Practical Marketing for the Academic Library Stephanie Espinoza Villamor, Kimberly Shotick, 2022-05-24 This down to earth book offers practical marketing solutions for reaching students faculty and administration in community college and university libraries based on real world examples of team based communication and practice In an age in which federal funding for libraries is being cut libraries of every size and type must prove their value Practical Marketing for the Academic Library offers academic librarians approachable methods for marketing to students faculty and administration and it also inspires them to attempt new structures for marketing initiatives including encouraging existing staff to form teams with

wide ranges of skills Librarians from all academic libraries including at community colleges can incorporate these ideas even when budgets are tight and staff is limited While there are many books on library marketing few specifically cover the diversity within academic institutions and the student body as well as how to target marketing to faculty and administrations Villamor and Shotick approach library marketing from diverse perspectives and teach readers how to increase student engagement assess library programs and connect library marketing to the goals of the overall institution *Readers' Advisory Service in the Public Library* Joyce G. Saricks, 2005-04-11 In public libraries reference librarians are often called on to make recommendations to readers sometimes in genres that they don't personally read Learning how to frame a discussion and articulate the appeal of a book author or genre marks the essence of a successful readers advisor
