Cummings, Mark Nussberger, 2023-02-28 Theological colleges preparing ministerial candidates for ordination are constantly engaged in revising their curricula In the American Catholic Church at this time in 2022 this process is guided by the US bishops document the Program of Priestly Formation Mount Angel Seminary believes that its theological curriculum centered on the Eucharist and known as communion ecclesiology offers an integrated approach to priestly formation in all four dimensions of that document academic personal spiritual and pastoral The various essays in this book both illustrate how this is done and offer an example to other institutions involved in A Family of His Own Charles F. Duffy, 2003 A family of his own covers Edwin O Connor s comfortable priestly formation upbringing in Rhode Island his formation at Notre Dame his obscure years in radio and the Coast Guard during World War II his adoption of Boston his long association with his publishers at Atlantic Monthly and Little Brown and Company his toil in journalism and television reviewing his several sojourns in Ireland and his extraordinary dedication to his craft while living close to poverty For the years after The Last Hurrah Duffy examines O Connor's handling of newfound wealth and celebrity his growing loneliness the surprise and fulfillment of a late marriage his failure on Broadway and his return to fiction Throughout his writing O Connor's major subject was the family especially the gains losses and conflicts within assimilated Irish America Duffy examines the complex ways by which O Connor s own experience of family and friendship formed essential patterns in his works The Cosmic Love Story God And Us Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights into the mystery of love both Divine and human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder's vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder's talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder's writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as Edge of Never J.
