First Last And Always:

Republican, First, Last, and Always Suzanne Bowers, 2010-02-19 **Republican First Last and Always** A Biography of B Carroll Reece examines the political culture that created an intense fervor of anti communism in America From 1920 to 1961 B Carroll Reece served a then unprecedented thirty five years in the United States House of Representatives A close friend of Robert Taft Reece served as Chairman of the Republican National Committee from 1946 1948 and used his position as chairman to push anti communism to the forefront of the Republican Party s national agenda and to help Taft try to win the presidency His background in finance and economics led him to believe that capitalism remained America s strongest defense against communism He worked to eradicate any threat to the capitalist system from trying to block government development of the Muscle Shoals Dam projects in Alabama in the 1920s to forming a congressional committee that attacked foundations created by the Ford Rockefeller and Carnegie families in the 1950s Reece s downfall and death represented the demise of Old Guard conservatives within the Republican Party as new leaders and new issues became the center of Republican politics and his investigation contributed to the animosity towards foundations and large concentrations of wealth that continues today

Memorial Services Held in the House of Representatives and Senate of the United States, Together with Remarks Presented in Eulogy of Robert A. Everett United States. Congress, United States. 91st Congress, 1st session, 1969, 1969 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1952 **About**

the King's Choice to Build His Palace Right on Top of the Dunghill, Or, how to Conceptualize Jewishly John McGinley, 2006 ISRAEL the people the nation the religion While remaining acutely aware of the shortcomings of both Heidegger and Derrida the writer nevertheless uses insights and terminology from their discourse in the service of exposing the historical and thought trends of hegemonic proportions which have had the effect of deracinating Judaism from ISRAEL The writer makes the claim that a critical spelunkative analysis of what went into that final and anonymous redaction of the Babylonian Talmud points the way towards a retrieval of Judaism s burning living center The writer further contends that such a retrieval can have the effect of returning teshuva Judaism back to ISRAEL **American Political Thought** Morton Grodzins, 2017-07-05 This book focuses on the political thought of American statesmen These statesmen have had consistent and comprehensive views of the good of the country and their actions have been informed by those views The editors argue that political life in America has been punctuated by three great crises in its history the crisis of the Founding the crisis of the House Divided and the crisis of the Great Depression The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War Just when that gave the appearance of being resolved the world reached a new juncture a new crisis which Samuel P Huntington dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America s history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled

in the active resolution of events Their reflection of political philosophy in the full sense informed their actions Since we cannot confidently explain the future Aristotle warned us to call no man happy while he still lives Thus the book in its third edition keeps to its settled pattern of dealing with settled matters The preface to the third edition confronts the three later crises and to the extent consistent with truth attempts to relate them to the first three **Congressional Record** United States. Congress,1999 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The Peace Corps Volunteer, a Quarterly Statistical Summary Peace Corps (U.S.). Division of Volunteer Support,1967 What Tennis Pros Don'T Teach (Wtptdt) Manuel S. Cervantes,2015-11-13 What Tennis Pros Dont Teach encompasses a World of information threading Tennis and life at work It talks about the forces of Tennis under all different scenarios This book is based on the love of Tennis as the foundation to tackle philosophy mental toughness discipline strategy the meaning of momentum technique player development politics in sports etc What Tennis Pros Dont Teach also shows us how to make Tennis a special friend and use it to help forge our lives and destiny What Tennis Pros Dont Teach is somewhat anecdotal using storytelling to illustrate lessons learned on the Tennis courts There is something for everyone in this book Tennis player or not This book is easily one of the most comprehensive treatises in Tennis written to date There is more wisdom and information in this book than in any other Tennis book ever written **WILLIAM WALKER ATKINSON Ultimate Collection - 58 Books in One Volume** William Walker Atkinson,2024-01-10 The William Walker Atkinson Ultimate Collection 58 Books in One Volume is a comprehensive anthology that encapsulates the diverse and transformative contributions of one of the most enigmatic figures in the New Thought movement Atkinson s work spans a variety of genres including philosophy self help and metaphysics marked by a unique blend of clarity and engaging prose This volume examines vital topics such as personal development mental power and the workings of the mind distilled into practical insights that reflect both the optimistic spirit of the early 20th century and the emerging psychological paradigms of his time Atkinson s insightful explorations challenge readers to harness their inner potential and navigate the complexities of life with resilience and positivity William Walker Atkinson was a prolific writer attorney and business consultant who embraced and promoted the concepts of mentalism and the law of attraction during a transformative era in American thought Shrouded in mystery due to his use of multiple pseudonyms Atkinson sought to disseminate esoteric knowledge to the masses drawing from various influences such as Eastern philosophy psychology and metaphysical teachings His life experiences propelled him to develop a rich body of work that aims to empower individuals toward achieving their aspirations and understanding their place in the universe This anthology is a must read for anyone interested in self improvement spirituality and the foundations of modern psychological thought Atkinson s timeless wisdom

resonates with contemporary readers inviting them to embark on a journey of self discovery and enlightenment Whether you are a seeker of knowledge or a devotee of New Thought philosophy this ultimate collection is poised to inspire and transform your understanding of the mind and the art of living In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

Tom Slade at Black Lake Percy Keese Fitzhugh,2021-08-31 In *Tom Slade at Black Lake* by Percy Keese Fitzhugh readers are immersed in the adventurous world of Tom Slade a boy scout who finds himself tangled in a mystery at Black Lake The book showcases Fitzhugh s signature style of incorporating real life experiences and moral lessons into his stories making it both entertaining and educational Set within the backdrop of the boy scout movement in the early 20th century the novel captures the essence of American youth exploring courage and integrity The vivid descriptions and engaging narrative style make it a captivating read for both young readers and adults alike Percy Keese Fitzhugh a prolific author of children s literature drew inspiration from his own experiences as a boy scout leader to create the character of Tom Slade His dedication to promoting moral values and the spirit of adventure is evident throughout his works resonating with readers of all ages Fitzhugh s passion for instilling positive qualities in young readers through his stories shines through in *Tom Slade at Black Lake* I highly recommend *Tom Slade at Black Lake* to readers seeking a wholesome and engaging adventure story that combines elements of moral guidance and thrilling escapades Fitzhugh s timeless tale of Tom Slade s bravery and integrity is sure to inspire and entertain leaving a lasting impression on those who delve into its pages **The Picture Frame, and Other Stories** Robert Drake,2000 In this book of stories most never before published Robert Drake has written his most poignant collection thus far With the theme of the picture frame Drake has included people places and events of a most recent past Crowded in the picture are unforgettable images of memory and grace love and remorse But more than the

characters and the subjects of the story the draw of this collection is once again Drake s use of language The language is the language of the South It is the language of humanity While the stories look back they do so without regret They were great times but so is the present From the town of Woodville to St Mark s Square in Venice Drake s powerful language draws the reader not only into the book but also into the photographs

Dreiser and Veblen, Saboteurs of the Status Quo Clare Virginia Eby,1999 The works of Dreiser and Veblen make up a neglected chapter in the history of United States cultural criticism Their central subjects such as the myriad effects of consumer capitalism and the invidious status system still preoccupy cultural critics and with good reason Veblen and Dreiser also pioneered strategies for positioning themselves as confrontational intellectuals such as by attacking foundationalism and claims of epistemological certainty that continue to inform the practice of many cultural critics Thus in both subject matter and rhetorical strategy Dreiser s and Veblen s writings provide prototypes for the work that many United States scholars want to do now work which often turns to European or postmodern theory for inspiration In making this claim about the usefulness of Dreiser and Veblen for current intellectual work my argument parallels recent rehabilitations of American thinkers

Cesare Pavese and Anthony Chiuminatto Cesare Pavese,Anthony Lawrence Chiuminatto,2007-01-01 Italian poet novelist literary critic and translator Cesare Pavese 1908 1950 is generally recognized as one of the most important writers of his period Between the years 1929 and 1933 Pavese enjoyed a rich correspondence with his Italian American friend the musician and educator Antonio Chiuminatto 1904 1973 The nature of this correspondence is primarily related to Pavese s thirst to learn about American culture its latest books its most significant contemporary writers as well as its slang This volume presents an annotated edition of Pavese and Chiminatto s complete epistolary exchange Mark Pietralunga s brilliant introduction provides historical and cultural context for the letters and traces Pavese s early development as a leading Americanist and translator The volume also includes an appendix of Chiuminatto s detailed annotations and thorough explanations of colloquial American terms and slang drawn from the works of Sinclair Lewis Sherwood Anderson and William Faulkner A lively and illuminating exchange this collection ultimately corroborates critical opinion that America was the igniting spark of Pavese s literary beginnings as a writer and translator
