Karin Nielsen-Saines

Eugen Rosenstock-Huessy Studies In His Life And Thought Toronto Studies In Theology Volume 28:

Eugen Rosenstock-Huessy M. Darrol Bryant, Hans R. Huessy, 1986 A collection of 17 essays on the little known thinker Eugen Rosenstock Huessy one of the first academics to resign his post in Germany when Hitler came to power

Revolutions Paul Caringella, Glenn Hughes, 2013-02-21 *Revolutions Finished and Unfinished From Primal to Final* is an important philosophical contribution to the study of revolution It not only makes new contributions to the study of particular revolutions but to developing a philosophy of revolution itself Many of the contributors have been inspired by the philosophical approaches of Eric Voegelin or Eugen Rosenstock Huessy and the tension between these two social philosophies adds to the philosophical uniqueness and richness of the work *Directory of Published Proceedings*, 1990

The Village That Died for England Patrick Wright, 2021-09-14 A reissue of Patrick Wright's 1995 classic about the military takeover of the village of Tyneham with a new introduction taking in Brexit and a new wave of British nationalism Shortly before Christmas in 1943 the British military announced they were taking over a remote valley on the Dorset coast and turning it into a firing range for tanks in preparation for D Day The residents of the village of Tyneham loyally packed up their things and filed out of their homes into temporary accommodation yet Tyneham refused to die Although it was never returned to its pre war occupants and owners Tyneham would persist through a long and extraordinary afterlife in the English imagination It was said that Churchill himself had promised that the villagers would be able to return once the war was over and that the post war Labour government was responsible for the betrayal of that pledge Both the accusation and the sense of grievance would reverberate through many decades after that Back in print and with a brand new introduction this book explores how Tyneham came to be converted into a symbol of posthumous England a patriotic community betrayed by the alleged humiliations of post war national history Both celebrated and reviled at the time of its first publication in 1995 The Village that Died for England is indispensable reading for anyone trying to understand where Brexit came from and where it might be leading us **Books in Series, 1876-1949** R.R. Bowker Company, 1982 Subject Guide to Books in Print, 1997 *Books in Print*, 1994

Sprachphilosophische Schriften Martin Buber, 2019-07-22 Vorarbeiten zum Dialogischen Prinzip Erkenntnistheorie der Sprache Ausgehend von Aufsätzen die der Erarbeitung des dialogischen Prinzips vorausgingen verdeutlicht dieser Band Bubers lebenslange Auseinandersetzung mit der Erkenntnistheorie der Sprache

Werkausgabe Martin Buber, 2001 Accompanying CD ROM contain Inhalt der CD ROM Quellen zu den Ekstatischen Konfession Title page of pdf document **God on the Western Front** Joseph F. Byrnes, 2023-08-31 From 1914 to 1918 religious believers and hopeful skeptics tried to find meaning and purpose behind divinely willed destruction God on the Western Front is a history of lived religion across national boundaries religious affiliations and class during World War I utilizing an expansive record of primary sources Joseph F Byrnes takes readers on a tour of the battlefields of France listening to the words of German French and English soldiers going behind the lines to hear from the men and women who

provided pastoral and medical care and reviewing the religious writings of priests bishops ministers and rabbis as they tried to make sense of it all The story begins with citizens at home as they responded to the obligation to make war and then focuses on the God talk and nation talk that soldiers used to express their foundational religious experiences Byrnes s study attends to the words of average men who struggled to articulate their religious sentiments alongside the generals Helmuth von Moltke Ferdinand Foch and Douglas Haig and the soldier theologians Franz Rosenzweig Paul Tillich Pierre Teilhard de Chardin and Geoffrey Studdert Kennedy In doing so he shows how religious and battle experience are intertwined and showcases the wide range of spiritual responses that emerged across boundaries Going beyond the typical constraints of studies focused either on one nation or one confessional affiliation Byrnes s international and interfaith approach breaks new ground It will appeal to scholars and students of modern European history religious history and the history of war

Religion Index Two ,1991 *Canadiana* ,1989 **Das Alter der Kirche** Eugen Rosenstock-Huessy,1998

Werkausgabe: Sprachphilosophische Schriften Martin Buber,2001 **Esoteric Buddhism in Mediaeval Maritime**

Asia Andrea Acri,2016-09-05 This volume advocates a trans regional and maritime focused approach to studying the genesis development and circulation of Esoteric or Tantric Buddhism across Maritime Asia from the seventh to the thirteenth centuries ce The book lays emphasis on the mobile networks of human agents Masters textual sources Texts and images Icons through which Esoteric Buddhist traditions spread Capitalising on recent research and making use of both disciplinary and area focused perspectives this book highlights the role played by Esoteric Buddhist maritime networks in shaping intra Asian connectivity In doing so it reveals the limits of a historiography that is premised on land based transmission of Buddhism from a South Asian homeland and advances an alternative historical narrative that overturns the popular perception regarding Southeast Asia as a periphery that passively received overseas influences Thus a strong point is made for the appreciation of the region as both a crossroads and rightful terminus of Buddhist cults and for the re evaluation of the creative and transformative force of Southeast Asian agents in the transmission of Esoteric Buddhism across mediaeval Asia

American Book Publishing Record ,1987 **Forthcoming Books** Rose Arny,1995 **Religion, Redemption and**

Revolution Wayne Cristaudo,2012-04-28 Religion Redemption and Revolution closely examines the intertwined intellectual development of one of the most important Jewish thinkers of the twentieth century Franz Rosenzweig and his friend and teacher Christian sociologist Eugen Rosenstock Huessy The first major English work on Rosenstock Huessy it also provides a significant reinterpretation of Rosenzweig s writings based on the thinkers shared insights including their critique of modern Western philosophy and their novel conception of speech This groundbreaking bookprovides a detailed examination of their new speech thinking paradigm a model grounded in the faith traditions of Judaism and Christianity Wayne Cristaudo contrasts this paradigm against the radical liberalism that has dominated social theory for the last fifty years Religion Redemption and Revolution provides powerful arguments for the continued relevance of Rosenzweig and Rosenstock Huessy

s work in navigating the religious social and political conflicts we now face **Dictionary Catalog of the Research
