focus on supervision training and effective communication

The Profession of Social Work Catherine N. Dulmus, Karen M. Sowers, 2012-07-26 An expert introduction to the foundations of the social work profession from its historical roots to its evolution in an era of evidence based practice The Profession of Social Work provides a broad overview of the history scope values ethics and organizational framework of the social work profession Exploring professional ethics and human rights evidence based practice and practice guided research as well as emerging trends and issues this important book presents topics of critical importance to anyone considering a career in social work Each chapter in the text offers an array of pedagogical features including Key Terms Review Questions for Critical Thinking and Online Resources Ideal for introductory courses for both undergraduate and graduate students The Profession of Social Work features coverage closely aligned with social work accreditation standards EPAS and includes chapters authored by established scholars on topics including Social work history Social work education Professional credentialing and regulations Values and ethics The strengths perspective in social work practice Evidence based practice and improving the scientific base for social work practice Contemporary issues in social work With a wealth of insider insights into and guidance on the profession of social work this book is essential reading to prepare for a career in this field

Professional Decision Making and Risk in Social Work Brian Taylor, 2013-03-19 This book is written to help social work practitioners and students on CPD courses make professional

decisions with clients from exercising statutory powers and duties to protect children from abuse to making decisions about risk This revised second edition has more of a focus on risk within social work practice as many social workers face daily pressure to make sound decisions in very difficult circumstances In this complex arena of conflicting demands and considerations from the public the client the family the organisation the professional needs a robust and yet flexible framework to inform practice decisions Featuring illustrations from practice as well as case studies and practical activities to aid learning this book provides a holistic view of decision making and risk as a core aspect of effective social work practice

Social Work Practice with Older People Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University

The Dynamics of the Social Worker-Client Relationship Joseph F. Walsh, 2021 While providing competent intervention modalities is vital for a social worker s success in direct practice it is only part of what makes a social worker effective Outcomes also depend on the social worker s ability to develop and maintain constructive relationships with clients An essential book for social work students and professionals alike *The Dynamics of the Social Worker Client Relationship* details the many ways that such relationships can be developed with clients who display a wide range of presenting problems in many types of social service agencies Each chapter focuses on a particular challenge that social workers may encounter in that process These include boundaries the use of self the working alliance relationship ruptures special issues presented by children and adolescents terminations and transfers clients about whom a social worker experiences highly positive or negative feelings the use of physical contact the use of humor working with psychotic clients and the use of technology In every chapter graduate students provide case studies to illustrate how relationships can be formed and perhaps tested Written in an accessible style and full of stories and examples this book provides future social service professionals with the much needed insight into creating and maintaining professional relationships with clients Book jacket

Values and Ethics for Care Practice Sue Cuthbert, Jan Quallington, 2017-05-15 *Values and Ethics for Care Practice* introduces readers to values and ethics and their importance in patient centred care Values and ethics are integral to the provision practice and delivery of patient centred health and social care This book which is an expanded and updated version of *Values for Care*

Practice introduces readers to these concepts and helps them understand how they can apply them to become compassionate care professionals. The patient perspective and patient voice are seen and heard throughout the book. Readers are encouraged to reflect on their personal values and on those underpinning health and social care work and to understand how values and ethics are articulated in the latest Codes of Practice. The text uses activities and case studies to enable readers to apply theory in their practice. This book will help readers to understand why good caring is more than merely a practical intervention; it also requires a personal investment and quality of character that involves genuine concern and respect for others.

Conflict Resolution for the Helping Professions Allan Barsky, 2016-12-27. Conflict Resolution for the Helping Professions provides practitioners with the theory, strategies and skills they need in order to respond effectively to conflict with clients, coworkers, supervisors or others. This hands-on textbook provides practical information, case illustrations and experiential exercises to demonstrate how conflict resolution may be applied in criminal justice, mental health, health education, family disputes, cross-cultural conflict and other contexts of practice.

Just Practice Janet L. Finn, 2020-12-01. *Just Practice: A Social Justice Approach to Social Work* provides a foundation for critical and creative social work that integrates theory, history, ethics, skills and rights to respond to the complex terrain of 21st-century social work. *Just Practice* puts the field of social work's expressed commitment to social justice at center stage with a framework that builds upon five key concepts: meaning, context, power, history and possibility. How do we give meaning to the experiences and conditions that shape our lives? What are the contexts in which those experiences and conditions occur? How do structures and relations of power shape people's lives and the practice of social work? How might a historical perspective help us to grasp the ways in which struggles over meaning and power have played out and to better appreciate the human consequences of those struggles? Taken together, these concepts provide a guide for integrative social work that bridges direct practice and community building. The text prepares readers with the theoretical knowledge and practice skills to address the complex challenges of contemporary social work, from direct practice with individuals and families to group work, organizational and community change and policy analysis and advocacy. Each chapter includes learning activities, reflection moments, practice examples and the stories and voices of practitioners and service users to engage students as critical thinkers and practitioners. The author encourages teachers and students alike to take risks, move from safe, familiar pedagogical spaces and practices, challenge assumptions and embrace uncertainty.

Generalist Social Work Practice John Poulin, Selina Matis, Heather Witt, 2025-03-13. A competency-based approach to generalist social work practice that integrates an anti-oppressive perspective and foundational practice principles. *Generalist Social Work Practice: A Competency Based Approach* aligns with the nine professional social work competencies defined by the Council on Social Work Education's CSWE 2022 Educational Policy and Accreditation Standards (EPAS) and is fully revised to incorporate the latest updates. This textbook offers a comprehensive chapter-by-chapter exploration of each competency and covers all areas of social work practice.

including theory ethics human rights social justice and interventions at micro and mezzo levels Generalist Social Work Practice integrates the critical themes of anti racism diversity equity and inclusion ADEI to ensure future social workers engage thoughtfully and competently in diverse settings New to the Second Edition Explicit focus on generalist social work practice Integration of anti oppressive practice principles into the generalist model Alignment with CSWE 2022 EPAS Combined assessment and intervention content across chapters Introduction of a new chapter on evaluation Enhanced ADEI content throughout the book Key Features Provides comprehensive coverage of generalist practice with individuals families groups organizations and communities Explores the nine CSWE professional competencies Incorporates social justice perspectives into practice models Offers extensive case examples ADEI reflection questions and chapter summaries Includes QR Codes that link to supplemental videos for enriched learning Provides online instructor resources such as electronic presentations discussion questions and grading rubrics Presents a student friendly writing style to encourage engagement and understanding

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg Schaefer, 2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies

Aboriginal Fields of Practice Bindi Bennett, 2021-04-22 This textbook features a groundbreaking collection of chapters co written by Aboriginal authors Informed by current field expertise it provides an innovative teaching resource that recognizes and appreciates Aboriginal ways of knowing being and doing and demonstrates a commitment to decolonizing and reconciliation within social work and Allied Health Aboriginal Fields of Practice explores many areas that have not been discussed before in contemporary Australia including discussion of practice in criminal justice and an understanding of rural and remote practice This valuable text will provide an excellent grounding for students and practitioners working with Aboriginal peoples

Becoming a Social Worker Vivienne E. Cree, 2022-06-01 This fully revised new edition of Becoming a Social Worker is made up of entirely new stories Providing a global frame of reference the book describes the personal and professional narratives of a diverse range of people working in social work in the UK what brought them into the field and what has kept them in it ever since The lively accounts reveal what it is like to be a social worker in a range of practice settings today and at the same time demonstrate that commitment and passion remain at the heart of social work Some contributors will be recognised as people who have played a key part in shaping social work over the years they provide insights into how the profession has developed over time Other contributors less well known but no less interesting give a

vivid account of the ongoing challenges that social work education and practice face and the values that underpin social work. Social work is a demanding and difficult job that goes largely unseen within society. We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt. Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions across the world can make an informed choice about whether social work is the career for them. It is relevant for all induction courses at the beginning and prior to coming on social work programmes including all relevant HNC and HND courses as well as preparation for practice courses on all undergraduate and postgraduate social work programmes.

Complexity and Social Work Hans Van Ewijk, 2017-10-12 Being socially competent is essential in late modern society. We expect people to find their own accommodation, partner, job, community and lifestyle and struggle to find answers for those who are not able or do not have the opportunity to achieve these things. By placing social complexity, social vulnerability and social efficacy within a framework of social policy and social practice, Complexity and Social Work argues that growing social complexity excludes more and more citizens from social participation. The book starts with exploring complexity, super diversity, vulnerability and social efficacy. From there, the book deals with the discourses of social policy, social work and social work research, pledging for social policy aiming at desired outcomes for generic contextual social work and for a research practice that recognises practical wisdom. Aimed at final year undergraduates, postgraduates, professionals, trainers and lecturers involved in social work, social policy, social care, mental health and allied fields who are committed to treating socially vulnerable people with respect and acceptance, this book, the first of its kind, offers new perspectives on social complexity for practice, theory and research in human services.

Ethics and Values in Psychotherapy Max Rosenbaum, 1982 In the long established democracies of Western Europe, electoral turnouts are in decline, membership is shrinking in the major parties and those who remain loyal partisans are sapped of enthusiasm. Peter Mair's new book weighs the impact of these changes which together show that after a century of democratic aspiration, electorates are deserting the political arena. Mair examines the alarming parallel development that has seen Europe's political elites remodel themselves as a homogeneous professional class withdrawing into state institutions that offer relative stability in a world of fickle voters. Meanwhile, non-democratic agencies and practices proliferate and gain credibility, not least among them the European Union itself, an organization contributing to the depoliticization of the member states and one whose notorious democratic deficit reflects the deliberate intentions of its founders. Ruling the Void offers an authoritative and chilling assessment of the prospects for popular political representation today, not only in the varied democracies of Europe but throughout the developed world. Publisher website.

Paul B. Thompson's Philosophy of Agriculture Samantha Noll, Zachary Piso, 2024-01-01 This book explores the philosophical thought and praxis of Paul B. Thompson, who planted some of the first seeds of philosophy of agriculture and whose work inspires interdisciplinary scholarship in food ethics, biotechnology and environmental philosophy. Landmark texts such as The

Spirit of the Soil The Agrarian Vision and From Field to Fork revealed the fertility of food systems for inspiring reflection on our relationships to technology the land and one another Rooted in philosophical traditions ranging from pragmatism to post phenomenology Thompson s work nourishes projects in ethics epistemology philosophy of science and social and political theory not only in academic philosophy departments but also in the social and natural sciences This volume collects this diversity of thought in a tour of the many fields of food systems from theorizing the sustainability of agroecological systems to appreciating the quotidian practice of agrarian communities to anticipating the impacts of emerging biotechnology and to savoring the roles that food plays in forming our identities Composed by an international crop of scholars working on the future of food ethics the volume is a vital contribution to scholars and practitioners thinking through our relationships to the food systems that sustain us Strategies for Work with Involuntary Clients Ronald H. Rooney, Rebecca G.

Mirick, 2018-05-01 Often in their careers social workers will encounter clients who are either legally required to attend treatment services or are otherwise coerced or pressured into those services Practitioners in settings from prisons to emergency rooms to nursing homes to child protection agencies will find themselves with involuntary clients In an update to this classic text social workers Ronald H Rooney and Rebecca G Mirick explore the best ways to work with unwilling clients While work with involuntary clients is common it can be challenging frustrating and unproductive unless practitioners are well trained for it This book provides a theoretical framework for understanding the legal ethical and practical concerns when working with involuntary clients offering theory treatment models and specific practice strategies influenced by the best available knowledge Animated by case studies across diverse settings these resources can be used by practitioners to facilitate collaborative effective working relationships with involuntary clients *Handbook of Oncology Social Work* Grace Hyslop Christ, Carolyn Messner, Lynn C. Behar, 2015 This inaugural Handbook of Oncology Social Work Psychosocial Care for People with Cancer provides for the first time a repository of the breadth and scope art and science of oncology social workers practice education research policy and program leadership in the psychosocial care of people with cancer and their families Oxford Textbook of Palliative Social Work Terry Altilio MSW, ACSW, LCSW, Shirley Otis-Green MSW, ACSW, LCSW, OSW, 2011-03-23 The Oxford Textbook of Palliative Social Work is a comprehensive evidence informed text that addresses the needs of professionals who provide interdisciplinary culturally sensitive biopsychosocial spiritual care for patients and families living with life threatening illness Social workers from diverse settings will benefit from its international scope and wealth of patient and family narratives Unique to this scholarly text is its emphasis on the collaborative nature inherent in palliative care This definitive resource is edited by two leading palliative social work pioneers who bring together an array of international authors who provide clinicians researchers policy makers and academics with a broad range of content to enrich the guidelines recommended by the National Consensus Project for Quality Palliative Care

Ethics And Values In Social Work 2 E Pb Introduction

In today's digital age, the availability of Ethics And Values In Social Work 2 E Pb books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ethics And Values In Social Work 2 E Pb books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ethics And Values In Social Work 2 E Pb books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ethics And Values In Social Work 2 E Pb versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ethics And Values In Social Work 2 E Pb books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ethics And Values In Social Work 2 E Pb books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ethics And Values In Social Work 2 E Pb books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ethics And Values In Social Work 2 E Pb books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ethics And Values In Social Work 2 E Pb books and manuals for download and embark on your journey of knowledge?
