Great Winemakers Of California Conversations With Robert Benson:

Great Winemakers of California Robert Benson,1977 Publisher description Like the bouquet arising from a fine wine the winemaker s personality permeates each conversation in this sparkling collection Robert Benson has captured the essence of 28 California winemakers as they discuss the myths and methodology of making great wines Join Benson over a bottle of wine and plate of cheese as he listens to the secrets of producing wines which are today rivalling even excelling those of France and Germany *New Classic Winemakers of California* Steve Heimoff,2010-12-20 This book is intellectual eavesdropping for wine lovers Steve Heimoff asks all the right questions and then wisely lets the winemakers take center stage Paul Lukacs author of *The Great Wines of America* **The House of Mondavi** Julia Flynn Siler,2007-06-19 An epic scandal plagued story of the immigrant family that built and then spectacularly lost a global wine empire Set in California s lush Napa Valley and spanning four generations of a talented and visionary family The House of Mondavi is a tale of genius sibling rivalry and betrayal From 1906 when Italian immigrant Cesare Mondavi passed through Ellis Island to the Robert Mondavi Corp s twenty first century battle over a billion dollar fortune award winning journalist Julia Flynn brings to life both the place and the people in this riveting family drama The blood feuds are as spectacular as the business triumphs Cesare s sons Robert and Peter literally came to blows in the 1960s during a dispute touched off by the purchase of a mink coat resulting in Robert s exile from the family and his subsequent founding of a winery that would set off a revolution in American winemaking Robert s sons Michael and Timothy as passionate in their own ways as their visionary father waged battle with each other for control of the company before Michael s expansive ambitions ultimately led to a board coup and the sale of the business to an international conglomerate A meticulously reported narrative based on thousands of hours of interviews The House of Mondavi is bound to become a classic **Select Wine Bibliographies - 2nd Edition** Warren R. Johnson,2023-01-24 Select Wine Bibliographies includes published works from the 1600s through 2023 All listings are works published in the English language Each book includes an ISBN when available the format hardcover softcover digital or manuscript as well as any notes that may list subsequent editions or other pertinent information Thirteen major subjects are included with over 2300 listings The goal is to first list first editions in hardcover when possible otherwise if later editions are more relevant they become the primary source Many of these works may have been published in additional formats Thirteen major subjects are included with over 2300 listings **ABA Journal** ,1977-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Bottled Poetry** James T. Lapsley,2023-04-28 California s Napa Valley is one of the world s premier wine regions today but this has not always been true James T Lapsley s entertaining history explains how a collective vision of excellence among winemakers and a keen sense of promotion transformed the region and its wines following the repeal of Prohibition Focusing on the formative years of Napa s fine winemaking 1934 to 1967 Lapsley concludes with a chapter on the

wine boom of the 1970s placing it in a social context and explaining the role of Napa vineyards in the beverage's growing popularity. Names familiar to wine drinkers appear throughout these pages: Beaulieu, Beringer, Charles Krug, Christian Brothers, Inglenook, Louis Martini, and the colorful stories behind the names give this book a personal dimension. As strong-willed competitive winemakers found ways to work cooperatively both in sharing knowledge and technology and in promoting their region, the result was an unprecedented improvement in wine quality that brought with it a new reputation for the Napa Valley. In *The Silverado Squatters*, Robert Louis Stevenson refers to wine as bottled poetry, and although Stevenson's reference was to the elite vineyards of France, his words are appropriate for Napa wines today. Their success, as Lapsley makes clear, is due to much more than the beneficence of sun and soil. Craft vision and determination have played a part too, and for that, wine drinkers the world over are grateful. While Benson's book captured a wine industry on the brink of exponential growth and recognition, Heimoff surveys a multibillion-dollar business with a global reputation and new issues to face. Heimoff has followed this industry for more than twenty-five years, visiting all parts of the state and monitoring changing styles and trends, and his interviews provide an oral history of contemporary California winemaking. He reveals the personalities, intellects, philosophies, and passions of the individual winemakers as well as their opinions on recent high-alcohol vintages, globalization, and the cult wine phenomenon. Through this intimate and engaging book, wine lovers can sit in on the back and forth as Heimoff and his vintner subjects talk informally about their favorite subject: wine.
