First And Second Timothy And Titus New Testament Commentary:

1-2 Timothy & Titus Philip H. Towner, 1994 Questions about the nature of Christian leadership and authority attitudes toward wealth and materialism proper responses to cults the role of women in the church and even the validity of the institution of marriage are not new Paul addressed these issues in personal letters to Timothy and Titus as leaders of first century congregations in Ephesus and Crete What he had to say to them is as relevant to us as today's newspaper headlines In this clear pastorally oriented commentary readers will find helpful background material on authorship date and purpose as well as an overview of theological themes in the Pastoral Epistles The introductory material is followed by passage by passage explanation of the meaning these letters had for their first century hearers in order to pave the way for understanding their significance for readers today Students pastors Bible teachers and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource **1 & 2 Timothy, Titus**

(Understanding the Bible Commentary Series) Gordon D. Fee, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series First and Second Timothy and Titus Thomas C.

Oden, 2012-09-03 Thomas Oden provides a modern commentary on the pastoral letters grounded in the classical consensual tradition of interpretation Oden uses the best and most accurate research concerning the historical literary and philological aspects of the pastoral letters He addresses tough issues the role of women in worship problems of the rich and poor the relation between servants and masters policies concerning support of elderly widows and how to handle church disruptions

First and Second Timothy, Titus, Philemon Terence J. Keegan, 2016-12-01 First and Second Timothy and Titus are designated Pastoral Letters because they deal with leadership and organizational issues of the early Christian community Probably written after the death of Paul they nevertheless express what Paul himself would have and could have written to community leaders Second Timothy gives the greatest amount of biographical material we have about Paul The Letter to Philemon a miniature but authentic Pauline jewel is a masterpiece of persuasion regarding a slave's freedom Terence J. Keegan's perceptive commentaries on these precious remnants of first century Christianity provide information and insight regarding the gradual growth of the church There are pertinent lessons here for today's shepherds and their flocks Terence J. Keegan OP serves as the executive vice president and treasurer at Providence College Providence Rhode Island *First and Second Timothy and Titus (Paideia: Commentaries on the New Testament)* Christopher R. Hutson, 2019-11-05 Drawing from many parts of the broad Christian tradition this commentary on First and Second Timothy and Titus helps readers gain a

stronger understanding of early Christian ministry in the first two centuries Paideia commentaries show how New Testament texts use ancient narrative and rhetorical strategies to form and shape the reader and provide a fresh reading of the biblical texts in light of ancient culture and modern issues Students pastors and other readers will appreciate the historical literary and theological insight offered in this commentary **First and Second Timothy and Titus** Thomas C. Oden, 2012

First and Second Timothy, Titus and Philemon Practical Christianity Foundation, 2011 Paul's letters to Timothy Titus and Philemon offer practical instructions to Christian leaders and workers Written by the apostle well schooled in debate and persuasion the inspired words of these theologically rich and practically viable epistles provide godly wisdom to churches of all ages in the administration and direction of the Lord's work by faithfully applying God's timeless truth recorded in these small yet powerful books *Abingdon New Testament Commentaries: 1 & 2 Timothy and Titus* Jouette M.

Bassler, 2011-09-01 Jouette Bassler's volume on the Pastoral Letters is a model of careful clearly written cogent interpretation She gives faithful attention to the problematic trees along the exegetical path yet without losing sight of the forest Organized by literary units but not avoiding difficult verses Bassler's commentary keeps before the reader the unfolding history of the early Christian community from which the text emerges It is unquestionably the best resource we have on the Pastoral Letters Charles B Cousar Columbia Theological Seminary Bassler's commentary has the crispness of style and no nonsense quality about it that one has come to expect from its author The underlying learning is evident throughout It results in careful critical exegesis that places the Pastorals securely in their social and historical context All relevant issues are explained and discussed Bassler is particularly good at referring the reader to other texts that illuminate her own with a broad range over Jewish Greco Roman and Christian texts She presupposes the non Pauline authorship of the Pastorals but otherwise has no special axes to grind As an introductory commentary for theological students it could not be bettered Troels Engberg Pedersen Copenhagen University Denmark **1, 2 Timothy, Titus** Thomas Lea, Hayne P.

Griffin, 1992-05-07 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **1 & 2 Timothy, Titus** Paul M. Zehr, 2010-12-20 In this twenty second volume of the Believers Church Bible Commentary series author Paul M Zehr explores Paul's instructions to Timothy and Titus in light of recent scholarship applying Christian theology and ethics to the political philosophical religious and cultural issues that early Christians faced as the church reached out in mission in Ephesus and on the island of Crete Additionally Zehr also shows how the themes in 1 sets the theological themes in their wider biblical contexts and surveys the history of the interpretation and influence of the letters particularly in the Anabaptist Mennonite tradition I warmly commend this attractive presentation which should greatly encourage and assist exposition of these fascinating letters I Howard Marshall University of Aberdeen Scotland This commentary by Paul Zehr provides helpful guidance to interpret important but difficult passages in a contemporary Anabaptist manner Zehr is alert to current ecumenical and evangelical scholarship on the pastorals to the

historical and cultural contexts reflected in these books to the difficult issues of authorship and to the energy of these letters for the well being of healthy church leadership John A Esau former Mennonite pastor and denominational administrator With careful scholarship and a Christ centered hermeneutic Paul Zehr has given to the church an insightful guide in understanding the pastoral epistles He seeks to work carefully with the cultural background of these scriptures their context in the larger Scripture and in applications to our setting He does not back away from engaging the difficult issues that have divided groups but calls us to follow Paul s example of contextualizing applications Myron S Augsburg Professor Emeritus of Eastern Mennonite University Dr Zehr s commentary brings the most accessible scholarship knowledge of the first century cultural historical settings and a keen interest in the meaning of the text for today s church into a most engaging combination for pastors and church leaders alike Their task in making the biblical text relevant in the twenty first century is greatly helped by this volume in the Believers Church Bible Commentary Series Philip H Towner Dean The Nida Institute for Biblical Scholarship American Bible Society **1 and 2 Timothy, Titus** Walter L. Liefeld, 2011-03-01 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written First and Second Timothy, Titus George T. Montague, Mary Healy, 2008-11 A Catholic commentary on the letters to Timothy and Titus that presents sound exegesis followed by a reflection on the text s pastoral theological and practical applications Commentary on the Pastoral Epistles Hezekiah Harvey, 1890 **An Historian Looks at 1 Timothy 2:11-14** J. G. Brown, 2012-02-09 In the controversy over the role of women in the church complementarians hierarchists routinely claim to be upholding the traditional position Like the little boy who declared that the emperor has no clothes J G Brown exposes the fallacies in this claim The authentic traditional interpretation of passages such as 1 Timothy 2 11 14 differs substantially from contemporary readings whether egalitarian or hierarchist Most prominent Protestant exegetes from Luther and Calvin through those in the early nineteenth century understood creation ordinances male headship female subordination as foundational to the temporal world not the church An Historian Looks at 1 Timothy 2 11 14 brings history and theology together in a fresh way with startling implications for the ongoing debate The Pastoral Epistles Robert T.
