European Communities Globary:

The European Union in the World Community Carolyn Rhodes, 1998 This volume analyzes the character of the EU as an actor in international affairs The authors consider the questions such as Does the EU have an identity of its own in global affairs distinct from that of its member states And what is its relationship with other major international actors **The European Union in International Organisations and Global Governance** Christine Kaddous, 2015-09-24 The European Union is a key participant in international organisations with its involvement taking different forms ranging from full membership to mere observer Moreover there is also not only one status of observer but different ones depending on the constituent charters of the organisations This book provides a comprehensive overview of the participation of the EU in five international organisations the UN the ILO the WTO the WHO and the WIPO It identifies its role and influence in diverse areas of global governance such as foreign policy peace human rights social rights trade health and intellectual property EU and international experts diplomats and scholars have contributed to this book to give an overview of the different aspects linked to the participation of the EU in these organisations and to the coordination that takes place internally with its Member States They also examine the EU's actual influence in the various areas and its contribution to global governance The combination of these two dimensions allows the work to identify the strengths and weaknesses of the participation of the EU in these five international organisations The book provides valuable insights for scholars policymakers and is useful for representatives of other international organisations and civil society actors [The European Union and the United Nations in Global Governance](#) Madeleine Hosli, 2022-07-29 Written by a leading expert in the field this book analyses the complex relations between the European Union EU as a regional organization and the United Nations UN as an international global governance institution [The European Union in the World](#) Inge Govaere, Erwan Lannon, Peter van Elsuwege, Stanislas Adam, 2013-11-07 *The European Union in the World Essays in Honour of Marc Maresceau* provides a unique overview of state of the art academic research in the rapidly developing area of EU external relations law from renowned academics and practitioners The book is dedicated to the academic career of Marc Maresceau a world renowned expert in EU external relations law For many years Prof Maresceau has been a pioneer in EU enlargement and neighbourhood studies In honour of his inestimable contribution to the field editors Inge Govaere Erwan Lannon Peter Van Elsuwege and Stanislas Adam have compiled contributions devoted to the following wide range of topics i the legal institutional framework of EU external action ii the external policies of the EU iii the EU's bilateral relations with third countries iv the enlargement of the European Union v the European Neighbourhood Policy With a special focus on the post Lisbon legal framework of EU external action the book builds further upon the implementation of the reforms initiated by the Lisbon Treaty to offer virtually all encompassing analysis of EU external relations law by top level specialists Academics scholars and practitioners of EU law will find a seminal new work in *The European Union in the World Essays in Honour of Marc Maresceau* **The European Union as a**

Global Cultural Power Mafalda Dâmaso, 2025-05-19 Although culture is increasingly recognised as a relevant focus of scholarly analysis the European Union EU has not yet been examined as a global cultural power Addressing this gap this book offers a comprehensive overview of the multiple arenas through which the EU has emerged as a major cultural actor beyond its borders Focusing on Culture in Foreign Policy and Development as well as Media and Trade the book gathers an international team of experts to provide a comprehensive analysis of the EU's multifaceted cultural action across various policy fields and regions The book draws together discussions in cultural studies cultural policy international relations media studies and law to ask the following questions What characterises EU cultural and media policies and programmes beyond its borders What are the assumptions and the goals that underlie such policies and programmes Suggesting that the EU is beginning to emerge as an enabling power that supports cultural diversity around the world the volume also reflects on the global role of the EU and contribute to debates regarding the liberal international order by taking a new angle

The European Union as a Global Actor Charlotte Bretherton, John Vogler, 2005-03-15 This comprehensive up to date and theoretically informed text examines the full range of the European Union's external relations including the Common Foreign and Security Policy It looks at the increasingly important part the EU plays in global politics The authors argue that the EU's significance cannot be grasped by making comparisons with traditional states Issues covered include the status coherence consistency and roles of the EU as an actor and what being an actor means in practice how the field of trade relations forms the basis of the EU's activities the EU in global environmental diplomacy North South relations and in relation to the Mediterranean and East Central Europe the EU's controversial relationship to the Common Foreign and Security Policy and defence

The European Union and Global Development S. Gänzle, S. Grimm, D. Makhan, 2012-04-17 An assessment of the capacity of the EU to coordinate actors and policies with regards to global development The authors argue that the EU and its member states have the potential to act for global development when they are able to improve policy and actor coherence such as through better linking of bilateral and community programmes

The European Union As A Global Health Actor Thea Emmerling, Ilona Kickbusch, Michaela Told, 2016-08-10 This book provides a systematic collection of EU actors EU policy and EU actions in global health It answers key questions on governance of the EU and its policy processes The book starts with an introduction to the EU as a global actor and continues to outline the historical development and the Treaty basis for health including the Maastricht and Lisbon Treaties It also discusses the Commission's global health communication and the subsequent Council Conclusions on global health Both documents define EU values in global health and identify the future priorities for global health action in the EU Four of the five priorities are then described from the perspective of a different country experience The book also considers the opportunities for research and provides an overview of the political legal and financial instruments available to the EU It also explores the global health architecture and processes within which the EU is acting namely at the WHO in the different multilateral organizations and in global public

health international treaties and regulations Finally the book addresses the importance of policy coherence at a national level and provides critical viewpoint on the EU as a global health actor The book will assist practitioners working in policy making and international negotiations affecting health as well as students and researchers to create a better understanding of the European Union its role in global health and the uniqueness and specificity of the EU as a global health actor It provides an overview of how the EU can act in global health and outlines the intersections of health and other sectors as well as the instruments available to the EU to act effectively at a global level The collection of contributions in this form and from this health policy perspective are not yet found elsewhere on the market *The European Union and Global Social Change*

József Böröcz,2009-09-10 This book provides an historical analysis of what the European Union is Examining the development of the EU in a global context the book draws on long term processes of change in historical depth to developing a deeper understanding of global social change *The European Union and Global Environmental Protection* Mar Campins

Eritja,2020-11-17 This book examines how the EU can be a more proactive actor in the promotion of the principles of sustainability and fairness from a legal environmental perspective The book is one of the results of the research activity of the Jean Monnet Chair in EU Environmental Law 2017 2020 funded by the European Commission under the Erasmus programme The European Union and Global Environmental Protection Transforming Influence into Action begins with an introduction of the key EU competences instruments and mechanisms as well as the current international challenges at the EU level It then explores case study examples from four regulated fields climate change biodiversity multilateral trade unregulated fishing and access to justice and four unregulated areas mainstreaming of the Sustainable Development Goals in EU policies and environmental justice highlighting the extent to which the EU might align with international environmental regimes or extend its normative power This volume will be of great relevance to students scholars and EU policy makers with an interest in international environmental law and policy *Japan, the European Union and Global Governance* Eiji

Ogawa,Kolja Raube,Dimitri Vanoverbeke,Jan Wouters,Camille Van der Vorst,2021-03-26 This timely book explores the relationship between Japan and the European Union as they work increasingly closely together in many areas of global governance It discusses the most salient areas of such cooperation from a range of perspectives while examining not just convergences but also differences in light of the recent EU Japan Economic Partnership Agreement and Strategic Partnership Agreement **The European Union as a Global Actor** Susanne Lütz,Tobias Leeg,Daniel Otto,Vincent Woyames

Dreher,2021-08-04 This book focuses on the European Union as an important actor in international relations and international political economy The EU negotiates international economic agreements represents Europe in international organizations and is a major trading bloc and currency area To what extent and under what conditions the EU can use its considerable economic power to assert its interests in the international arena is a relevant question for students researchers and practitioners alike To explore this question the textbook introduces the concept of actorness and presents an overview of

the actorness debate and theories used to explain actorness In addition it includes three empirical chapters on trade finance and climate policy that apply various concepts and theories to study European actorness in the respective policy areas

The European Union and Global Politics Richard Youngs, 2021-03-31 This accessible new textbook situates the European Union in a dramatically changed world order Resisting a more traditional and abstract introduction to the institutions structures and policy making processes of the EU this innovative new text cuts through the jargon to demonstrate how hard the EU must work to retain its international influence Taking into account the latest empirical developments including the spread of war and violence in the East with Ukraine and the ongoing turbulent politics of North Africa and the Middle East Richard Youngs an expert in the field introduces us to how the EU has been forced to act differently The book is unique in offering an outside in conceptual framework that inverts the way that the EU external action is studied and understood It unpacks the different international challenges the EU has faced in recent years including the weakening of global order the need for more protective security geo economic competition climate change and conflicts to its east and south In each case the book examines how the EU has responded and how its core international identity has changed as a result assessing whether the Union still retains strong global influence This book is the ideal companion for students taking modules on the European Union s foreign policy global politics and for students of European Union Politics more broadly at both undergraduate and postgraduate levels

The European Union as a Global Counter-Terrorism Actor Kaunert, Christian, MacKenzie, Alex, Léonard, Sarah, 2022-08-16 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com After the death of Osama Bin Laden and the demise of Al Qaeda the EU is increasingly threatened by new jihadi terrorist groups such as ISIS as exemplified by recent terror attacks on Paris Brussels Nice Berlin and Manchester This book investigates the role of the EU in dealing with such groups as part of its counter terrorism efforts by outlining the increasing role of the EU as an external counter terrorism actor

The European Union, Emerging Global Business and Human Rights Aleydis Nissen, 2022-11-17 A human rights study of businesses from emerging and developing countries acting as competitors to European Union based businesses China, the European Union and the Restructuring of Global Governance Tanguy De Wilde, Pierre Defraigne, Jean-Christophe Defraigne, 2012-05-01 China the European Union and Global Governance examines the key determinants of European and Chinese approaches to the restructuring of global governance systems Using a multidisciplinary method this collection of chapters analyses four distinct fields that are key for both China and the EU and in the development of their relations and future cooperation the global trading system the international monetary system climate and energy policy and international security In the context of China s growing role in global governance and of EU_China cooperation these contributions emphasize strategies prospects and objectives of both actors They outline possible avenues for an enhanced partnership in light of the changing global order which implies a rethinking of the existing multilateral structures This interdisciplinary

study will appeal to researchers and scholars interested in global governance European foreign policy Chinese foreign policy EU_China relations as well as trade the international economy and climate change policies Postgraduate students in international relations international political economy European studies and Chinese studies as well as policymakers in the areas of external relations and EU_China relations will also find much to interest them in this book

Global Shipbuilding Industry Handbook Volume 1. European Union- Strategic Information and Contacts IBP, Inc.,2014-12-02 Global Shipbuilding Industry Handbook Volume 1 European Union Strategic Information and Contacts

China, the European Union, and the International Politics of Global Governance Jianwei Wang,Weiqing Song,2016-04-29 Two major themes in contemporary international relations Sino European relations and global governance are both addressed in this volume In its focused analysis of Sino European relations global governance serves as both a topic for analysis and a conceptual framework to join together individual chapters Featuring perspectives from a diverse group of established and promising young scholars from China Europe and elsewhere this book has important implications for Chinese foreign policy the European Union the future of global governance and international relations at large

European Union Foreign Policy in a Changing World Karen E. Smith,2013-04-18 The second edition of European Union Foreign Policy in a Changing World provides a clear introduction to the complexities of contemporary European foreign policy and offers a fresh and distinctive perspective on the nature of the EU s international identity Thoroughly revised and expanded the book explores how and why the EU tries to achieve five core foreign policy objectives the encouragement of regional cooperation the advancement of human rights the promotion of democracy and good governance the prevention of violent conflicts and the fight against international crime including terrorism In pursuing these goals the book illustrates how the EU is faced with acute policy dilemmas because the five objectives not only clash with each other but also with additional policy priorities such as securing energy supplies or establishing strategic partnerships with key powers The uniqueness of the EU as a global actor is carefully assessed and its key policies and the related dilemmas it faces compared with those of other international actors This well written and thoroughly researched book will be a valuable resource for undergraduate and postgraduate students of European politics foreign policy analysis international relations and related disciplines

The European Union as a Global Conflict Manager Richard Whitman,Stefan Wolff,2012-05-31 In recent years the European Union EU has played an increasingly important role as a manager of global conflicts This book provides a comprehensive assessment of how the EU has performed in facilitating mediation conflict resolution and peacebuilding across the globe Offering an accessible introduction to the theories processes and practice of the EU s role in managing conflict the book features a broad range of case studies including Afghanistan Bosnia Herzegovina Cyprus Israel Palestine Macedonia and Moldova and examines both the institutional and policy aspects including the common foreign security and defence policy Drawing together a wide range of contributors this will be of great interest to students of European Foreign Policy the EU as a global actor and conflict

resolution and management
