Euclid And His Modern Rivals Introduction By H S M Dexter

Charles Lutwidge Dodgson

Euclid And His Modern Rivals Introduction By H S M Dexter:

Euclid and His Modern Rivals Lewis Carroll, 2014-03-05 The author of Alice in Wonderland and an Oxford professor of mathematics employs the fanciful format of a play set in Hell to take a hard look at late 19th century interpretations of Euclidean geometry Carroll's penetrating observations on geometry are accompanied by ample doses of his famous wit 1885 edition Euclid and His Modern Rivals Lewis Carroll, Charles Lutwidge Dodgson, 2004-01-01 The author of Alice in Wonderland employs the fanciful format of a play set in Hell to take a penetrating and witty look at late 19th century interpretations of Euclidean geometry 1885 edition Euclid and His Modern Rivals, 1879 **Euclid and His Modern Rivals** Lewis Carroll, 1973 **Euclid and His Modern Rivals** Charles L. Dodgson, 2009-07-20 Euclid and His Modern Rivals is a deeply convincing testament to the Greek mathematician's teachings of elementary geometry Published in 1879 it is humorously constructed and written by Charles Dodgson better known outside the mathematical world as Lewis Carroll the author of Alice in Wonderland in the form of an intentionally unscientific dramatic comedy Dodgson mathematical lecturer at Christ Church Oxford sets out to provide evidentiary support for the claim that The Manual of Euclid is essentially the defining and exclusive textbook to be used for teaching elementary geometry Euclid's sequence and numbering of propositions and his treatment of parallels states Dodgson make convincing arguments that the Greek scholar's text stands alone in the field of mathematics The author pointedly recognises the abundance of significant work in the field but maintains that none of the subsequent manuals can effectively serve as substitutes to Euclid's early teachings of elementary geometry **Euclid and His Modern Rivals** Kelly Miller, 1901 **Euclid and His Modern Rivals (Classic Reprint)** Charles L. Dodgson, 2015-08-08 Excerpt from Euclid and His Modern Rivals The object of this little book is to furnish evidence first that it is essential for the purpose of teaching or examining in elementary Geometry to employ one text book only secondly that there are strong a priori reasons for retaining in all its main features and specially in its sequence and numbering of propositions and in its treatment of parallels the Manual of Euclid and thirdly that no sufficient reasons have yet been shown for abandoning it in favour of any one of the modern Manuals which have been offered as substitutes It is presented in a dramatic form partly because it seemed a better way of exhibiting in alternation the arguments on the two sides of the question partly that I might feel myself at liberty to treat it in a rather lighter style than would have suited an essay and thus to make it a little less tedious and a little more acceptable to unscientific readers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Euclid and

His Modern Rivals (1885) Charles Lutwidge Dodgson, 2009-03 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Euclid and His Modern Rivals** Carroll Lewis 1832-1898, 2018-10-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Euclid and His Modern Rivals (1885)* Charles Lutwidge Dodgson, 2014-08-07 This Is A New Release Of The Original 1885 Edition Euclid and His Modern Rivals Charles Lutwidge Dodgson, 1885 Euclid and His Modern Rivals Charles Lutwidge Dodgson, **Supplement to Euclid and His Modern Rivals** Charles Lutwidge Dodgson, 2001-04 **Euclid and His Modern Rivals... - Primary Source Edition** Lewis Carroll, 2013-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Euclid And His Modern Rivals Lewis Carroll Macmillan and co 1879 Geometry Geometry Non Euclidean **Euclid and His Modern Rivals** Lewis Carroll, 1885 Euclid and his modern rivals Ch. L. Dodgson, **Euclid and His Rivals** Charles Lutwidge Dodgson, 1885 **Euclid and His Modern Rivals - Scholar's Choice Edition** Charles L Dodgson, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a

historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
