Selected Poems of Amy Clampitt Amy Clampitt, 2011-02-22 When Amy Clampitt's first collection *The Kingfisher* was published it was hailed as that rare first book that signals a major poet in full bloom Los Angeles Times Its author was sixty three years old Over the next eleven years Clampitt produced four additional major collections Now the most essential poems from these five volumes are gathered together Clampitt was an impassioned observer of the natural world the delights of which color many of these poems writing of the fog she described a stuff so single it might almost be lifted folded over crawled underneath or slid between as nakedness caressingsheets Such was the texture of her language too She was a traveler reporting back from England and Greece from California and Maine and from her native Midwest An Iowa transplant to New York the descendant of pioneers

she wrote of prairies and subways of the movements of wildflowers people and ideas and of the widespread modern experience of uprootedness Here is a treasure of Amy Clampitt's verse for those who are reading her for the first time as well as for those who have long admired her *The Secrets and Silences of Edith Wharton's Women* Isabelle Parsons,2025-03-11

Edith Wharton's sensitively observed portraits of women's lives a century ago resonate into the present day captivating readers now as they did then Threaded throughout her accounts is a rich seam of secrets and silences that reveals Wharton's keen grasp of the realities navigated by women and her astute use of withholding to tell their stories This book explores her frequent marshalling of secrets and silences presented as an integral part of her literary aesthetic to cast light on her enduring interest in women's experiences in private and public settings during the early twentieth century *Edith Wharton and Genre* Laura Rattray,2020-08-11

Based on extensive new archival research *Edith Wharton and Genre Beyond Fiction* offers the first study of Wharton's full engagement with original writing in genres outside those with which she has been most closely identified So much more than an acclaimed novelist and short story writer Wharton is reconsidered in this book as a controversial playwright a gifted poet a trailblazing travel writer an innovative and subversive critic a hugely influential design writer and an author who overturned the conventions of autobiographical form Her versatility across genres did not represent brief sidesteps temporary diversions from what has long been read as her primary role as novelist Each was pursued fully and wholeheartedly speaking to Wharton's very sense of herself as an artist and her connected vision of artistry and art The stories of these other Edith Whartons born through her extraordinary dexterity across a wide range of genres and their impact on our understanding of her career are the focus of this new study revealing a bolder more diverse subversive and radical writer than has long been supposed **A Gift from the Grave. Edith Wharton born Edith Newbold Jones January 24 1862 August 11 1937 was a Pulitzer Prize winning American novelist short story writer and designer She was nominated for the Nobel Prize in Literature in 1927 1928 and 1930 Wharton combined her insider's view of America's privileged classes with a brilliant natural wit to write humorous incisive novels and short stories of social and psychological insight She was well acquainted with many of her era's other literary and public figures including Theodore Roosevelt Edith Wharton was born Edith Newbold Jones to George Frederic Jones and Lucretia Stevens Rhinelanders at their brownstone at 14 West Twenty third Street in New York City She had two much older brothers Frederic Rhinelanders who was sixteen and Henry Edward who was eleven She was baptized April 20 1862 Easter Sunday at Grace Church To her friends and family she was known as Pussy Jones The saying keeping up with the Joneses is said to refer to her father's family She was also related to the Rensselaer family the most prestigious of the old patroon families She had a lifelong lovely friendship with her Rhinelanders niece landscape architect Beatrix Farrand of Reef Point in Bar Harbor Maine Edith was born during the Civil War she was three years old when the South surrendered After the war the family traveled extensively in Europe From 1866 to 1872 the Jones family visited France Italy Germany and Spain

During her travels the young Edith became fluent in French German and Italian At the age of ten she suffered from typhoid fever while the family was at a spa in the Black Forest After the family returned to the United States in 1872 they spent their winters in New York and their summers in Newport Rhode Island While in Europe she was educated by tutors and governesses She rejected the standards of fashion and etiquette that were expected of young girls at the time intended to enable women to marry well and to be displayed at balls and parties She thought these requirements were superficial and oppressive Edith wanted more education than she received so she read from her father s library and from the libraries of her father s friends Her mother forbade her to read novels until she was married and Edith complied with this command Edith began writing poetry and fiction as a young girl She attempted to write a novel at age eleven Her first publication was a translation of the German poem Was die Steine Erzählen What the Stones Tell by Heinrich Karl Brugsch which earned her 50 She was 15 at the time Her family did not wish her name to appear in print because the names of upper class women of the time only appeared in print to announce birth marriage and death Consequently the poem was published under the name of a friend s father E A Washburn He was a cousin of Ralph Waldo Emerson and supported women s education He played a pivotal role in Edith s efforts to educate herself and he encouraged her ambition to write professionally In 1877 at the age of 15 she secretly wrote a 30 000 word novella Fast and Loose In 1878 her father arranged for a collection of two dozen original poems and five translations Verses to be privately published In 1880 she had five poems published anonymously in the Atlantic Monthly then a revered literary magazine Despite these early successes she was not encouraged by her family nor her social circle and though she continued to write she did not publish anything again until her poem The Last Giustiniani was published in Scribner s Magazine in October 1889 Edith was engaged to Henry Stevens in 1882 after a two year courtship The month the two were to marry the engagement abruptly ended In 1885 at age 23 she married Edward Teddy Robbins Wharton who was 12 years her senior *Edith Wharton, Willa Cather, and the Place of Culture* Julie

Olin-Ammentorp,2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton s *The House of Mirth* *Ethan Frome* and *The Age of Innocence* and Cather s *O Pioneers* *My Antonia* and *Death Comes for the Archbishop* Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton s and Cather s parallel experiences of dislocation their relationship to each other as writers and the profound

similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States **The Revolt of "Mother" and Other Stories** Mary E. Late Modernism and Expatriation Lauren Arrington, 2022-01-15 How did living abroad inflect writers' perspectives on social change in the countries of their birth and in their adopted homelands? How did writers reformulate ideas of social class, race, and gender in these new contexts? How did they develop innovations in form and technique to achieve a style that reflected their social and political commitments? The essays in this book show how the outward turn that typifies late modernist writing was precipitated in part by writers' experience of expatriation. Late Modernism: Expatriation encompasses writing from the 1930s to the present day and considers expatriation in both its voluntary and coerced manifestations. Together, the essays in this book shape our understanding of how migration, especially in its late twentieth and twenty-first century complexities, affects late modernism's temporalities. The book attends to major theoretical questions about mapping late modernist networks and it foregrounds neglected aspects of writers' work while placing other writers in a new frame.
