THE FIRST AND SECOND LETTERS TO TIMOTHY

A NEW TRANSLATION
WITH
INTRODUCTION AND COMMENTARY BY
LUKE TIMOTHY JOHNSON

First And Second Letters To Timothy

Ashley M. Wilcox

First And Second Letters To Timothy:

The First and Second Letters to Timothy Luke Timothy Johnson, 2001 They contain much that make modern readers uncomfortable and much that is controversial including pronouncements on the place of women in the Church and on homosexuality as well as polemics against the so called false teachers They have also been a source of questions within the scholarly community where the prevailing opinion since the nineteenth century is that someone else wrote the letters and signed Paul s name in order to give them greater authority *The First and Second Letters to Timothy* Jerome D. Quinn, William C. Wacker, 2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul s letters to Timothy but also demonstrates the high standard of excellence marking the ECC series The First and Second Letters to Timothy , 2021 The letters of Paul to Timothy one of his favorite delegates often make for difficult reading in today s world They contain much that make modern readers uncomfortable and much that is controversial including pronouncements on the place of women in the Church and on homosexuality as well as polemics against the so called false teachers They have also been of a source of questions within the scholarly community where the prevailing opinion since the nineteenth century is that someone else wrote the letters and signed Paul s name in order to give them greater authority Using the best of modern and ancient scholarship Luke Timothy Johnson provides clear accessible commentary that will help lay readers navigate the letters and better understand their place within the context Paul s teachings Johnson s conclusion that they were indeed written by Paul himself ensures that this volume like the other Anchor Bible Commentaries will attract the attention of theologians and other scholars *The First and Second Letters to the Thessalonians* Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text for today Among other things Fee explores the occasion for Paul s writing of each epistle restoring 2 Thessalonians to its rightful place as a full companion to the first letter not merely a tagalong to 1 Thessalonians A labor of love on Fee s part this commentary will serve to help rescue 1 and 2 Thessalonians from their Cinderella status among Paul s letters Fee s primary target is the proverbial busy

pastor who wants help in understanding the biblical text as he or she prepares to preach or teach However as with all his commentaries he also provides solid exposition for students in the process of learning how to preach or teach and enough technical material mostly in the footnotes so that even the scholar can benefit

Commentary on the First and Second Letters to Timothy and the Letter to Titus Anthony Tyrrell Hanson, 1966 *The Pastoral Letters* Anthony Tyrrell Hanson, 1966 *The Pastoral Letters* Bible. N. T. Pastoral Letters. English. New English. 1966, 1966 *The First & Second Letters of Paul to Timothy* Sunil M. Caleb, 2008

The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

The Women's Lectionary Ashley M. Wilcox, 2021-08-31 Focusing on passages about women in the Bible and feminine imagery of God The Women s Lectionary reimagines the liturgical calendar of preaching for one year These women are daughters wives and mothers They are also strong leaders evil queens and wicked stepmothers They are disciples troublemakers and prophetesses Ashley Wilcox explores how the feminine descriptions of God in the Bible are similarly varied how does it change our understanding if God is feminine wisdom has wings or is an angry mother bear Discover this must have lectionary perfect for every female clergyperson or anyone seeking to incorporate more insights from a female perspective into their preaching From well known figures like Miriam and Mary to lesser known women like Huldah and Sapphira to feminine metaphors this comprehensive resource features more than one hundred commentary essays with an Old Testament and New Testament passage for each Sunday of the year and special holy days in the calendar

An Introduction to the New Testament DAVID A DESILVA, 2020-05-21 Professor deSilva s outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes

The First and Second Letters of Paul to the Thessalonians, the First and Second Letters of Paul to Timothy, the Letter of Paul to Titus,

the Letter of Paul to Philemon Holmes Rolston,1976 A New Literal Translation from the Original Greek, of All the Apostolical Epistles James Macknight,1835 **A New Literal Translation from the Original Greek, of All the Apostolical Epistles. With a Commentary, and Notes ... To which is Added, a History of the Life of the Apostle Paul ... By James Macknight ... The Fourth Edition. To which is Prefixed, an Account of the Life of the Author** ,1809 **Linguistic Analysis of the Greek New Testament** Stanley E. Porter,2015-03-17 In this volume a leading expert brings readers up to date on the latest advances in New Testament Greek linguistics Stanley Porter brings together a number of different studies of the Greek of the New Testament under three headings texts and tools for analysis approaching analysis and doing analysis He deals with a variety of New Testament texts including the Synoptic Gospels John and Paul This volume distills a senior scholar s expansive writings on various subjects making it an essential book for scholars of New Testament Greek and a valuable supplemental textbook for New Testament Greek exegesis courses My First Introduction to the New Testament Sharon R. Chace,2010-11-15 My First Introduction to the New Testament is for young readers of middle school age who may cherish the presentation Bibles given to them when they were younger but wonder just how to engage with biblical literature Church school teachers may want to use it for a yearlong class because most chapters can be covered in one session College students and even graduate students will find this book an easy way to refresh and review **From Pentecost to Patmos, 2nd Edition** Craig L. Blomberg,Darlene M. Seal,2021-07-01 Pairing depth of scholarship with contemporary application the authors of From Pentecost to Patmos have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly *The Holy Bible, Containing the Authorized Edition of the New Testament, A.D. 1611 and the Revised Edition of A.D. 1881, Arranged in Parallel Columns; with Complete Concordance* ,1887 **The Holy Bible ... With a Commentary and Critical Notes ... by Adam Clarke. A New Edition, with the Author's Final Corrections** ,1836 **An Introduction to the Critical Study and Knowledge of the Holy Scriptures** Thomas Hartwell Horne,1836
