Nine months after the spill that catapulted him to the prime ministership Scott Morrison won the 2019 election shocking politicians and political pundits and quite possibly himself Yet unlike his predecessors little was really known about the former marketing man whose hard nosed political instincts and daggy dad persona saw him become the 30th Prime Minister of Australia Voters knew what he allowed them to see a policy embrace of slogans like Stop the Boats his deft rebuttal of media enquiries his love for Jen and his two daughters that he liked to cook a curry on Saturday nights and that his faith and the Cronulla Sharks were a big part of his life But a man is more than sound bites and social media posts So who the bloody hell is Scott Morrison In this revealing biography political journalist Annika Smethurst uncovers the man behind the headlines and slogans to show us what makes Scott Morrison tick Taking us from his childhood as the son of a local policeman to a meeting that would lead to marriage to his teenage sweetheart *The Accidental PM* will tell the personal and the political There are questions about Morrison s early business career and his preselection that when answered will paint a clearer picture of the man leading our country and give greater insight into how he won the miracle election Whether Morrison s ego and temperament will see him falter in hard times or whether he will use the lessons of his life to end the revolving door of PMs to become one of Australia s best prime ministers is still to be discovered But knowing the man will allow us all to know the path he will lead us on *John L. The Top Books of the Year First Ben Wicks Treasury The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. First Ben Wicks Treasury : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. First Ben Wicks Treasury : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. First Ben Wicks Treasury : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
