Through our home passed race car drivers astronauts a Walt Disney Director the Australian and Chilean Davis Cup Teams professional musicians NBA coaches players and presidents a few criminals Charles Goren con artists and many many relatives and my daughters still managed to grow up to be fine people The book is meant to be an entertaining and enlightening story telling just how my daughters became such wonderful adults I was the first influence in their lives but I believe that every person they met and every experience they had also had an influence on them Their father was rich a graduate from Harvard and a thirty one year old businessman and I was a nineteen year old aspiring opera singer when we met The book deals with the differences in our backgrounds and our interests and my trying to make it as a singer in New York then getting married instead and creating a happy home in which to bring up children in spite of many untimely deaths illnesses disappointments and heart attacks I have written about my ideas about raising children but also about such wheelers and dealers as my father in law Charles B Sommers and Carl Fisher the developer of Miami Beach and the Indianapolis Motor Speedway with D C Stephenson head of the Ku Klux Klan with a lurid murder trial in Indianapolis with Methodist Hospital Clarian Health Care racing cars and races semesters abroad our fabulous trips to Europe Wimbledon South America and Trenton and my opinions about just about every topic you can think of I end with a chapter on the technology and events that has changed our lives and with my memories and thoughts about WWII and 9 11 and what I see for the future My point is that all these things played a part in determining how my children grew to be such fine adults

Soldier is as disturbing and fascinating as a crime scene as heart stopping as a bar fight and at times as darkly comic as Quentin Tarantino's *Pulp Fiction* or Martin Scorsese's *Goodfellas*. *Sleeping With My Boss* Claire Adams, Asher Sinclair is a billionaire CEO who loves money success and his privacy He crosses paths with Lilah Maxwell when she unknowingly destroys his ad campaign right in front of him Far more impressed than wounded Asher then offers her a promotion which she hesitantly accepts The more they work together the more the sparks fly While both are hesitant to jump into a relationship similarities in their past and their ambitions bring them together However efforts to sink his company threatens to destroy their relationship forever Will they be able to make it through it all *Haul Away!* Rob Duncan, 2005-03-15 On a September day an assortment of strangers from around the world gathered in San Diego for the voyage of a lifetime a 75 day rounding of the dreaded Cape Horn on a square rigged tall ship Some were experienced sailors some novices but all dreamed of the Sailors Everest surviving Cape Horn and getting to wear the gold earring that is the age old symbol of the Cape Horner If they successfully completed the voyage they would join an exclusive group of fewer than 500 living Cape Horners How did this group of strangers meld into an effective team and ultimately a band of great friends How did they overcome storms fear and interpersonal strains to achieve a life's dream Join management consultant and college instructor Rob Duncan as he recounts the voyage first hand and shares the teambuilding lessons he learned through the process of earning his own gold earring Part management primer part inspirational tale this book will appeal to anyone who works in or manages teams anyone who dreams of achieving a personal quest and everyone who loves a good yarn *Haul Away* also contains useful lessons and worksheets that will help you to reach your own personal quest whatever it may be *Don't Call Me Boss* Michael Weber, 1988-02-15 The death of David Leo Lawrence in 1966 ended a fifty year career of major influence in American politics In a front page obituary the New York Times noted that Lawrence the longtime mayor of Pittsburgh governor of Pennsylvania and power in Democratic national politics disliked being called Boss But the Times noted he was one anyway Certainly Lawrence was a consummate politician Born in a poor working class neighborhood in the present day Golden Triangle of Pittsburgh he was from boyhood an astute student of politics and a devoted Democrat Paying minute attention to every detail at the ward and precinct level he revived the moribund Democratic party of Pittsburgh and fashioned a machine that upset the long entrenched Republican organization in 1932 When Davy Lawrence as he was affectionately known won the gubernatorial election in 1958 he became the first Roman Catholic governor of Pennsylvania and the oldest But he achieved his greatest public recognition as mayor of Pittsburgh Taking office in 1945 at the close of World War II this stalwart Democrat formed an alliance with the predominantly Republican business community to bring about the much acclaimed Pittsburgh Renaissance transforming the downtown business district and persuading many large corporations to retain their national headquarters in Pittsburgh In 1958 the editors of *Fortune* magazine name Pittsburgh as one of the eight best administered cities in America *Don't Call Me Boss* examines the lengthy career of this remarkable

politician Using over one hundred interviews as well as extensive archival material Michael Weber demonstrates how Lawrence was able to balance his intense political drive and devotion to the Democratic party with the larger needs of his city and state Although his administration was not free of controversy as indicated by the city's police and free work scandals Lawrence showed that it was possible to make the transition from nineteenth century political boss to modern municipal manager He was one of the few politicians of the century to do so When the undisputed bosses of other American cities the Curleys Pendergasts and Hagues were out of power and disgraced Lawrence was elected governor of Pennsylvania More than twenty years after his death David L Lawrence and his success in rebuilding the city of Pittsburgh continue to serve as an example of effective urban leadership
