## **First Theologians A Study In Early Christian Prophecy:**

**The First Theologians** Thomas Gillespie,1994 This title focuses purely on company accounts rather than dealing with areas such as group accounts sole traders and partnerships Many accounting reference works are aimed at larger businesses and take into account the additional requirements imposed by the Financial Services Authority for listed companies or international financial reporting standards It is aimed at accountants in small to medium sized companies as it will focus on the UK accounting requirements as they affect private companies and will pay particular attention to the exemptions available to companies that qualify as small under the Companies Act 1985     The First Urban Churches 5 James R. Harrison,L. L. Welborn,2019-11-23 A fresh examination of early Christianity by an international team of New Testament and classical scholars Volume 5 of The First Urban Churches investigates the urban context of Christian churches in first century Roman Colossae Hierapolis and Laodicea Building on the methodologies introduced in the first volume and supplementing the in depth studies of Corinth Ephesus and Philippi vols 2 4 essays in this volume challenge readers to reexamine preconceived understandings of the early church and to grapple with the meaning and context of Christianity in its first century Roman colonial context Features Analysis of urban evidence found in inscriptions papyri archaeological remains coins and iconography Proposed reconstructions of the past and its social religious and political significance A nuanced informed portrait of ancient urban life in the cities of the Lycus Valley     Revelation, Literature, and Community in Late Antiquity Philippa Townsend,Moulie Vidas,2011 Papers from a conference held 2007 Princeton University     Making See C. M. A. van Ekris,2018-06-20 What is theologically and homiletically happening in prophetic sermons This empirical theological study offers an analysis of the prophetic dimension in contemporary practices of preaching including sermons from Bonhoeffer King and Tutu and from Dutch local contexts After a phenomenological opening five theological concepts are extracted from the studied sermons exposing destructiva interrupting dominant discourses recognising the Word overcoming destructiva and edifying the congregation In this study prophetic speech is reconstructed as an illuminative interplay between epiphanic and inductive aspects     **Marginalized Voices** Timothy B. Cremeens,2018-06-28 The Orthodox Church has been characterized by some as the best kept secret in North America Making use of personal interviews and correspondence magazine and news articles and other publications Timothy Cremeens weaves the story of a spiritual renewal movement that began in the United States in the early 1960s and rapidly spread around the globe touching millions of Roman Catholics and Protestants what is today called the Charismatic Renewal Movement In 2017 this Movement celebrated its 50th Jubilee anniversary in the Roman Catholic Church However Cremeens presents here the never before heard story of that Movement among the Orthodox Churches in North America He recounts the history of this spiritual renewal movement through the first hand accounts and eyewitnesses of Orthodox clergy and laity who testify to their life changing encounters with the Holy Spirit     1 Corinthians Anthony C. Thiselton,2011-05-03 Anthony Thiselton s lengthy

New International Greek Testament Commentary volume The First Epistle to the Corinthians 2000 has become a standard work on 1 Corinthians In this shorter commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels Thiselton delves deeply into the context and text of Paul's first Corinthian letter as he suggests section by section how the book applies to pastoral and practical issues He draws vivid parallels between the growing church in Corinth and the twenty first century church demonstrating that today's church also faces a seductive culture of competition and consumerism The church in Corinth preferred its self centered theology to the Christ centered gospel of the wider apostolic church Paul's response in 1 Corinthians amplified by Thiselton's commentary becomes a living practical transforming word from God for Christians today *Perpetua's Passion* Joyce E. Salisbury, 2013-06-17 Perpetua's Passion studies the third century martyrdom of a young woman and places it in the intellectual and social context of her age Conflicting ideas of religion family and gender are explored as Salisbury follows Perpetua from her youth in a wealthy Roman household to her imprisonment and death in the arena

*Is Paul also among the Prophets?* Jeffrey W. Aernie, 2012-05-03 Aernie examines the prophetic material in the Old Testament and its relationship with the prophetic material in Second Temple Judaism Hellenism and the early Christian movement The subsequent analysis of 1 Corinthians constitutes an investigation of the effect of the Old Testament prophetic tradition on Paul s self presentation in 1 Cor 9 15 18 and rhetorical framework in 1 Cor 14 20 25 as a methodological foundation for the exegetical analysis of 2 Corinthians Aernie explores the influence of the Old Testament prophetic tradition on Paul s apostolic self presentation and rhetoric in 2 Corinthians The analysis of Paul s self presentation examines the apostle s relationship with Moses the Isaianic servant and Jeremiah in order to define Paul s position with regard to the preceding prophetic tradition Aernie analyses Paul s argument in 2 Cor 2 14 16 4 1 6 6 14 7 1 12 1 10 then seeks to examine the influence of the Old Testament prophetic tradition on the formation of Paul s rhetorical framework Aernie s intention is to provide support for the notion that the particularly prophetic nature of Paul s apostolic persona affects both his self presentation and rhetorical agenda in 2 Corinthians     **Are Miraculous Gifts for Today?** Zondervan, 2011-10-11 Are Miraculous Gifts for Today takes you to the heart of one of the most dividing questions in the Church today how are the Holy Spirit s miracles at work among God s people now Is he still actively giving the gifts of tongues prophecy and healing that fill the book of Acts Is he driving out demons when Christians command them to flee Or are these events confined to the time of

the early church and the apostles This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present day miracles including the history and distinctions between the three positions that affirm miraculous gifts with voice also given to a large sector of open but cautious evangelicals Cessationist there are no miraculous gifts of the Holy Spirit today Pentecostal gifts are intended for today with certain nuances focused on baptism and speaking in tongues Charismatic gifts are intended for today and should be actively practiced Third Wave gifts are intended for today with greater emphasis on baptism and less on tongues This thought provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Spirit Baptism Harold D. Hunter, 2009-03-01 During the 1970s Pentecostal seminarians who were fed a steady diet of the monographs by James D G Dunn and F Dale Bruner were often co opted by magisterial traditions It was time for a new generation of Pentecostal scholars where Pentecostals could themselves address issues brought to the forefront of their movement This volume became one of the first books of its kind to crest the new wave of an emerging Pentecostal scholarship Contemporary Pentecostal pneumatology was often regarded as a historically contributed and artificial novelty from the modern period and scores of Pentecostals were persuaded to forsake their heritage Spirit Baptism A Pentecostal Alternative sought to ask the question if there was canonical evidence for a Charismatic dimension in the Christian pilgrimage An answer in the affirmative inspired a scan of Christian figures through the centuries who have embraced this

theological reality The book ends with a theological synthesis that suggests an openness to various ways the Charismatic Spirit becomes a manifest reality in the lives of believers Since the release of *Spirit Baptism A Pentecostal Alternative* in 1983 much significant work has been accomplished in this field by Pentecostal and non Pentecostal scholars alike Yet this original groundbreaking work remains relevant as researchers around the world face for the first time theological issues that go to the heart of Pentecostal identity

*Discerning the Spirits* André Munzinger, 2007-08-02 How did Paul determine ethical and theological truth Were all believers expected to be able to discern the spirits 1 Corinthians 12 10 This 2007 study shows that discernment must be understood against the backdrop of an extensive hermeneutic by which Paul inherently relates ethical and theological knowledge Understanding the will of God requires noetic and existential transformation in short the renewal of the mind Romans 12 2 Munzinger argues that Paul implies a process of inspiration in which the Spirit sharpens the discerning functions of the mind because the believer is liberated from a value system dominated by status and performance The love of God enables all believers to learn to interpret reality in a transformed manner and to develop creative solutions to questions facing their communities For Paul authentic discernment is linked to a comprehensive sense of meaning
