The Ethics of War and Peace

An Introduction

THIRD EDITION

Helen Frowe

Ethics Of War Peace

K Morrison

Ethics Of War Peace:

The Ethics of War and Peace Helen Frowe, 2015-10-16 The Ethics of War and Peace is a lively introduction to one of the oldest but still most relevant ethical debates Focusing on the philosophical questions surrounding the ethics of modern war Helen Frowe presents contemporary just war theory in a stimulating and accessible way This 2nd edition includes new material on weapons and technology and humanitarian intervention in addition to theories of self defence and national defence jus ad bellum jus in bello and jus post bellum the moral status of combatants the principle of non combatant immunity and the nature of terrorism and the moral status of terrorists Each chapter uses examples and concludes with a summary discussion questions and suggestions for further reading to aid student engagement learning and revision The glossary has been expanded to cover the full range of relevant terminology This is the ideal textbook for students of philosophy and politics approaching this important area for the first time

The Ethics of War and Peace Paul Christopher, 2004 9238C 9 0 13 092383 4 Christopher Paul The Ethics of War and Peace An Introduction to Legal and Moral Issues 3 E This classic introduction to the ethics of war and peace explores the legal and moral issues of when and how to use force to achieve political objectives The just war tradition the legal position of war moral issues in war and professional and humanitarian obligations Ethicists military personnel and political analysts

The Ethics of War and Peace Douglas P. Lackey, 1989 A moral philosopher discusses the rights and wrongs of specific military campaigns from 1914 on including the war in Vietnam the Six Day War the British bombing campaign against Germany the American bombing of Japan the Korean War the Indo Pakistani War of 1971 the 1976 raid on Entebbe and the 1986 attack against Libya

The ethics of war and peace, 2014 *The Ethics of War* Gregory M. Reichberg, Henrik Syse, Endre Begby, 2006-07-05 The Ethics of War is an indispensable collection of essays addressing issues both timely and age old about the nature and ethics of war Features essays by great thinkers from ancient times through to the present day among them Plato Augustine Aquinas Machiavelli Grotius Kant Russell and Walzer Examines timely questions such as When is recourse to arms morally justifiable What moral constraints should apply to military conduct How can a lasting peace be achieved Will appeal to a broad range of readers interested in morality and ethics in war time Includes informative introductions and helpful marginal notes by editors

War, Peace and Organizational Ethics Michael Schwartz, Howard Harris, 2020-09-17 In this double blind peer reviewed volume expert contributors draw upon philosophers such as Aristotle Alasdair MacIntyre and Emmanuel Levinas in order to explore how the ethics of war and peace resonate with organizational ethics

War, Peace and Organizational Ethics Michael Schwartz, Howard Harris, 2020-09-17 In this double blind peer reviewed volume expert contributors draw upon philosophers such as Aristotle Alasdair MacIntyre and Emmanuel Levinas in order to explore how the ethics of war and peace resonate with organizational ethics

The Ethics of War and Peace Nigel Dower, 2013-08-26 This book presents a clear and comprehensive introduction to the diverse and wide ranging ethical aspects of war and peace In a fair minded and

engaging analysis Nigel Dower introduces the different ethical theories in traditional and contemporary debates realism just war theory and pacifism and subjects each to detailed critical scrutiny He frames these debates within a related but distinct framework of three approaches to international relations namely skeptical realism internationalism and cosmopolitanism The book also identifies and evaluates two further important perspectives militarism and pacificism Whilst analyzing the advantages and disadvantages of the different outlooks Dower makes a strong case for a cosmopolitan pacifist position arguing that we need to see peace in more positive terms than merely the absence of war The book uses a wide range of examples from across the world and includes discussion of nuclear weapons new wars terrorism humanitarian intervention and human security Written as a textbook for students who have no prior knowledge of philosophical ethics The Ethics of War and Peace is designed to help students understand and see the relevance of how a professional philosopher can engage ethically with the world Each chapter contains a helpful survey of its contents at the beginning and a set of questions for individual reflection or group discussion at the end This book will be essential reading for students of security studies conflict resolution peace studies philosophy and political theory and anyone interested in the ethical questions which arise from the study of war and peace

Military Ethics N. Fotion, Gerard Elfstrom, 2020-12-22 Many people believe that the violent and disruptive nature of war makes a military ethic impossible The authors of this book originally published in 1986 however develop an ethical system that aims to control the military monster at least to some degree rather than one that preaches to it idealistically with little or no effect Military ethics they believe must be an ethics for peacetime as well as an ethics for war an ethics for soldiers in the field as well as an ethics for political leaders and their book is designed to meet these needs It presents a practical utilitarian approach an ethics of what is possible rather than what is ideal drawing on real military experience and different from any other work previously published The authors argue that both the pacifists who claim that the horrible and ungovernable nature of war makes it morally wrong and the realists who believe that wars must be fought but fought without moral scruple are mistaken They show that careful attention to the actual circumstances in which individual combatants function and the social institutions shaping their action allows genuine moral constraint With its emphasis on real problems Military Ethics will be of practical help to policy makers and military personnel at all levels as well as being of great interest to students of applied philosophy and ethics

The Ethics of War and Peace Revisited Daniel R. Brunstetter, Jean-Vincent Holeindre, 2018 Humanitarian intervention preventive war and just war are all framing mechanisms aimed at convincing domestic and international audiences to go to war and to decide who is justified in ethically killing The international group of scholars assembled in this book critically examine these frameworks to ask if they are flawed

The Ethics of War and Peace Terry Nardin, 1994 **The Ethics of Peace and War** Iain Attack, 2005 The ethics of peace and war is one of the central ethical issues in International Relations today This book looks at three key theories which have implications for the role of ethics in war and armed conflict cosmopolitanism internationalism and political realism It

argues for the appropriateness of cosmopolitanism above the other two general theories with its emphasis on the equal worth of all human beings as the basis for a global moral community This ethical theory is shown to have a vital role to play in international politics in light of changing conceptions of peace and security the prevalence of internal over international wars and the increasing emphasis on international humanitarian intervention as a justification for the use of military force The book is divided into three parts after a general introduction to peace and war in world ethics there follow sections on International Politics and the Morality of Peace and War Ethical Approaches to Armed Conflict and Cosmopolitan Strategies A conclusion sums up the arguments This is a topical book suitable for a range of courses in Philosophy Politics Peace Studies and International Relations Key Features Evaluates the relevance of the theory of cosmopolitanism to the specific problems of war and armed conflict Examines two contrasting positions on the ethics of war and armed conflict pacifism and just war theory Analyses contemporary issues and debates including postmodern and asymmetrical war and peace building and conflict prevention A central theme is the ambiguous role of the state in controlling and justifying the use of military force and in constructing a new cosmopolitan world order

War, Peace, and Christianity J. Daryl Charles, Timothy J. Demy, 2010-05-13 With issues of war and peace at the forefront of current events an informed Christian response is needed This timely volume answers 104 questions from a just war perspective offering thoughtful yet succinct answers Ranging from the theoretical to the practical the volume looks at how the just war perspective relates to the philosopher historian statesman theologian combatant and individual with particular emphases on its historical development and application to contemporary geopolitical challenges Forgoing ideological extremes Charles and Demy give much attention to the biblical teaching on the subject as they provide moral guidance A valuable resource for considering the ethical issues relating to war Christians will find this book's user friendly format a helpful starting point for discussion

The Ethics of War and Peace in the Nuclear Age Reinhold Niebuhr, 1967

War, Peace, and Violence: Four Christian Views Paul Copan, 2022-09-13 In a world of war terrorism and constant threats to global stability how should Christians honor Jesus Christ Four experts in Christian ethics political philosophy and international affairs present four different views of just war nonviolence Christian realism and church history orienting readers to today's key positions

The Morality of War - Second Edition Brian Orend, 2013-09-10 The first edition of *The Morality of War* was one of the most widely read and successful books ever written on the topic In this second edition Brian Orend builds on the substantial strengths of the first adding important new material on cyber warfare drone attacks the wrap up of Iraq and Afghanistan conflicts in Libya and Syria and protracted struggles like the Arab Israeli conflict Updated and streamlined throughout the book offers new research tools and case studies while keeping the winning blend of theory and history featured in the first edition This book remains an engaging and comprehensive examination of the ethics and practice of war and peace in today's world

Christian Attitudes to War, Peace, and Revolution John Howard Yoder, 2009-04-01 John Howard Yoder was one of the most important thinkers on just

war and pacifism in the late twentieth century This newly compiled collection of Yoder's lectures and writings on these issues describes, analyzes, and evaluates various patterns of thought and practice in Western Christian history The volume now made widely available for the first time makes Yoder's stimulating insights more accessible to a broader audience and substantially contributes to ongoing discussions concerning the history, theology, and ethics of war and peace Theologians and ethicists, students of Yoder's thought, and all readers seeking a better understanding of war and pacifism will value this work

War's Ends James G. Murphy, 2014-01-27 Before military action and even before mobilization the decision on whether to go to war is debated by politicians, pundits, and the public As they address the right or wrong of such action it is also a time when in the language of the just war tradition the wise would deeply investigate their true claim to *jus ad bellum* the right of war Wars have negative consequences, not the least impinging on human life and offer infrequent and uncertain benefits yet war is part of the human condition James G. Murphy's insightful analysis of the *jus ad bellum* criteria—competent authority, just cause, right intention, probability of success, last resort, and proportionality—is grounded in a variety of contemporary examples from World War I through Vietnam, the soccer war between Honduras and El Salvador, Afghanistan, and the Middle East conflict Murphy argues persuasively that understanding *jus ad bellum* requires a primary focus on the international common good and the good of peace Only secondarily should the argument about going to war hinge on the right of self-defense in fact pursuing the common good requires political action given that peace is not simply the absence of violence He moves on to demonstrate the interconnectedness of the *jus ad bellum* criteria, contending that some criteria depend logically on others and that competent authority, not just cause, is ultimately the most significant criterion in an analysis of going to war This timely study will be of special interest to scholars and students in ethics, war and peace, and international affairs

Ethics in Crisis David Clough, 2016-05-13 *Ethics in Crisis* offers a constructive proposal for the shape of contemporary Christian ethics, drawing on a new and persuasive interpretation of the ethics of Karl Barth David Clough argues that Karl Barth's ethical thought remained defined by the theology of crisis that he set out in his 1922 commentary on Romans and that his ethics must therefore be understood dialectically, caught in an unresolved tension between what theology must and cannot be Showing that this understanding of Barth is a resource for contemporary, constructive accounts of Christian ethics Clough points to a way beyond the idolatry of ethical absolutism on the one hand and the apostasy of ethical postmodernism on the other

Bodies of Peace Myles Werntz, 2014 *Bodies of Peace* argues that Christian nonviolence is both formed by and forms ecclesial life, creating an inextricable relationship between church commitment and resistance to war In this volume Myles Werntz examines the work of John Howard Yoder, Dorothy Day, William Stringfellow, and Robert McAfee Brown, demonstrating how each thinker's advocacy for nonviolent resistance depends deeply upon the ecclesiology out of which it comes The volume argues that any account of an ecclesially informed resistance to war must be open to a multitude of approaches, not as pragmatic concessions but as a foretaste of ecumenical unity

Ethics Of War Peace: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Ethics Of War Peace : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Ethics Of War Peace : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Ethics Of War Peace Introduction

In today's digital age, the availability of Ethics Of War Peace books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ethics Of War Peace books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ethics Of War Peace books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Ethics Of War Peace versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ethics Of War Peace books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ethics Of War Peace books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ethics Of War Peace books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ethics Of War Peace books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ethics Of War Peace books and manuals for download and embark on your journey of knowledge?

FAQs About Ethics Of War Peace Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
