is attracted to Damon and pursues him Damon has fallen in love with Jessie but this forbidden love must not be and Jessie must turn down his advances His love for her is too strong and although she loves him like a brother she is not in love with him This gives Bo an opportunity to further compromise Jessie and her relationship with the Prestons Bo also has a nephew DJ Kildaine who works on the Preston Ranch at Roseland Manor He becomes an informant to him regarding the events at the ranch Although somewhat of a chauvinist at times he is basically harmless and a bit dimwitted until Bo asks him to perform the ultimate act of murder Will he do it Or will he take on the wrath of Bo Donovan The plot thickens until the final climatic decision the decision that only Jessie can make But will she be able to live with herself And will the familys love for her turn to hate In the end someone will die The true identity of Jessie will be revealed as the twins grow from babies to children on their way to young adulthood
