Eugene Smith Shadow And Substance The Life And Work Of An American Photographer:

W. Eugene Smith W. Eugene Smith, Jim Hughes, 1999 Essay by Ben Maddow Afterword John G Morris **Heroes of Hell Hole Swamp: Photographs of South Carolina Midwives by Hansel Mieth and W. Eugene Smith** Dolores Flamiano, 2011-06-01 Two mid century Life photo essays reveal the power of editorial selection to lie or reveal truth This article appears in the Summer 2011 issue of Southern Cultures The Photography Issue Mieth and Smith shared a belief that photography could bring social change They viewed Pat Clark and Maude Callen as heroic healers whose stories would inspire racial understanding Both photographers shot powerful images of the most visceral human experiences birth death sexuality and disease Note Due to copyright restrictions the original photos by Mieth and Smith are available in the print version only "Women, Workers, and Race in LIFE Magazine " Dolores Flamiano, 2017-07-05 The tension between social reform photography and photojournalism is examined through this study of the life and work of German gr ansel Mieth 1909 1998 who made an unlikely journey from migrant farm worker to Life photographer She was the second woman in that role after Margaret Bourke White Unlike her colleagues Mieth was a working class reformer with a deep disdain for Life s conservatism and commercialism In fact her work often subverted Life s typical representations of women workers and minorities Some of her most compelling photo essays used skillful visual storytelling to offer fresh views on controversial topics birth control vivisection labor unions and Japanese American internment during the Second World War Her dual role as reformer and photojournalist made her a desirable commodity at Life in the late 1930s and early 40s but this role became untenable in Cold War America when her career was cut short Today Mieth s life and photographs stand as compelling reminders of the vital yet overlooked role of immigrant women in twentieth century photojournalism Women Workers and Race in LIFE Magazine draws upon a rich array of primary sources including Mieth s unpublished memoir oral histories and labor archives The book seeks to unravel and understand the multi layered often contested stories of the photographer s life and work It will be of interest to scholars of photography history women s studies visual culture and media history

Popular Photography , 1989-11 **This Borrowed Earth** Robert Emmet Hernan, 2010-02-02 Over the last century mankind has irrevocably damaged the environment through the unscrupulous greed of big business and our own willful ignorance Here are the strikingly poignant accounts of disasters whose names live in infamy Chernobyl Bhopal Exxon Valdez Three Mile Island Love Canal Minamata and others And with these the extraordinary and inspirational stories of the countless men and women who fought bravely to protect the communities and environments at risk **The Body at Risk** Carol Squiers, 2005 The Body at Risk Photography of Disorder Illness and Healing is the first book to explore the ways that photojournalists and social documentarians have conceptualized the human subject as a site of both good and ill health The volume looks at photographs depicting child laborers Depression era health programs general medical care in the southern United States at mid century people with HIV AIDS and polio along with their caretakers and the health workers who

advocate for them environmental pollution physical and psychological injuries received during warfare domestic violence and emergency care in the modern urban hospital It brings together ten significant bodies of photographs made over the past one hundred years to show how human health topics have been represented for the general public and how the emphasis on health has shifted how photography has been used to present and promote certain points of view about health and the social circumstances that affect it both positively and negatively and how photography has helped shape public knowledge of and opinion about health care and some of the events and circumstances that engender it **Phototextualities** Alex Hughes, Andrea Noble, 2003 How are photographs understood as narratives In this book twenty two original critical essays tackle this overarching question in a series of case studies moving chronologically across the history of photography from the 1840s to the twenty first century The contributors explore the intersections of photography with history memory autobiography time death mapping the discourse of Orientalism digital technology and representations of race and gender The essays range in focus from the role of photographic images in the memorialization of the Holocaust the Argentine Dirty War and Japanese American internment camps through Man Ray s classic image *Noire et blanche* and Nan Goldin s *The Ballad of Sexual Dependency* to the function of family albums in nineteenth century England and America **W. Eugene Smith** Jim Hughes, 1989 Ten years in the writing this probing biography examines the passionate haunted and brilliant man whose quest for perfection resulted in an unparalleled photographic legacy *Photographs The Focal Encyclopedia of Photography* Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world s oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic *The Self in Black and White* Erina Duganne, 2010 A study of race and authenticity in the photography of the civil rights era and beyond *Art Books* Wolfgang M. Freitag, 2013-10-28 First published in 1997 For this second edition of *Art Books A Basic Bibliography of Monographs on Artists* the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the first edition **Popular Photography** , 1990-03 **What Matters in Medicine** David Loxterkamp, 2013-02-18 An honest and insightful reflection on lessons learned about primary care from a life as a small town

doctor **Seizing the Light: A Social History of Photography** Robert Hirsch,2009 Contains images and commentary by hundreds of international artists *Kosti Ruohomaa* Deanna Bonner-Ganter,2016-03-15 Acclaimed photographer Kosti Ruohomaa is widely known for his photographs of hard scrabble Yankees in mid century Maine No one was more acutely aware than Ruohomaa that his work was capturing a way of life that was rapidly fading Before his work in Maine however Ruohomaa started out with Disney then went on to become a freelance photographer for the Black Star Agency where he was a regular contributor to Life National Geographic Look and Ladies Home Journal His true passion however was documenting the lives of the people of Maine In this biography by curator Deanna Bonner Ganter of the Maine State Museum Kosti s life and work is made relevant and important to an audience that may be unfamiliar with his work Thelonious Monk Robin D. G. Kelley,2010-11-02 The first full biography of Thelonious Monk written by a brilliant historian with full access to the family s archives and with dozens of interviews Photographing Farmworkers in California Richard Steven Street,2004 The work of nearly every photographer of consequence since the nineteenth century is captured in this collection of photographs of California farmworkers raising moral questions about the exploitation and colonization of an entire class of people

Photojournalism Kenneth Kobre,1996 Blends interviews with professionals sharp practical experience and high impact photographs **Engaged Observers** Brett Abbott,2010 A critical survey of nine documentary photographers who were at the cutting edge of this form of journalism during the second half of the 20th century Engaged Observers shows how since the sixties photographers such as Leonard Freed Susan Meiselas have challenged the conventional objectivity of the newsroom Nimitz's Newsman Hamilton Bean,2024-09-17 When Lt Cdr Waldo Drake USNR arrived in Pearl Harbor in June 1941 as the U S Pacific Fleet s first Public Relations Officer PRO he was an admired maritime reporter for the Los Angeles Times and Reserve Officer appointed to intelligence duties By October 1944 he was hated by most of the correspondents assigned to cover the war against Japan and seen by officials in Washington as an obstacle to the development of Navy public relations What led Drake to become the Pacific Fleet s first PRO what happened during the three years he served on the CINCPAC staff and why he was removed from that position are the focus of Nimitz s Newsman Waldo Drake and the Navy s Censored War in the Pacific Following the Japanese attack on Pearl Harbor on December 7 1941 Adm Chester Nimitz USN assumed command of the Pacific Fleet and inherited Drake s services Drake became responsible for informing America s press about the Pacific Fleet s wartime role and thus gained an outsized ability to influence American public opinion The Navy s decision to allow public relations officers to censor press copy caused numerous conflicts between Drake and the correspondents assigned to the Fleet It was Drake s love for the Navy his tendency to take on every job himself and above all his close relationship with Adm Nimitz that allowed him to perform censorship duties with approval Drake s protection of Nimitz and his reticence to give the press any information that could endanger operational security or dampen morale caused Navy victories to go under reported much to the consternation of officials in Washington In analyzing

the dynamics of Drake and Nimitz's relationship and in highlighting Drake's interactions with correspondents and Navy officials Nimitz's Newsman reveals the inside story of the Navy's censored war in the Pacific during World War II
