Council of the Gods (Rizal's El Consejo de Los Dioses) Jose Fadul, 2010-06-04 The paperback edition of J Fadul's English translation of Jose Rizal's prize winning play *El Consejo de los Dioses* The annotations and accompanying figures and pictures reveal the showy side of Rizal in his most sensuous of his early works where he brought to remembrance the gods of the Greek and Roman mythologies along with the lives and works of Homer Virgil and Cervantes Included are short but insightful multidisciplinary biographies of Cervantes and Rizal      **The Biographical Dictionary of the Society for the Diffusion of Useful Knowledge--**, 1844      The Biographical Dictionary of the Society for the Diffusion of Useful Knowledge-- Society for the Diffusion of Useful Knowledge (Great Britain), 1844      The Encyclopædia Britannica Thomas Spencer Baynes, 1891      **A First Sketch of English Literature** Henry Morley, 1912      **Literature**, 1898      *Home Magazine*, 1853      The Periodical, 1904      **Anatomy of Censorship** Harry White, 1997 Bringing together diverse disciplines such as literary and legal history

modern psychology and contemporary feminism Anatomy of Censorship sorts out the many confusing explanations and often misleading justifications for censorship to reveal the underlying conditions and motivations that lead to the suppression of various forms of communication It explains why censors are notoriously incapable of identifying what defines obscene immoral or illicit expression and how they actually profit from this failure on their part It shows how censors ultimately aim not to define expression but people how they use censorship to stigmatize classes of people as more prone to corruption and depravity and how they thereby seek to protect the authority of the few rather than as they falsely claim the morality of the many Above all it offers a timely critique of the most seductive and bogus justification for censorship that expression has the capacity to cause actual harm It shows how the law and the censor conspire to foster this unsupported fabrication in the face of overwhelming evidence that no causal link between expression and harm has ever been discovered The Home Magazine T.S.
