The First English Actresses Henry Wysham Lanier,1930      *The First English Actresses, from the Initial Appearance of Women on the Stage, in 1660 Till 1700, by Henry Whysham Lanier...* Henry Wysham Lanier,1930      *Early Shakespearean Actresses* John W. Crawford,1984 One of the innovations of the Restoration in England was to introduce publicly the female actor on stage with the reopening of the theatres Charles II not only created two companies with his return to England but promoted the concept of females as actors It took courage for the first ones to enter this questionable vocation considering the history the stage had achieved in Elizabethan and Stuart times a history that demonstrated much criticism about the morality of dramatists and actors Restoration actresses like George Anne Bellamy and Dora Jordan as well as early eighteenth century actresses like Catherine Clive and Peg Woffington proved that much individuality did indeed exist among the first and even though the theatre had gained a much better reputation by the early nine teenth century still actresses like Ellen Terry and Julia Marlowe were often the talk of the town because of their personal lives Yet these women proved that there is a place for the actress in modern drama      *Theatre Arts Monthly* ,1927      Theatre and Celebrity in Britain 1660-2000 Mary Luckhurst,Jane Moody,2005-10-18 Theatre has always been a site for selling outrage and sensation a place where public reputations are made and destroyed in spectacular ways This is the first book to investigate the construction and production of celebrity in the British theatre These exciting essays explore aspects of fame notoriety and transgression in a wide range of performers and playwrights including David Garrick Oscar Wilde Ellen Terry Laurence Olivier and Sarah Kane This pioneering volume examines the ingenious ways in which these stars have negotiated their own fame The essays also analyze the complex relationships between discourses of celebrity and questions of gender spectatorship and the operation of cultural markets      **The First English Actresses** Henry Wysham Lanier,1930      **Focus On: 100 Most Popular 21st-century English Actresses** Wikipedia contributors,      **Theatre Arts Magazine** Sheldon Cheney,Edith Juliet Rich Isaacs,1927      **The Changing Room** Laurence Senelick,2002-09-11 The answers to these questions and much much more are to be found in *The Changing Room* which traces the origins and variations of theatrical cross dressing through the ages and across cultures It examines tribal rituals and shamanic practices in the Balkans and Chinese Tibet the gender bending elements of Greek and early Christian religion the homosexual appeal of the boy actor on the traditional stage of China Japan and England the origins of the dame comedian the principal boy the glamour drag artiste and the male impersonator artists such as David Bowie Boy George Charles Ludlam Dame Edna Everage Lily Savage Candy Darling Julian Clary and the New York Dolls Lavishly illustrated with unusual and rare pictures this is the first ever cross cultural study of theatrical transvestism It is a must for anyone interested in cross dressing theatre and gender      **Theatre Arts Magazine** ,1927      **The Encyclopedia of British Literature, 3 Volume Set** Gary Day,Jack Lynch,2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the

**A Descriptive and Bibliographic Catalog of the Circus & Related Arts Collection at Illinois State University, Normal, Illinois** Milner Library,1976      **Performing Race and Torture on the Early Modern Stage** Ayanna Thompson,2013-09-13 Performing Race and Torture on the Early Modern Stage provides the first sustained reading of Restoration plays through a performance theory lens This approach shows that an analysis of the conjoined performances of torture and race not only reveals the early modern interest in the nature of racial identity but also how race was initially coded in a paradoxical fashion as both essentially fixed and socially constructed An examination of scenes of torture provides the most effective way to unearth these seemingly contradictory representations of race because depictions of torture often interrogate the incongruous desire to substitute the visible and manipulable materiality of the body for the more illusive performative nature of identity In turn Performing Race and Torture on the Early Modern Stage challenges the long standing assumption that early modern conceptions of race were radically different in their fluidity from post Enlightenment ones by demonstrating how many of the debates we continue to have about the nature of racial identity were engendered by these seventeenth century performances      **The Drama, Theatre and Performance Companion** Michael Mangan,2013-05-14 This complete companion to the study of drama theatre and performance studies is an essential reference point for students undertaking or preparing to undertake a course either at university or at drama school Designed as a single reference resource it introduces the main components of the subject the key theories and thinkers as well as vital study skills Written by a highly regarded academic and practitioner with a wealth of expertise and experience in teaching Mangan takes students from studio to stage from lecture theatre to workshop covering practice as well as theory and history Reliable and comprehensive this guide is invaluable throughout a degree or course at various levels It is essential reading for undergraduate students of Drama Theatre and Performance Studies at universities drama schools and conservatoires as well as AS and A Level students studying Drama and Theatre who are considering studying the subject at degree level
