Great Detectives Seven Original Investigations:

The Great Detectives Julian Symons, 1981-01-01 **Great Detectives** Julian Symons, 1981 This volume contains fictional biographies of seven fictional detectives Sherlock Holmes Miss Marple Nero Wolfe Ellery Queen Philip Marlowe Hercule Poirot and Maigret **Icons of Mystery and Crime Detection** Mitzi M. Brunsdale, 2010-07-26 This book provides an introduction to 24 iconic figures real and fictional that have shaped the detective mystery genre of popular literature *Icons of Mystery and Crime Detection From Sleuths to Superheroes* is an insightful look at one of our most popular and diverse fictional genres providing a guided tour of mystery and crime writing by focusing on two dozen of the field's most enduring creations and creators *Icons of Mystery and Crime Detection* spans the history of the detective story with series of critical entries on the field's most evocative names from the originator of the form Edgar Allan Poe to its first popular running character Sherlock Holmes from the Golden Age of Sam Spade Philip Marlowe and Charlie Chan in fiction and films to small screen heroes such as Columbo and Jessica Fletcher Also included are other accomplished practitioners of the craft of mystery crime storytelling including Agatha Christie Tony Hillerman and Alfred Hitchcock **Quiz on Fictional Characters**, **Agatha Christie** Gillian Gill, 2016-12-08 In this sensitive and revealing biography of Agatha Christie Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy The break up of Agatha's first marriage to Archibald Christie and her subsequent ten day disappearance had made headline news Feeling hunted and wounded by the press Christie determined never again to let them into her private life Instead she developed a public persona seemingly tongue tied and dull which ensured the journalists and the public would let her be This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity Skillfully weaving the details of Christie's life with the plots and characters of her mystery novels Gillian Gill uncovers the flesh and blood woman behind the popular and celebrated Marple like image and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world **The Detective's Companion in Crime Fiction** Lucy Andrew, Samuel Saunders, 2021-07-24 This book aims to establish the position of the sidekick character in the crime and detective fiction literary genres It re-evaluates the traditional view that the sidekick character in these genres is often overlooked as having a small generic or singular role either to act as the foil to the detective in order to accentuate their own abilities at solving crimes or else to simply tell the story to the reader Instead essays in the collection explore the representations and functions of the detective's sidekick across a range of forms and subgenres of crime fiction By incorporating forms such as children's detective fiction comics and graphic novels and film and television alongside the more traditional fare of novels and short stories this book aims to break down the boundaries that sometimes exist between these forms using the sidekick as a defining thread to link them together into a wider conceptual

argument that covers a broad range of crime narratives *Secrets from the Agatha Christie Archives* Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries Dame Agatha Christie reigns supreme as the Queen of Crime Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft But until now no one has carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie s work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography *Agatha Christie and the Eleven Missing Days* has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time *Literary Afterlife* Bernard A.
