which left Lucie disabled and dependent on a cane Her family s once elegant home and winery are now shabby and run down thanks to her father s penchant for fringy business deals Eli also cash strapped and desperate to support his new wife s extravagant lifestyle has already convinced their rebellious younger sister Mia to sell the debt ridden estate and reap the profits from the valuable land it sits on overruling Lucie s protests On the eve of the funeral Lucie s godfather Fitz a partner in the family business tells her Leland s death was no accident Whoever killed him was motivated by the potential sale of the vineyard It is the last conversation she will have with Fitz Now the lone holdout preventing the vineyard sale Lucie realizes she s next in line for another accident With her greedy brother hell raising sister and a seemingly cut rate vintner hired by Leland just before he died all the suspects axe disturbingly close to home Unsure whom she can trust Lucie must uncover the truth about the deaths of her father and godfather and oversee a successful harvest to save the vineyard she loves
