Myths and Mysteries of Michigan Sally Barber, 2011-10-18 This selection of 12 stories from Michigan's past explores some of the Great Lakes State's most compelling mysteries and debunks some of its most famous myths **Michigan**

Myths and Legends Sally Barber, 2020-12-01 From tales of pirate treasure to Jimmy Hoffa's mysterious disappearance

Michigan Myths and Legends makes history fun and pulls back the curtain on some of the state's most fascinating and compelling stories. Most people have heard about the Bermuda Triangle where ships and people disappear without a trace, but few have heard about the equally deadly Great Lakes Triangle where one third of all unsolved sea and air disasters in America take place. Night after night, curious onlookers congregate on a remote hill near the Michigan-Wisconsin border to watch for mysterious lights that rise out of the ground, hover, and then disappear. Are the orbs merely optical phenomena created by headlights of passing cars? Or are they spirits returning to haunt where their earthly bodies met their demise? In the mid 1960s, the number of reports to the US Air Force of UFO sightings spiked across the country. Were people seeing unfamiliar technological innovations in aircraft? Had the rising popularity of the new-fangled television's sci-fi programs sparked Americans' imaginations? Or were extraterrestrial beings actually responding to signals from newly constructed deep space radio transmitters?

Gateway to Oblivion Hugh F. Cochrane, 1980 Folklore of Lake Erie Judith S.

Neulander, 2024-05-07 Welcome to a very different Lake Erie where ghost ships sail silently, a Black Dog brings doom to sailors who see it, and sea monsters swirl in the murky depths above a UFO base. In *Folklore of Lake Erie*, Judith S. Neulander presents these captivating tales and many more from the smallest yet arguably the most peculiar of the Great Lakes in North America. Whether you are embarking on a discovery of the vampire crypt that lurks in the shadows while Lincoln's ghost train speeds past on its eternal journey, or reminiscing about the tall tales your grandfather used to share, this delightful treasure trove of folklore and local traditions from the Lake Erie region contains legends and stories that are both astonishing and entertaining. Endlessly captivating and easily accessible, *Folklore of Lake Erie* is a distinctive compilation of eerie and enchanting narratives from across the years that will surprise and delight readers. Just be sure to keep an eye out for any peculiar Black Dogs that may cross your path along the way.

Ghosts and Legends of Lake Erie's North Coast Victoria King Heinsen, 2010-08-20 Call it Lake Eerie according to this book, filled with ghostly encounters of the friendly kind with a bit of local history mixed in. *Toledo Blade*: The residents of Lake Erie's North coast have trouble leaving even after they die. The area is flooded with the spirits of locals, some friendly, some not. See the sorrowful eyes of the Hauntingly Beautiful High School Student who floats the corridors looking for her lost boyfriend, and head to an old Port Clinton hotel to watch the ghost of a maintenance man wander haphazardly through the inn making routine repairs. Read about the figure that lurks in the clock of the Port Clinton Courthouse every night, never moving simply watching until disappearing with the sun. Local ghost tour guide Victoria King Heinsen has a personal connection with every story, and her firsthand accounts will turn every paranormal skeptic into a believer. Includes photos.
