Dept. of Public Instruction,1915 *The Wood Duck and the Mandarin* Lawton L. Shurtleff,Christopher Savage,1996-11-11

This is a story of conservation told through the natural histories of two of the world's most fascinating birds the Wood Duck of North America and the Mandarin of Asia The only two species in their genus Aix these Northern Wood Ducks are native to different continents but have long been kept together in captivity Now for the first time in history they are also flying side by side in the wild in a small area of northern California This rare circumstance has given Lawton L Shurtleff and Christopher Savage the opportunity to observe the Northern Wood Ducks close relationship and is the starting point of this informative and beautifully rendered book The opening chapters tell how the Wood Duck and the Mandarin came to inhabit the Pacific Flyway and explain their extraordinary similarities Subsequent chapters discuss the distinctive histories of the two species and describe the birds throughout the seasons in their native flyways The Mandarins place in Asian art and literature is the subject of Chapter Five The final chapter illuminates the successful work done to protect the North American Wood Duck which has made a remarkable recovery from near extinction and the beginning efforts to protect the Mandarin whose existence in East Asia is seriously threatened Stunning full color photographs by renowned wildlife photographers along with photographs by the authors capture the exquisite beauty of these much revered birds Detailed maps show the Wood Ducks territory in North America and the Mandarins territory in East Asia and Great Britain Three appendices plans for building nestboxes instructions for banding birds and lists of books and conservation organizations and a thorough index are valuable resources in a book that will delight bird lovers and general readers alike The Bird Almanac David Michael Bird,2004

Observing birds often raises many intriguing questions Such as what is the incubation time for those robin eggs sitting in the nest above the porch light What kinds of flowers attract humming birds What are the migratory distances of various species What are the major causes of bird deaths The Bird Almanac is an invaluable resource impressive in scope and depth and complemented with tables and illustrations This Second Edition has been reformatted for easier use and now features quick find tabs and an index The first section of the book comprehensively covers the history biology and behavior of birds Bird physiology biological systems and anatomy are explained in easy to understand terms and annotated illustrations Other topics include Fossil history of birds Reproduction and mortality Threatened and endangered species Major birding festivals and competitions How to attract specific species to the backyard Extensive resources for bird lovers including the top birding locations in America Birding code of ethics The second section consists of an authoritative world checklist of bird species The birds are organized by taxonomic order and listed by common and Latin name The valuable information in The Bird Almanac fills in the gaps in knowledge of even the most seasoned birder Library Journal Melvil Dewey,Karl Brown,Bertine Emma Weston,Helen E.
