Great Singers on the Art of Singing; Educational Conferences with Foremost Artists, a Series of Personal Study Talks with the Most Renowned Opera, Concert and Oratorio Singers of the Time, Especially Planned for Voice Students James Francis Cooke,2013-04-07

Great Singers on Great Singing Jerome Hines,1982 Top opera stars discuss their careers and the technical aspects of singing including breath control posture and placement **Caruso and Tetrzzini on the Art of Singing** Enrico Caruso,Luisa Tetrzzini,2021-01-18 **Great Singers** Denes Striny,2012-07-10 This book supplies detailed explanations for young singers teachers and professional singers with troubled voices Striny s previous book *Head*

First discussed this process but without specific instructions to accomplish the task This completely original process was conceived by Striny to correct major problems in his voice that had been caused by two separate voice teachers The content of the process and the suggested duration of time duplicate exactly what his self study called for in both cases Readers will feel in tune with a philosophy generated through this endeavor which cements self confidence and self esteem with the attained accomplishments It permits you to do your tasks without overt manipulation **Great Singers** George T. Ferris,2020-07-29 Reproduction of the original Great Singers by George T Ferris **Caruso and Tetrzzini on the Art of Singing** Enrico Caruso,Luisa Tetrzzini,2022-09-04 DigiCat Publishing presents to you this special edition of Caruso and Tetrzzini on the Art of Singing by Enrico Caruso Luisa Tetrzzini DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature How to Sing Like the Great Singers Robin Hendrix,2015-12-11 This book sets out the means by which the great singers of the operatic and concert stage cultivated and maintained their beautiful voices and describes how a motivated singer can arrive at the same results How to Sing Like the Great Singers was written by a singer with a passion for singing and a love for singers It describes the ancient singing technique so simply and logically that even the most inexperienced of singers can make wonderful progress It combines all of the relevant practices common across the published literature on singing from the turn of the last century the Golden Age of Singing synopsis the technique and explains how and why the elements work Elements of the technique are presented with numerous substantiating quotes from the great singers themselves giving the highest level of credibility to what is being said Readers will get a glimpse into their lives and their work Included is an annotated bibliography so that readers who wish to can follow the path the author took to get to know more about the work of the great singers Mezzo soprano Robin Hendrix is a concert artist and voice teacher living in the south of France Although she sings in many genres including legitimate musical theatre she always uses the singing technique of the great singers In the preface she talks about her experience of hitting the wall in middle age when it became increasingly difficult to rehearse her usual concert repertoire Finding no help from gurus or experts she set out on her own to find the secrets of a free and easy production of the lyric voice By a lucky circumstance she stumbled upon a book that explained that most singers today are not being taught the technique of the great singers After that it became an obsession to find out as much as possible about the real technique of singing She needed answers from the best possible sources and so she went directly to the great singers and teachers from the late 1890s to the 1930s In their books and recorded interviews the great singers and teachers generously shared their ideas on singing particularly on the technique they all used one that used pure vowels and an extraordinary level of relaxation This book is based on seven years of research into many dozens of books on voice culture as well as endless hours of recordings and video clips from live

performances studio recordings master classes and interviews The research involved extracting the elements common to all the books and recordings and then testing them in practice in concert and in teaching The results were remarkable This book takes the mystery out of tried and true phrases whose meanings were lost with the passing of time Concepts such as singing on the breath silent breathing attack and clear vowels are explained in terms a singer can immediately understand and replicate Readers can have confidence in trying for themselves the simple but extremely effective ideas and exercises for liberating and beautifying the voice The great singers technique is almost unknown in many of today s voice studios but 130 years ago it was the standard technique for voice formation and voice culture The ideas were all but lost after the turn of the 20th century when a scientific mechanical approach replaced tried and true singing practices This book attempts to bring back the technique that served the great singers so well When singers try the basic elements for the first time they immediately experience the benefits and with further effort they get lasting results beauty and ease in singing As the Great Singers and teachers of the golden age of singing often said we can ALL sing well if the desire and the right knowledge can come together This book can provide the right knowledge The Supervisors Service Bulletin ,1927 **International Music and Drama** ,1915 **Singing** Dan Marek,2007 The Italian singing technique Bel Canto instructs He who knows how to breathe and how to pronounce knows how to sing Singing The First Art incorporates the techniques of Bel Canto along with those of masters like Berton Coffin and Manuel Garcia to promote and facilitate vocal excellence Many concepts are described from correct posture and alignment to improving and maintaining proper breathing from good pronunciation and diction to producing an even pure tone and from vocal ranges to singing within and smoothly shifting between vocal registers Mannes Vocal Faculty member Dan H Marek effectively breaks down these complicated concepts with clear exercises helping the vocal student to achieve freedom and complete control over his or her instrument A primary section on the history of singing stresses the importance of understanding vocal history while inspiring and motivating the student through the experiences of opera stars such as Enrico Caruso Maria Callas and Jussi Bj rling The second section explains vocal techniques including the use and proper pronunciation of the IPA International Phonetic Alphabet and provides 64 specific exercises with clearly defined goals designed to overcome faults and to develop vocal virtuosity Complete instructions for transposing the exercises for both male and female voices are included as well as drawings of the exercises musical examples from vocal literature excellent anatomical illustrations by Frank Netter MD and copious photographs of opera stars Singing The First Art is an invaluable text for students professionals singers conductors composers and vocal medical professionals or anyone interested in understanding and appreciating the vocal art

This book delves into Great Singers On The Art Of Singing. Great Singers On The Art Of Singing is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Great Singers On The Art Of Singing, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Great Singers On The Art Of Singing
 - Chapter 2: Essential Elements of Great Singers On The Art Of Singing
 - Chapter 3: Great Singers On The Art Of Singing in Everyday Life
 - Chapter 4: Great Singers On The Art Of Singing in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Great Singers On The Art Of Singing. The first chapter will explore what Great Singers On The Art Of Singing is, why Great Singers On The Art Of Singing is vital, and how to effectively learn about Great Singers On The Art Of Singing.
3. In chapter 2, the author will delve into the foundational concepts of Great Singers On The Art Of Singing. This chapter will elucidate the essential principles that need to be understood to grasp Great Singers On The Art Of Singing in its entirety.
4. In chapter 3, the author will examine the practical applications of Great Singers On The Art Of Singing in daily life. The third chapter will showcase real-world examples of how Great Singers On The Art Of Singing can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Great Singers On The Art Of Singing in specific contexts. The fourth chapter will explore how Great Singers On The Art Of Singing is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Great Singers On The Art Of Singing. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Great Singers On The Art Of Singing.
