First World War The Essential Guide To Sources In The National Archives

George Robb

First World War The Essential Guide To Sources In The National Archives:

A Guide to British Military History Ian F. W. Beckett, 2016-06-30 What exactly is military history Forty years ago it meant battles campaigns great commanders drums and trumpets It was largely the preserve of military professionals and was used to support national history and nationalism Now though the study of war has been transformed by the war and society approach by the examination of identity memory and gender and a less Euro centric and more global perspective Generally it is recognised that war and conflict must be integrated into the wider narrative of historical development and this is why Ian Beckett's research guide is such a useful tool for anyone working in this growing field It introduces students to all the key debates issues and resources While European and global perspectives are not neglected there is an emphasis on the British experience of war since 1500 This survey of British military history will be essential reading and reference for anyone who has a professional or amateur interest in the subject and it will be a valuable introduction for newcomers to it

America and World War I David Woodward, 2013-01-11 *America and World War I* the first volume in the new Routledge Research Guides to American Military Studies series provides a concise annotated guide to the vast amount of resources available on the Great War With over 2 000 entries selected from a wide variety of publications manuscript collections databases and online resources this volume will be an invaluable research tool for students scholars and military history buffs alike The wide range of topics covered include war films and literature to civil military relations to women and war Routledge Research Guides to American Military Studies will include concise easy to use bibliographic volumes on different American military campaigns throughout history as well as tackling timely subjects such as women in the military and terrorism

British Art and the First World War, 1914-1924 James Fox, 2015-07-30 The First World War is usually believed to have had a catastrophic effect on British art killing artists and movements and creating a mood of belligerent philistinism around the nation In this book however James Fox paints a very different picture of artistic life in wartime Britain Drawing on a wide range of sources he examines the cultural activities of largely forgotten individuals and institutions as well as the press and the government in order to shed new light on art's unusual role in a nation at war He argues that the conflict's artistic consequences though initially disruptive were ultimately and enduringly productive He reveals how the war effort helped forge a much closer relationship between the British public and their art a relationship that informed the country's cultural agenda well into the 1920s

A Companion to World War I John Horne, 2012-01-30 *A Companion to the First World War* brings together an international team of distinguished historians who provide a series of original and thought provoking essays on one of the most devastating events in modern history Comprises 38 essays by leading scholars who analyze the current state of historical scholarship on the First World War Provides extensive coverage spanning the pre war period the military conflict social economic political and cultural developments and the war's legacy Offers original perspectives on themes as diverse as strategy and tactics war crimes science and technology and the arts Selected as a 2011 Outstanding

Academic Title by CHOICE **Portsmouth's World War One Heroes** James Daly,2013-11-01 Over 6 000 men from Portsmouth are believed to have been killed during the First World War the greatest loss of life that the city has ever known Not only were thousands of Portsmouth soldiers killed on the Western Front but Portsmouth based ships were sunk throughout the war causing massive loss of life Thanks to a wealth of sources available and painstaking use of database software it is possible to tell their stories in more detail than ever before James Daly builds an extremely detailed picture of Portsmouth s First World War dead down to where they were born and where they lived Not only will their powerfully poignant stories tell us about how the war was fought and won and their sacrifices but they will also provide a vividly clear picture of how Portsmouth and its people suffered during the war to end all wars **Historical Archives and the Historians' Commission to Investigate the Armenian Events of 1915** Yücel Güçlü,2015-08-07 Historical Archives and the Historians Commission to Investigate the Armenian Events of 1915 demonstrates the vital importance of Ottoman and other relevant archives in Turkey for the study of the Armenian question Historians assisted by newly discovered or recently published materials must continually reassess events of the past in order to achieve a rounder view The Armenian events of 1915 are certainly no exception This study encourages further engagement between the policy making and the scholarly communities by indicating the continued importance of past records and documents for today s pressing debates In order to give a fuller picture this survey also looks at some major relevant archival sources outside Turkey including the state of archives of the First Republic of Armenia and those of the Dashnak Party Y cel G l s inquiry sheds light on some of the British records relating to the First World War and its immediate aftermath locked at the National Archives in Kew London and he examines the special relevance of repositories in Moscow and St Petersburg in understanding the Turkish Armenian conflict G l assesses Turkey s proposal to establish an international historians commission to investigate the Armenian events of 1915 and reviews in depth the meanings and implications of the protocols of cooperation signed between Turkey and Armenia on 10 October 2009 By turning a modern eye on historical events this study gives great and necessary attention to discovering the precise chronology meaning and development of the continuing negotiations between Turkey and Armenia **British Culture and the First World War** George Robb,2017-09-16 The First World War has left its imprint on British society and the popular imagination to an extent almost unparalleled in modern history Its legacy of mass death mechanized slaughter propaganda and disillusionment swept away long standing romanticized images of warfare and continues to haunt the modern consciousness Focusing on the lives of ordinary Britons George Robb s engaging new study seeks to comprehend what it meant for an entire society to undergo the tremendous shocks and demands of total war how it attempted to make sense of the conflict explain it to others and deal with the war s legacies British Culture and the First World War examines the war s impact on ideologies of race class and gender the government s efforts to manage news and to promote patriotism the role of the arts and sciences and the commemoration of the war in the decades since Synthesizes much of the best and

most recent scholarship on the social and cultural history of the war Reclaims a great deal of neglected or forgotten popular cultural sources such as films cartoons juvenile literature and pulp fiction Compact but comprehensive this accessible and refreshing text is essential reading for anyone interested in British society and culture during the turbulent years of the First World War

The Oxford Companion to Family and Local History David Hey, 2010-02-25 The Oxford Companion to Family and Local History is the most authoritative guide available to all things associated with the family and local history of the British Isles It provides practical and contextual information for anyone enquiring into their English Irish Scottish or Welsh origins and for anyone working in genealogical research or the social history of the British Isles This fully revised and updated edition contains over 2 000 entries from adoption to World War records Recommended web links for many entries are accessed and updated via the Family and Local History companion website This edition provides guidance on how to research your family tree using the internet and details the full range of online resources available Newly structured for ease of use thematic articles are followed by the A Z dictionary and detailed appendices which include further reading New articles for this edition are A Guide for Beginners Links between British and American Families Black and Asian Family History and an extended feature on Names With handy research tips a full background to the social history of communities and individuals and an updated appendix listing all national and local record offices with their contact details this is an essential reference work for anyone wanting advice on how to approach genealogical research as well as a fascinating read for anyone interested in the past

Remembering the First World War Bart Ziino, 2014-12-05 Remembering the First World War brings together a group of international scholars to understand how and why the past quarter of a century has witnessed such an extraordinary increase in global popular and academic interest in the First World War both as an event and in the ways it is remembered The book discusses this phenomenon across three key areas The first section looks at family history genealogy and the First World War seeking to understand the power of family history in shaping and reshaping remembrance of the War at the smallest levels as well as popular media and the continuing role of the state and its agencies The second part discusses practices of remembering and the more public forms of representation and negotiation through film literature museums monuments and heritage sites focusing on agency in representing and remembering war The third section covers the return of the War and the increasing determination among individuals to acknowledge and participate in public rituals of remembrance with their own contemporary politics What for instance does it mean to wear a poppy on armistice remembrance day How do symbols like this operate today These chapters will investigate these aspects through a series of case studies Placing remembrance of the First World War in its longer historical and broader transnational context and including illustrations and an afterword by Professor David Reynolds this is the ideal book for all those interested in the history of the Great War and its aftermath

The Zimmermann Telegram Thomas Boghardt, 2012-10-15 By the winter of 1916 17 World War I had reached a deadlock While the Allies commanded greater resources and fielded more soldiers than

the Central Powers German armies had penetrated deep into Russia and France and tenaciously held on to their conquered empire Hoping to break the stalemate on the western front the exhausted Allies sought to bring the neutral United States into the conflict A golden opportunity to force American intervention seemed at hand when British naval intelligence intercepted a secret telegram detailing a German alliance offer to Mexico In it Berlin s foreign secretary Arthur Zimmermann offered his country s support to Mexico for re conquering the lost territory in Texas New Mexico and Arizona in exchange for a Mexican attack on the United States should the latter enter the war on the side of the Allies The British handed a copy of the Telegram to the American government which in turn leaked it to the press On March 1 1917 the Telegram made headline news across the United States and five weeks later America entered World War I Based on an examination of virtually all available German British and U S government records this book presents the definitive account of the Telegram and questions many traditional views on the origins cryptanalysis and impact of the German alliance scheme While the Telegram has often been described as the final step in a carefully planned German strategy to gain a foothold in the western hemisphere this book argues that the scheme was a spontaneous initiative by a minor German foreign office official which gained traction only because of a lack of supervision and coordination at the top echelon of the German government On the other hand the book argues American and British secret services had collaborated closely since 1915 to bring the United States into the war and the Telegram s interception and disclosure represented the crowning achievement of this clandestine Anglo American intelligence alliance Moreover the book explicitly challenges the widely accepted notion that the Telegram s publication in the U S press rallied Americans for war Instead it contends that the Telegram divided the public by poisoning the debate over intervention and by failing to offer peace minded Americans a convincing rationale for supporting the war The book also examines the Telegram s effect on the memory of World War I through the twentieth century and beyond

Forgotten Lunatics of the Great War Peter Barham,2007-01-01 This is a poignant sometimes ribald history of the rank and file servicemen who were psychiatric casualties of World War One The British Army 1914-1918 Andrew Rawson,2014-07-07 An indispensable guide to the British Army during the First World War covers the men who fought for Britain from the Old Contemptibles the professionals who stemmed the German advance at the beginning of the war to the Territorials the Derby Men Kitchener s New Army and the conscripts who eventually defeated the Kaiser s armies four years later Andrew Rawson examines the impressive contributions made by the Dominions and the Empire and explores aspects of doctrine training communications strategy and tactics together with divisional organisations histories and the roles of the different Arms and Services He reviews all aspects of the soldier s everyday life uniforms equipment rations trench life leave and military discipline and profiles the commanders and the legacy of the war in art as well as providing information on cemeteries and places of interest It is all here in one book Irony and the Poetry of the First World War S. Puissant,2009-03-19 How does irony affect the evaluation and perception of the First World War both then and now Irony

and the Poetry of the First World War traces one of the major features of war poetry from the author's application as a means of disguise criticism or psychological therapy to its perception and interpretation by the reader

The Platoon Joseph Johns Steward, 2011-12-13 John Joseph Steward fought in the Great War from the Battle of the Somme to the final offensives of 1918 and he was an acute unflinching observer of the conflict he took part in of life and death on the Western Front He was a writer too He recorded his experiences in accurate detail and later in life he wrote a graphic fictionalized account of his wartime career the story of his war his comrades and his platoon His narrative is published here for the first time edited annotated and with an introduction by Andrew Robertshaw and Steve Roberts Their research into Steward's story is a fascinating example of how such work can be used to give a vivid insight into the experiences of a Great War ancestor About the Editors Andrew Robertshaw is Curator Manager of The Royal Logistic Corps Museum in Deepcut Surrey For the past twelve years he has been coordinating a group conducting an archaeological dig of British trenches and other sites on the Somme He frequently appears on television as a commentator on battlefield archaeology and the soldier in history His publications include *A Soldier's Life The Somme 1st July 1916 Digging the Trenches* with David Kenyon and *Ghosts of the Somme* with Alastair Fraser and Steve Roberts Steve Roberts is a retired police officer and an ex regular soldier He has a keen interest in military history and as a result of his grandfather's service a particular passion for the Great War He specializes in researching the individuals who served during the period and has worked in this field on a number of television projects He is a founder member of the Great War archaeology group No Mans Land and also a battlefield guide regularly taking groups to France and Belgium He has previously co-authored *Ghosts on the Somme* with Alastair Fraser and Andrew Robertshaw

Easy Family History David Annal, 2013-06-30 Easy Family History takes the stress out of family history research It guides readers through the most important information sources for family historians in the UK including family documents official records archives and websites From what to expect on a birth cert to how to use newspaper archives each chapter focuses on an area of research and takes you through the basics This book focuses on UK records and archives Fully updated this new edition includes information on recently released archives such as the 1911 Census and recently digitised military records and archives that are now online This book features screenshots of useful websites and images of sample archival documents throughout Author David Annal draws on his expertise and experience as a professional family history researcher to help budding family historians to get started and keep their findings in order and in perspective

Haig's Generals Ian F. W. Beckett, Steven J. Corvi, 2007-07-19 An in depth study of Douglas Haig's army commanders on the Western Front during the First World War Assesses their careers and characters looks critically at their performance in command and examines their relationship with their subordinates and with Haig himself Chapters are devoted to Allenby Byng Birdwood Gough Horne Monro Plumer Rawlinson and Smith Dorrien Offers a fascinating insight into the mentality of these men and into their methods as they sought a solution to the problem of war on the Western Front A fascinating and original

contribution to the history of the war in the trenches Contributors include John Bourne Matthew Hughes John Lee William Philpott Simon Robbins Gary Sheffield Peter Simkins Ian F W Beckett Steven J Corvi *The Men Who Planned the War* Paul Harris,2017-05-15 During the Allied victory celebrations there were few who chose to raise a glass to the staff The high cost of casualties endured by the British army tarnished the reputation of the military planners which has yet to recover This book examines the work and development of the staff of the British army during the First World War and its critical role in the military leadership team Their effectiveness was germane to the outcome of events in the front line but not enough consideration has been paid to this level of command and control which has largely been overshadowed by the debate over generalship This has painted an incomplete picture of the command function Characterised as arrogant remote and out of touch with the realities of the front line the staff have been held responsible for the mismanagement of the war effort and profligate loss of lives in futile offensives This book takes a different view By using their letters and diaries it reveals fresh insights into their experience of the war It shows that the staff made frequent visits to the front line and were no strangers to combat or hostile fire Their work is also compared with their counterparts in the French and German armies highlighting differences in practice and approach In so doing this study throws new light upon the characteristics careers and working lives of these officers investigating the ways in which they both embraced and resisted change This offers evidence both for those who wish to exonerate the British command system on the basis of the learning process but also for those critical of its performance thus advancing understanding of British military history in the First World War *A Guide to Archives and Manuscript Collections in the History of Chemistry and Chemical Technology* Colleen Wickey,Center for History of Chemistry (U.S.),1987 A thorough inventory of research resources in American repositories the Guide lists collections in the history of chemistry and chemical engineering the chemical and pharmaceutical industries and a number of related chemical process industries and businesses from personal and professional papers of chemical scientists and engineers to business records of the chemical process industries *Maritime Information: a guide to libraries and sources of information in the United Kingdom, 2004 Fourth Edition* Mike Macdonald,Roy Fenton,Nuala Briody,Maritime Information Association (MIA),2004-01-01 The Maritime Information Guide provides a list of UK libraries record offices archives museums institutions associations and other bodies that have or can make available information on maritime matters Titles are listed in alphabetical order by the name by which users are most likely to look up This is the fourth volume produced in 2004 following the previous editions in 1973 1983 and 1993 **A Weary Road** Mark Osborne Humphries,2018-01-01 More than 16 000 Canadian soldiers suffered from shell shock during the Great War of 1914 to 1918 Despite significant interest from historians we still know relatively little about how it was experienced diagnosed treated and managed in the frontline trenches in the Canadian and British forces How did soldiers relate to suffering comrades Did large numbers of shell shock cases affect the outcome of important battles Was frontline psychiatric treatment as effective as many experts claimed after

the war Were Canadians treated any differently than other Commonwealth soldiers A Weary Road is the first comprehensive study to address these important questions Author Mark Osborne Humphries uses research from Canadian British and Australian archives including hundreds of newly available hospital records and patient medical files to provide a history of war trauma as it was experienced treated and managed by ordinary soldiers

First World War The Ebential Guide To Sources In The National Archives Introduction

In today's digital age, the availability of First World War The Ebential Guide To Sources In The National Archives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of First World War The Ebential Guide To Sources In The National Archives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of First World War The Ebential Guide To Sources In The National Archives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing First World War The Ebential Guide To Sources In The National Archives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, First World War The Ebential Guide To Sources In The National Archives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing First World War The Ebential Guide To Sources In The National Archives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for First World War The Ebential Guide To Sources In The National Archives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, First World War The Ebential Guide To Sources In The National Archives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of First World War The Ebential Guide To Sources In The National Archives books and manuals for download and embark on your journey of knowledge?

FAQs About First World War The Ebential Guide To Sources In The National Archives Books

1. Where can I buy First World War The Ebential Guide To Sources In The National Archives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
