First Comes Love Scott Hahn, 2002-06-11 Scott Hahn has the rare ability to explain the essential teachings of Catholicism in a totally accessible manner Rather than burdening the reader with difficult or arcane references and arguments he writes of familiar feelings and situations and allows the theology to unfold naturally In *First Comes Love* Hahn turns his attention to the search for a sense of belonging revealing the intimate connection between the families men and women create on earth and the divine family the Holy Trinity Delving into the Gospels Hahn shows that family terminology words like brother sister mother father and home dominates Jesus speech and the writings of His first followers and that these very words illuminate Christianity's central ideas As he explores the fatherhood of God the marriage of the Church to Christ and the all enveloping role of the Holy Spirit Hahn deepens readers understanding of the sacraments teaches them how to create a family life in the image of the Trinity and demonstrates the ways in which the analogy of the family applies to every aspect of Catholicism and its practices from the role of father embodied by the ancient patriarchs and contemporary parish priests to the comfort and guidance offered by the brothers and sisters who comprise the Communion of Saints to the nurturing embrace of Mary the mother of all Christians Through real life examples both humorous and compassionate and quotations drawn from the Scriptures Hahn makes it clear that no matter what sort of family readers come from no matter what sort of dysfunction they have experienced they can find a family in the Church Reaching out to newcomers and to lifelong Christians alike *First Comes Love* is an invitation to discover a true home in the divine

No Love So Sure Paul Francis Lanier, 2003-10

Four Views on Christian Spirituality Bruce A. Demarest, 2012-05-08 How do Christians cultivate a vibrant and Christ-centered spirituality that is rooted in biblical clarity? Spiritual formation, the cultivation of a relationship with God, lies at the heart of what it means to be a Christian in the body of Christ. But with the rise of diverse spiritual practices from Zen meditation to out-of-body experiences, the idea of spirituality has become watered down by postmodern culture. Christian spirituality, on the other hand, embraces devotion to the triune God, abiding in Christ, the pursuit of holiness and the cultivation of virtues. But what exactly falls within the scope of Christian spirituality? This volume of the Counterpoints series focuses on the Church's search for spiritual identity, meaning and significance as interpreted by four of the major Christian traditions: Eastern Orthodoxy represented by Bradley Nassif, Roman Catholic represented by Scott Hahn, Progressive Protestant represented by Joseph Driskill, Evangelical represented by Evan Howard. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

Suffering and the Mass: The Great Exchange: Catholic for a Reason III Jeff Cavins, 2006-03-01 Jeff Cavins gives an answer to the perennial human question: why does a good God allow suffering? Through the lens of the Mass and the suffering and sacrifice it represents, he shows how the suffering that we inherited through original sin can find meaning in the suffering of Christ. Suffering entered the world through Adam, but Christ came to give it meaning and the capacity to bear fruit. Through the greatest suffering ever endured, the Crucifixion, came the greatest gift: salvation to the world. So also through our suffering, united to His will, come much good for us and for the whole world.

A Catechism for Family Life Sarah Bartel, John S.

Grabowski, 2018-08-29 The purpose of *A Catechism for Family Life* Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life. Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture. Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life. See *Amoris Laetitia* 202. To address this need we gathered pertinent questions facing men, women and pastoral workers in marriage and family life. We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years. These include papal encyclicals, apostolic exhortations and addresses, Vatican II documents and the Catechism of the Catholic Church. Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life. While the Catholic Church has developed a rich, detailed and positive teaching on marriage, family and sexuality, many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating. Finding the relevant teaching to address specific questions is not always a simple task either. This book's main contribution is to present Church teaching relevant to marriage and family in one volume, clearly organized by topic and question.

Scripture and the Mystery of the Family of God Scott Hahn, Leon J. Suprenant, Leon

Suprenant, 1998 Imagine today's top Catholic authors, apologists and theologians. Now imagine 12 of them collaborating on a book that answers common questions about and challenges to the teachings and doctrines of the Catholic Church. Imagine no more: it's a reality. How's that for an endorsement? Catholic for a Reason, edited by Dr. Scott Hahn and Leon J. Suprenant with the foreword by Archbishop Charles J. Chaput, yes we're name dropping, will help Catholics and non-Catholics alike develop a better understanding of the Church. Each chapter goes to the heart of its topic, be it Mary, the Eucharist, Baptism or Purgatory, and in a clear, concise and insightful way presents the teachings of the Church. Those teachings are explained in the light of the relationship of God the Father to us, his creatures.
