lack his father's talent and charisma to his unlikely transformation into an iron-fisted leader Daley not only escaped the giant shadow of his father but also transformed Chicago from a gritty post industrial Midwestern capital into a beautiful sophisticated global city widely recognized as a model for innovative metropolises throughout the world But in spite of his many accomplishments Richard M Daley's record is far from flawless First Son sets the dramatic improvement of certain parts of the city against the persistent realities of crime financial stress failing public housing and dysfunctional schools And it reveals that while in many ways Daley broke with the machine politics of his father he continued to reward loyalty with favors use the resources of city government to overwhelm opponents and tolerate political corruption A nuanced portrait of a complex man First Son shows Daley to be sensitive yet tough impatient yet persistent a street smart fighter and detail driven policy expert who not only ran Chicago but was Chicago
