First 280 Years Of Monty Python:

Monty Python and Philosophy Gary L. Hardcastle, 2010 Humour *Monty Python's Tunisian Holiday* Kim Howard Johnson, 2008-10-28 One of the finest and most accurate records of the making of the film that I have ever read I just wished I could remember what actually went on then Terry Jones If anyone can remember more about making the Life of Brian than me it s Kim Howard Johnson He came he saw he got into costume While the rest of us were fighting to upstage each other Howard had a notebook hidden in his toga Michael Palin Since I ve forgotten everything it will be great to read what was actually going on in Tunisia Just as long as I m the most quoted the most vital to the shooting and the most interesting You don t have to mention my stunning good looks if you don t want to Terry Gilliam Of all the books that I am planning to read in my dotage there is none I am more looking forward to than Monty Python s Tunisian Holiday Not only does Howard Johnson know more about Python than anyone outside of the IRS he was in Tunisia for most of the filming of Life of Brian and is the only person who captured every thoughtless remark heated exchange embarrassing detail petty insult and spiteful act of indifference John Cleese Kim Howard Johnson was invented by Graham Chapman during an idle moment on the set of The Life of Brian Let s invent a person he said An American fan from the Midwest chimed in Michael Palin who keeps a daily diary of Python filming And then doesn t publish it for years and years How we laughed and each day we d make up stuff this person would write about us Eric Idle In 1978 Kim Howard Johnson ran away to join the circus Monty Python s Flying Circus that is The Pythons converged on Tunisia to film their timeless classic Life of Brian and Howard found himself in the thick of it doubling for nearly all the Pythons playing more roles in the film than John Cleese and managing to ruin only one shot He became the unit journalist substitute still photographer Roman soldier peasant Biggus Dickus s double near stalker and ultimately friend and confidant of the comedy legends He also kept a detailed journal of what he saw and heard on set and off throughout those six weeks The result is a unique eyewitness account that reveals the Pythons at work and at play in a way that nothing else written about them could do Now for the first time ever the inside story of the making of the film is revealed through the fly on the castle wall perspective Even the most diehard fans will get a fresh take on the comedy greats through some never before revealed nuggets of Python brilliance what John Cleese offered to exchange for suntan lotion Terry Jones directing in drag Michael Palin s secret to playing revolutionaries and peasants Graham Chapman gets naked Terry Gilliam gets filthy Eric Idle haggles the secret of the Thespo Squat Mrs Pilate talk of George Harrison the cake flinging that jeopardized the production badminton impromptu cricket and erotic frescoes and the first ever presentation of Always Look on the Bright Side of Life Here uncensored are the legendary Pythons in their prime It was a period of comedy history that will never be duplicated and Monty Python s Tunisian Holiday captures the wit the genius and the sheer silliness of the six men that comprised Python **Bullshit and Philosophy** Gary L. Hardcastle, George A. Reisch, 2006 Sixteen essays offer discussions interpretations and criticisms related to Harry G Frankfurt s essay On Bullshit and other philosophical work on

bullshit Topics addressed include the definition of bullshit the ethics and epistemology of bullshit and the role of bullshit in contemporary culture Provided by publisher

South Park and Philosophy Richard Hanley,2011-08-31 Trey Parker and Matt Stone's long running Comedy Central hit cartoon South Park has been equally cheered and reviled for its edgy humor poised satire of current events and celebrities and all around obnoxiousness But is there more to Kyle the lonely Jew Timmy and the Crips Cartman's bitchiness Chef's inappropriate advice and Kenny's continued violent deaths than meets the eye This collection of essays affirms that possibility Individual chapters take a sometimes witty often provocative look at Is South Park a Libertarian Manifesto That's So Gay and Why Is Cartman Such an Asshole The writers apply classical philosophical analysis to this two dimensional dystopia whether in Paul Draper's Why Good Things Happen to Bad People The Problem of Evil in South Park or Randall Auxier's Finding South Park on the Map Officer Barbrady Mayor McDaniel and Chef in Plato's Republic South Park and Philosophy presents new and thoughtful approaches to understanding this surprisingly meaningful show

The Pragmatics of Irony and Banter Manuel Jobert,Sandrine Sorlin,2018-04-25 The Pragmatics of Irony and Banter is the first book length study analysing irony and banter together This approach inherited from Geoffrey Leech's research implies that the two notions are intrinsically related In this thought provoking volume the various contributors linguists stylisticians discourse analysts and literary scholars while not necessarily agreeing on every aspect of this theoretical premise discuss and develop the idea In turn they consider the workings of these two discursive practices in various corpora face to face or digitally mediated interactions

novels comedy shows etc thus providing a wealth of examples and case studies This well balanced positioning helps the reader to develop a better understanding of these complex discursive practices that play a crucial part in everyday interaction Steering a course between traditional perspectives and new theoretical approaches this innovative and exciting way of looking at irony and banter will no doubt open new avenues for research

A Book about the Film Monty Python's Life of Brian Darl Larsen, 2018-02-15 As a follow up to their first true feature film Monty Python and the Holy Grail the comic troupe next decided to tackle a shadow version of the Christ story Shot in the Middle East and produced during Margaret Thatcher's ascendant years the film satirized among other matters authoritarianism and religious zealotry Upon its release Monty

Python's *Life of Brian* was both a critical and commercial success and has been since hailed as one of the greatest comedies of all time. But the film also faced backlash from religious groups for its blasphemy perceived or otherwise. In *A Book about the Film Monty Python's Life of Brian*, All of the References from Assyrians to Zeffirelli, Darl Larsen identifies and examines the plethora of cultural, historical, and topical allusions in the film. In this resource, Larsen delineates virtually every allusion and reference that appears in the film from first-century Jerusalem through 1970s Great Britain. Organized chronologically by scene, the entries in this cultural history cover literary and metaphoric allusions, symbolisms, names, peoples, and places, as well as the many social, cultural, and historical elements that populate this film. By closely examining each scene, this book explores the Pythons' comparisons of the Roman and British Empires and of Pilate and Margaret Thatcher. In addition, Larsen helps to situate *Life of Brian* in the Jesus re-examination of the postwar period while also taking a close look at the terror groups of first-century Judea and the modern world. *A Book about the Film Monty Python's Life of Brian* will appeal to scholars of history, film, British culture, and pop culture, as well as to the many fans of this iconic group. **The British**

Jesus, 1850-1970 Meredith Veldman, 2022-04-05 *The British Jesus* focuses on the Jesus of the religious culture dominant in Britain from the 1850s through the 1950s, the popular Christian culture shared by not only church, kirk, and chapel goers but also the growing numbers of Britons who rarely or only episodically entered a house of worship. An essay in intellectual as well as cultural history, this book illumines the interplay between and among British New Testament scholarship, institutional Christianity, and the wider Protestant culture. The scholars who mapped and led the uniquely British quest for the historical Jesus in the first half of the twentieth century were active participants in efforts to replace the popular image of Jesus in a white nightie with a stronger figure, and so they hoped to preserve Britain's Christian identity. They failed. By exploring that failure and more broadly by examining the relations and exchanges between popular, artistic, and scholarly portrayals of Jesus, this book highlights the continuity and the conservatism of Britain's popular Christianity through a century of religious and cultural transformation. Exploring depictions of Jesus from over more than one hundred years, this book is a crucial resource for scholars of British Christianity in the nineteenth and twentieth centuries. *Lord, Save Us From Your Followers* Dan

Merchant, 2012-11-05 Why is the Gospel of Love dividing America? Fed up with the angry, strident language filling the airwaves that has come to represent the Christian faith, author, director, and follower Dan Merchant set out to explore the collision of faith and culture in America. What is all this fighting really about? The book and upcoming documentary represent a two-year effort to join the battlefield in hopes of getting a conversation started. The result is a book full of offbeat observations, fun anecdotes, comedic bits, and in-depth interviews. From Dan's hilarious bumper sticker interviews with folks on the street to his unique Confession Booth event inspired by his meeting with Tony the Beat Poet from Blue Like Jazz, he delves into all the hot-button issues with candor, humor, and balance. Includes exclusive interviews with Al Franken, Rick Santorum, Tony Campolo, conservative radio host Michael Reagan, USA Today columnist Tom Krattenmaker, Pastor Rick
