Ethnography Of A Nomadic Tribe:

Ethnography of a Nomadic Tribe N. Sudhakar Rao, 2002 Study with reference to Sriharikota India An Anthropological Perspective on Indian Society N. Sudhakar Rao, 2025-06-30 Indian society with its blend of ancient grandeur and modernity faces significant social and gender inequalities similar to many traditional societies around the world This volume highlights these aspects of human life through empirical anthropological research conducted over the past four decades In India individuals cannot escape the inequalities stemming from gender ethnic and social hierarchies Living in such a context often involves struggling to survive or maintain a higher status This volume addresses these issues based on the empirical realities of life among various populations in different geographical regions of India while also considering their historical roots

Socio-cultural Study of Scheduled Tribes Shashidhar Ramchandra Murkute, 1990-01-01 This Book Deals With The Socio Cultural Study Of A Tribe Pardhans Besides Tracing Their Origin It Describes The Ethnic Status Of The Tribe Its Social Organisation Marriage Family Culture And Their Economic Conditions **Representing Tribe** Asoka Kumar Sen, 2011

Germanic Kinship Structure Alexander C. Murray, 1983 This book is a major reevaluation of the traditional view of early Germanic kinship structure and the large body of evidence from Antiquity and the early Middle Ages which has long been thought to support its major assumptions The book is about kinship but also directly and indirectly about other aspects of the period law association and social organization family institutions and the barbarian and Roman heritage of the early Middle Ages It is its principal aim that from a re examination of kinship will come a greater understanding of some of the central documents of barbarian social and legal history The Golden Deer of Eurasia Joan Aruz, Ann Farkas, Elisabetta Valtz Fino, Metropolitan Museum of Art (New York, N.Y.), 2006 **Collier's New Encyclopedia**, 1928 **Pottery Making and Communities During the 5th Millennium BCE in Fars Province, Southwestern Iran** Takehiro Miki, 2022-03-03 This book explores pottery making and communities during the Bakun period c 5000 4000 BCE in the Kur River Basin Fars province southwestern Iran through the analysis of ceramic materials collected at Tall e Jari A Tall e Gap and Tall e Bakun A B Pastoralists Philip Carl Salzman, 2018-02-13 Drawing upon the author's extensive field research among pastoral peoples in the Middle East India and the Mediterranean and on more than 30 years of comparative study of pastoralists around the world Pastoralists is an authoritative synthesis of the varieties of pastoral life At an ethnographic level the concise volume provides detailed analyses of divergent types of pastoral societies including segmentary tribes tribal chiefdoms and peasant pastoralists At the same time it addresses a set of substantive theoretical issues ecological and cultural variation equality and inequality hierarchy and the basis of power and state power and resistance The book validates pastoralists as a conceptual category even as it reveals the diversity of societies subsistence strategies and power arrangements subsumed by that term The Genealogical Construction of the Kyrgyz Republic David Gullette, 2010-10-29 This book explores the conceptions of genealogy kinship and tribalism in the intertwined construction of personhood and national identity in the

Kyrgyz Republic It makes an important contribution to several theoretical and regional debates First it engages with broader anthropological literature Genealogy a central theme of the work is explored not only as an analysis of relationships but also as a methodological tool through which to examine society Second the book contributes to theories of kinship and the state Research provides detailed accounts of Soviet and post Soviet transformations and their influence on people s everyday lives Third the book fills a gap in Central Inner Asian literature by focusing on social relations during a period of political upheaval

Politics of Culture in Iran Nematollah Fazeli,2006-08-21 This first full length study of the history of Iranian anthropology charts the formation and development of anthropology in Iran in the twentieth century The text examines how and why anthropology and culture became part of wider socio political discourses in Iran and how they were appropriated and rejected by the pre and post revolutionary regimes The author highlights the three main phases of Iranian anthropology corresponding broadly to three periods in the social and political development of Iran the period of nationalism lasting approximately from the constitutional revolution 1906 11 and the end of the Qajar dynasty until the end of Reza Shah s reign 1941 the period of Nativism from the 1950s until the Islamic revolution 1979 the post revolutionary period In addition the book places Iranian anthropology in an international context by demonstrating how Western anthropological concepts theories and methodologies affected epistemological and political discourses on Iranian anthropology **The Kolam**

Tribals Shashishekhar Gopal Deogaonkar,Leena Deogaonkar Baxi,2003 Social life and customs of Kolami Indic people residing in various states of India *The Samburu* Paul Spencer,2004 In an era of rapid change for Africa this nomadic tribe clings to its traditional way of life This book examines their society and provides the first full published description of human life in the area The author a social anthropologist spent more than two years among the Samburu as an adopted member of one of their clans he perceived how their values and attitudes are closely interwoven with a social system that resists change Case studies support the general analysis throughout Originally published in 1965 **Studying Peoples in the People's**

Democracies II Vintila Mihailescu, Ilia Iliev, Slobodan Naumovic,2008 Bulgaria and Serbia during socialism are outlined from many different points of view in this volume Beyond local and personal trajectories the authors illuminate more general and comparative questions Was there anything like a socialist anthropology common to all three countries Did Soviet and or Marxist influences in the discipline and in society in general penetrate so deeply as to form an unavoidable common denominator of anthropological practice The answers turn out to be complex and subtle While unifying ideological forces were very strong in the 1950s diversity increased thereafter Anthropology was entangled with national ideology in all three countries but the evidence nonetheless calls for polyphonic interpretations Tribes and State Formation in the Middle East Philip Shukry Khoury,Joseph Kostiner,1990 Offering a fuller understanding of the complexities and particular patterns of state formation in regions where tribes have exercised a significant influence this volume focuses on the continuing existence of tribal structures and systems in contemporary times within contemporary nation states The contributors offer hypotheses

as to why these groups have managed to survive and what impact they have had on modern states backcover *North Indian Notes and Queries*, 1891

T&T Clark Handbook of Christian Theology and the Modern Sciences John P. Slattery, 2020-10-01 This handbook surveys the many relationships between scientific studies of the world around us and Christian concepts of the Divine from the ancient Greeks to modern ecotheology From Augustine to Hildegard of Bingen Genesis to Frederick Douglass and physics to sociology this volume opens the intersections of Christian theology and science to new concepts voices and futures The central goal of the handbook is to bring new perspectives to the foreground of Christian theological engagement with science and to highlight the many engagements today that are not often identified as science theology discussions The handbook thus includes several aspects not found in previous handbooks on the same topic significant representation from the three major branches of Christianity Orthodox Roman Catholic and Protestant multiple essays on areas of modern science not traditionally part of the theology and science dialogue such as discussions of race medicine and sociology a collection of essays on historical theologians approaches to nature and science T Catholic Protestant and Orthodox surveys of theology science scholarship in the 20th and 21st centuries and ten explorations in Christian theology today from Einsteinian physics to decolonial sociology The 24 chapters than span the volume offer the reader whether scholar student or layperson an essential resource for any future conversations around science and Christian theology
