## Great Events Great Debates:

**American Progree: or the Great Events of the Greatest Century** Hon R. M. Devens, 2025-07-23 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**Great Debates in American History: Economic and social questions, part 2** Marion Mills Miller, 1913 The Great Debate Yuval Levin, 2013-12-03 An acclaimed portrait of Edmund Burke Thomas Paine and the origins of modern conservatism and liberalism In The Great Debate Yuval Levin explores the roots of the left right political divide in America by examining the views of the men who best represented each side at its origin Edmund Burke and Thomas Paine Striving to forge a new political path in the tumultuous age of the American and French revolutions these two ideological titans sparred over moral and philosophical questions about the nature of political life and the best approach to social change radical and swift or gradual and incremental The division they articulated continues to shape our political life today Essential reading for anyone seeking to understand the basis of our political order and Washington s acrimonious rifts today The Great Debate offers a profound examination of what conservatism progressivism and the debate between them truly amount to **Great Debates in Tort Law** Jonathan Morgan, 2022-11-17 Exploring the key discussions and arguments in tort law this book enables students to get a deeper and more rounded understanding of the subject Part of the Great Debates series it is an engaging introduction to the more advanced legal concepts such as negligent breach of duty and vicarious liability Each chapter is structured around questions and debates that provoke deeper thought It features summaries of the views of notable experts on key topics and each chapter ends with a list of further reading This book is ideal for use by ambitious students alongside a main course textbook encouraging them to think critically analyse the topic and gain new insights The development of these skills and the discursive nature of the series with an emphasis on contentious topics means the book is also useful for students when preparing their dissertations Suitable for use on courses at all levels this book helps students to excel in coursework and exams **Great Debates in Criminal Law** Jonathan Herring, 2020-06-01 This textbook is an introduction to more advanced writings on criminal law primarily designed to allow students to think critically and analyse specific topics Each chapter is structured around key questions and debates that provoke deeper thought It asks questions such as Why do we have the laws that we have Could the criminal law look differently How should the law be applied to novel situations Does the law in fact reflect prejudices The aim of the book is not to present a complete overview of theoretical issues in criminal law but rather to illustrate the current debates among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading New to this Edition A new debate on the law on body modification Fresh discussion of the law on dishonesty Important new case law on causation Detailed discussion of developments on the law on accessory Significant developments on the law on sexual

offences      **Shapers of the Great Debate at the Constitutional Convention of 1787** Joseph Morton, 2005-12-30 As the oldest still operational written constitution in the world the U S Constitution and the concepts it proclaims have been under almost constant attack since its inception At a convention in 1787 fifty five delegates assembled in Philadelphia to revise and amend the Articles of Confederation only to emerge sixteen weeks later with a new document the U S Constitution The convention was filled with constant debate over how much power should be given to government and how should this power be allocated state rights v nationalists small states v large states political conservatives v political liberals and slave owners v non slave owners Fifty five biographies one for each delegate are presented Biographies include such notable individuals as Benjamin Franklin Alexander Hamilton George Washington Luther Martin and James Madison An introductory essay appendices including the Articles of Confederation and the United States Constitution and an annotated bibliography are also included The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individual s involved in a particular debate through major and minor biographies      Great Debates in Equity and Trusts Alastair Hudson, 2014-08-26 This textbook is an ambitious and engaging introduction to the more advanced writings on equity and trusts primarily designed to allow students to get under the skin of the topic and begin to build their critical thinking and analysis skills Each chapter is structured around key questions and debates that provoke deeper thought and ultimately a clearer understanding The aim of the book is therefore not to present a complete overview of theoretical issues in equity and trusts but rather to illustrate the current debates which are currently going on among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading      *Radio and the Great Debate over U.S. Involvement in World War II* Mark S. Byrnes, 2022-12-13 The debate over US involvement in World War II was a turning point in the history of both US foreign policy and radio In this book the author argues that the debate s historical significance cannot be fully appreciated unless these stories are understood in relation rather than in isolation All the participants in the Great Debate took for granted the importance of radio and made it central to their efforts While they generally worked within radio s rules they also tried to work around or even break those rules setting the stage for changes that ultimately altered the way media managed American political discourse This study breaks with traditional accounts that see radio as an industry biased in favor of interventionism Rather radio fully aired the opposing positions in the debate It nonetheless failed to resolve fully their differences Despite the initial enthusiasm for radio s educational potential participants on both sides came to doubt their conviction that radio could change minds Radio increasingly became a tool to rally existing supporters more than to recruit new ones Only events ended the debate over US involvement in World War II The larger question of what role the US should play in world affairs remained      **Great Debates in Land Law** David Cowan, Lorna Fox O'Mahony, Neil Cobb, 2016-05-02 This textbook is an

ambitious and engaging introduction to the more advanced writings on land law primarily designed to allow students to get under the skin of the topic and begin to build their critical thinking and analysis skills Each chapter is structured around key questions and debates that provoke deeper thought and ultimately a clearer understanding The aim of the book is therefore not to present a complete overview of theoretical issues in land law but rather to illustrate the current debates which are currently going on among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading

### **Great Debates in Criminology** Chad

Posick, Michael Rocque, 2018-07-11 This book explores the role of theory and research in criminology Adopting a unique and refreshing approach to criminological theory it focuses on the great debates in criminology from its inception as a field to the present day It explores the debates that have motivated criminological thought that have represented turning points in theoretical and empirical trajectories that have offered mini paradigm shifts and that have moved the field forward Coverage includes Classical debates including the work of Lombroso Durkheim and Sutherland Sociological vs psychological debates in criminology Control theory and cultural deviance theory Criminal career and trait based theory Theory testing in criminology Critical theories in criminology Debates on the state of criminology and criminal justice Policy issues in criminology Each chapter explores several key debates summarizes key points and offers a discussion of the current empirical status This book is novel in emphasising the role of debate in criminology and offering an enlightening synthesis of theorists and their perspectives It is essential reading for students taking courses on criminological theory and teachers of those theories

### **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright

Office, 1968 *50 Big Debates in Reproductive Medicine* Roy Homburg, Adam H. Balen, Robert F. Casper, 2021-12-16 One of modern healthcare's most controversial areas reproductive medicine is an emerging discipline that fosters hugely divergent opinions on topics such as laboratory techniques clinical management and ethical considerations Highlighting over 50 contentious topics in reproductive medicine this book presents expertly argued opinions are presented for and against often with diametrically opposing views about management Debates such as these are being increasingly used as learning tools helping participants develop their critical thinking skills and showing that context is vital when making decisions Issues discussed include limits on IVF provision ethical queries about sex selection embryology and ovarian stimulation Authors are authorities in their field combining years of experience with fresh and innovative ideas to structure their arguments Readers will gain an insight into topical controversies critically evaluating the different sides to enhance their own clinical practice

### **Jimmy Carter and the Birth of the Marathon Media Campaign** Amber Roessner, 2020-05-20

With the rise of Jimmy Carter a former Georgia governor and a relative newcomer to national politics the 1976 presidential election proved a transformative moment in U S history heralding a change in terms of how candidates run for public office and how the news media cover their campaigns Amber Roessner's *Jimmy Carter and the Birth of the Marathon Media Campaign* chronicles a

change in the negotiation of political image craft and the role it played in Carter's meteoric rise to the presidency. She contends that Carter's underdog victory signaled a transition from an older form of party politics focused on issues and platforms to a newer brand of personality politics driven by the manufacture of a political image. Roessner offers a new perspective on the production and consumption of media images of the peanut farmer from Plains who became the thirty-ninth president of the United States. Carter's miraculous win transpired in part because of carefully cultivated publicity and advertising strategies that informed his official political persona as it evolved throughout the Democratic primary and general election campaigns. To understand how media relations helped shape the first post-Watergate presidential election, Roessner examines the practices and working conditions of the community of political reporters, public relations agents, and advertising specialists associated with the Carter bid. She draws on materials from campaign files and strategic memoranda, radio and TV advertisements, news and entertainment broadcasts, newspaper and magazine coverage, and recent interviews with Carter, prominent members of his campaign staff, and over a dozen journalists who reported on the 1976 election and his presidency. With its focus on the inner workings of the bicentennial election, *Jimmy Carter and the Birth of the Marathon Media Campaign* offers an incisive view of the transition from the yearlong to the permanent campaign, from New Deal progressivism to New Right conservatism, from issues to soundbites, and from objective news analysis to partisan commentary.

**Lincoln and Kennedy: Redux** G. Darrell Russell Jr., 2024-01-24 About the Author G. Darrell Russell Jr. is a retired judge of the District Court of Maryland. He now practices law at a reduced pace in a small firm in eastern Baltimore County. He lives in Towson, Maryland. Three of his four adult children are nearby. His fourth child, Maureen, resides in Birmingham, Alabama, where she runs marathons like her dad. She obtained her graduate degree from South Alabama. Her brother, Brendan, also went to Alabama at the Tuscaloosa campus. Roll Tide, Roll Russell's other two children, Graham and Eileen, served their country in the Navy SEAL program and AmeriCorps, respectively. Russell spent early years as a lacrosse, tennis, and cross-country coach at his alma mater, Loyola University in Maryland. He was the first commissioner of the National Lacrosse League. He has authored several books on law and sports, his dual avocations. He is a trustee of his Elks Lodge in Towson. *Lincoln and Kennedy Redux* was first written by Russell while a law student at the University of Baltimore. It was entitled *Lincoln and Kennedy Looked at Kindly Together*. He rewrote it out of nostalgia for the halcyon Kennedy days of Camelot.

**Lincoln and Douglas** Allen C. Guelzo, 2010-05-11 From the two-time winner of the prestigious Lincoln Prize, a stirring and surprising account of the debates that made Lincoln a national figure and defined the slavery issue that would bring the country to war. In 1858, Abraham Lincoln was known as a successful Illinois lawyer who had achieved some prominence in state politics as a leader in the new Republican Party. Two years later, he was elected president and was on his way to becoming the greatest chief executive in American history. What carried this one-term congressman from obscurity to fame was the campaign he mounted for the United States Senate against the country's most formidable politician, Stephen A.

Douglas in the summer and fall of 1858 As this brilliant narrative by the prize winning Lincoln scholar Allen Guelzo dramatizes Lincoln would emerge a predominant national figure the leader of his party the man who would bear the burden of the national confrontation Lincoln lost that Senate race to Douglas though he came close to toppling the Little Giant whom almost everyone thought was unbeatable Guelzo s Lincoln and Douglas brings alive their debates and this whole year of campaigns and underscores their centrality in the greatest conflict in American history The encounters between Lincoln and Douglas engage a key question in American political life What is democracy s purpose Is it to satisfy the desires of the majority Or is it to achieve a just and moral public order These were the real questions in 1858 that led to the Civil War They remain questions for Americans today *Making Sense of the College Curriculum* Robert Zemsky, Gregory R Wegner, Ann J. Duffield, 2018-06-08 No detailed description available for Making Sense of the College Curriculum **Presidential Debate Negotiation from 1960 to 1988** John W. Self, 2016-12-20 Since their inception the presidential debates Americans have watched on television were carefully negotiated This book closely examines a previously unexamined type of political communication presidential debate negotiation While it has been widely known that all general election presidential debates since 1960 have been negotiated by the participating candidates no one has ever completed a systematic study of them In particular the 1960 1976 1980 1984 and 1988 negotiations were examined in detail For each of these election cycles a comprehensive narrative of what occurred during the pre debate negotiations was constructed based on primary source materials media accounts and other secondary sources Comparisons across election cycles were made in order to draw some conclusions about presidential debate negotiation Presidential debate negotiations are not just negotiations but rather also a form of political rhetoric for several different players The research concluded that that there are five contexts in which presidential debate rhetoric occurs and the rhetoric is aimed at two audiences Within each context the functions and strategies of the rhetoric were discussed and explained from the perspective of the sponsor of the debate s the candidates and their representatives as well as the media **The Magazine of History, with Notes and Queries** ,1929
