Great Labor Schism A Retrospective:

The Great Labor Schism Brian J. Costar, Peter Love, Paul Strangio, 2005 No Marketing Blurb *The Victorian Premiers, 1856-2006* Paul Strangio, Brian J. Costar, 2006 In the century and a half since Victoria was granted responsible government in 1856 44 premiers have presided over the state and colony from Honest William Haines to Steve Bracks Here is their story For the first time this book brings together a comprehensive collection of biographical and political portraits of the Victorian premiers written by leading Australian historians and political scientists The result is a compelling journey through a turbulent occasionally anarchic political landscape A cast of fascinating characters is brought to life the mercurial Graham Berry who in the 1870s threatened broken heads and flaming houses in his heroic struggle to tame the colony's intractably conservative upper house the roguish Tommy Bent the turn of the century can do premier whose development enthusiasms were unhindered by probities of office the bohemian Tom Hollway who conducted Victoria's affairs from his suite in the Windsor Hotel the accidental leader Henry Bolte who became Victoria's longest serving premier and the larrikin metropolitan Jeff Kennett who turned the state into a neo liberal laboratory in the 1990s A tale of premiers the book is also a narrative of politics in a state that has vied with New South Wales as Australia's most prosperous and powerful It recounts many extraordinary episodes the precocious development of democracy in a fledgling colony turned upside down by gold immigrants the titanic bicameral struggles of the 1860s and 1870s that brought Victoria to the brink of insurrection the bank crashes of the 1890s the police strike of 1923 the great Labor split of the 1950s the hanging of Ronald Ryan in 1967 the social democratic adventurism of the Labor decade of the 1980s brought to a shuddering halt by another era of financial collapses and the neo liberal experimentalism of the Kennett government This carefully researched and engagingly written book will leave the reader in no doubt that politics in the Garden State has seldom been sedate and its premiers rarely predictable

Dreamers and Schemers Frank Bongiorno, 2022-11-01 A landmark book the first full political history of Australia In this compelling and comprehensive work renowned historian Frank Bongiorno presents a social and cultural history of Australia's political life from pre settlement Indigenous systems to the present day Depicting a wonderful parade of dreamers and schemers Bongiorno surveys moments of political renewal and sheds fresh light on our democratic life From local pubs and meeting halls to the parliament and cabinet from pamphleteers and stump orators to party agents and operatives this enthralling account looks at the political insiders in the halls of power as well as the agitators and outsiders who sought to shape the nation from the margins A work of political history like no other Dreamers and Schemers will transform the way you look at Australian politics With acuity and grace Bongiorno divines the soul of the nation All told with a cheeky eye for detail and nose for skullduggery by a historian in full archival narrative and rhetorical flight A landmark work Clare Wright Bongiorno is one of our premier historians and this is his masterwork An original take on our politics and people written with an open mind and warm Australian heart George Megalogenis Penetrating and vividly written this a

political history that broadens our understanding of politics one that offers genuinely fresh insights and resists tidy generalisations From First Nations politics to the democracy sausage Dreamers and Schemers never disappoints It will stand as one of the most essential works in Australian history for decades to come Mark McKenna Shortlisted for the Australian History Prize in the NSW Premier s History Awards **Evatt** John Murphy,2016-09-01 John Murphy s Evatt A life is a biography of Australian parliamentarian and jurist HV Evatt Remembered as the first foreign minister to argue for an independent Australian policy in the 1940s and for his central role in the formation of the UN Evatt went on to be the leader of the Labor party in the 1950s the time of the split that resulted in the party being out of power for a generation Evatt traces the course of Evatt s life and places him in the context of a long period of conservatism in Australia It treats Evatt s inner personal life as being just as important as his spectacular controversial and eventual tragic public career Murphy looks closely at Evatt s previously unexamined private life and unravels some of the puzzles that have lead Evatt to be considered erratic even mad Bert Evatt remains a polarising figure still considered by many in Labor as the man who split the party and by many conservatives as unreliable and dangerous **Australian Politics in the Twenty-First Century** Stewart Jackson,Joff Lelliott,Shannon Brincat,Josephine Bourne,Nick Economou,2022-09-02 The global political environment in the twenty first century is proving dynamic and challenging for Australian policymakers and political institutions Australian Politics in the Twenty first Century contextualises the Australian political landscape through an institutional lens It examines the legislative and judicial bodies minor parties lobby groups the media and the citizenry providing historical and contemporary facts explaining political issues and examining new challenges The second edition has been updated to reflect the application of political theories in today s civic environment New spotlight boxes highlight issues including marriage equality COVID 19 and federalism the inclusion of First Nations peoples in the political system and gender equality in public policy Short answer reflection research and discussion questions encourage students to test and extend their knowledge of each topic and to clearly link theory to practice Written in an accessible and engaging style Australian Politics in the Twenty First Century is an invaluable introduction to the Australian political system *Secular Conversions* Damon Mayrl,2016-08-30 Why does secularization proceed differently in otherwise similar countries Secular Conversions demonstrates that the institutional structure of the state is a key factor shaping the course of secularization Drawing upon detailed historical analysis of religious education policy in the United States and Australia Damon Mayrl details how administrative structures legal procedures and electoral systems have shaped political opportunities and even helped create constituencies for secular policies In so doing he also shows how a decentralized readily accessible American state acts as an engine for religious conflict encouraging religious differences to spill into law and politics at every turn This book provides a vivid picture of how political conflicts interacted with the state over the long span of American and Australian history to shape religion s role in public life Ultimately it reveals that taken for granted political structures have powerfully shaped the

fate of religion in modern societies **Menzies Ascendancy** Zachary Gorman,2024-12-03 Was Menzies's unprecedented electoral success merely a matter of luck or did he make fortune bend to his will On 30 November 1954 Robert Menzies became Australia's longest serving prime minister Between the closely fought 1954 and 1961 elections the Coalition enjoyed a political dominance that allowed it to reshape the nation The period saw the creation of the Reserve Bank of Australia the signing of the landmark Commerce Agreement with Japan vast investment in Australia's universities the development of Canberra the opening of Australia's first nuclear reactor forgotten but transformative healthcare reforms the abolition of the dictation test forward progress on Indigenous policy the signing of an enduring Antarctic Treaty and more Yet to critics this was a time when the opportunity for reform was wasted Has Menzies's deliberate emphasis on continuity over change obscured his achievements Is consolidated progress preferable to policy revolution And what does the Australian public want from its leaders All these issues are explored in the third of a four volume history of Menzies and his world based on conferences convened by the Robert Menzies Institute at the University of Melbourne Contributors include Robert Bowker Andrew Bragg Paul Brown Elizabeth Buchanan Selwyn Cornish Damien Freeman David Furse Roberts Anne Henderson Paul Kelly Sean Jacobs David Lee Ted Ling Lyndon Megarrity Greg Melleuish Andrew Norton Michael de Percy Paul Strangio and Stephen Wilks **Neither Power Nor Glory** Paul Strangio,2012-06-01 When Frank Hardy published *Power Without Glory* his notorious novel about corruption and venality in the Victorian Labor Party it quickly came to be seen as a true account of the party Until now there has been no authoritative chronicle of the struggles of political Labor in Victoria from its origins in the mid nineteenth century through to the calamitous split of the 1950s By conventional measures these were fallow years Ensnared by the colony's powerful liberal protectionist tradition in the late nineteenth century Victorian Labor then found itself hindered by a grossly unfair electoral system and the lack of a constituency outside Melbourne's industrial suburbs But exile from government also meant that the party developed its own distinctive traditions and culture It was a unique and intriguing species among the state Labor parties Meticulously researched and elegantly written *Neither Power Nor Glory* fills an important gap in Australian political history and our understanding of the Labor Party It is also a timely antidote to nostalgia about Labor's past In Victoria at least that past was anything but golden **WINNER OF THE 2013 HENRY MAYER PRIZE** **B.A. Santamaria** Bartholomew Augustine Santamaria,2008 B A Santamaria was a political activist and traditionalist Catholic layman prominent in public affairs in 20th century Australia He was a key figure in the disastrous split in the Australian Labor Party in 1954 one of the key events in Australian polit **Frontiers of Labor** Greg Patmore,Shelton Stromquist,2018-03-21 Alike in many aspects of their histories Australia and the United States diverge in striking ways when it comes to their working classes labor relations and politics Greg Patmore and Shelton Stromquist curate innovative essays that use transnational and comparative analysis to explore the two nations differences The contributors examine five major areas World War I's impact on labor and socialist movements the history of coerced labor patterns of ethnic and class

The A to Z of Australia James C. Docherty,2010-04-01 The last continent to be claimed by Europeans Australia began to be settled by the British in 1788 in the form of a jail for its convicts While British culture has had the largest influence on the country and its presence can be seen everywhere the British were not Australia s original populace The first inhabitants of Australia the Aborigines are believed to have migrated from Southeast Asia into northern Australia as early as 60 000 years ago This distinctive blend of vastly different cultures contributed to the ease with which Australia has become one of the world s most successful immigrant nations The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through a detailed chronology an introduction appendixes a bibliography and cross

In the Interest of Others John S. Ahlquist, Margaret Levi, 2013-09-08 A groundbreaking study of labor unions that advances a new theory of organizational leadership and governance *In the Interest of Others* develops a new theory of organizational leadership and governance to

explain why some organizations expand their scope of action in ways that do not benefit their members directly John Ahlquist and Margaret Levi document eighty years of such activism by the International Longshore and Warehouse Union in the United States and the Waterside Workers Federation in Australia They systematically compare the ILWU and WWF to the Teamsters and the International Longshoremen s Association two American transport industry labor unions that actively discouraged the pursuit of political causes unrelated to their own economic interests Drawing on a wealth of original data Ahlquist and Levi show how activist organizations can profoundly transform the views of members about their political efficacy and the collective actions they are willing to contemplate They find that leaders who ask for support of projects without obvious material benefits must first demonstrate their ability to deliver the goods and services members expect These leaders must also build governance institutions that coordinate expectations about their objectives and the behavior of members In the Interest of Others reveals how activist labor unions expand the community of fate and provoke preferences that transcend the private interests of individual members Ahlquist and Levi then extend this logic to other membership organizations including religious groups political parties and the state itself Moving in the Open Daylight Ashley Hogan,2008 Ashley Hogan tells the story of a moment in human history when Australia became known for its courage and liberalism At the conference that founded the United Nations Australia spoke to the great powers that voice belonged to Doc Evatt **Roma the First** Susan Magarey,Kerrie Round,2007 Roma Mitchell contributed importantly to her times pioneering a new kind of womanhood and becoming an inspiration in terms of opportunities and freedoms for women in Australia
