generation dreamed of illustrating James Joyce's *Ulysses*. Although he began work on the project in 1989, it was never published during his lifetime. Stephen James Joyce, Joyce's grandson and the infamously protective executor of his estate, refused to allow it, arguing that his grandfather would never have wanted the novel illustrated. In fact, a limited run appeared in 1935 with lithographs by Henri Matisse, which reportedly infuriated Joyce when he realized that Matisse, not having actually read the book, had merely depicted scenes from Homer's *Odyssey*. Now available for the first time in English, this unique edition of the classic novel features three hundred images created by Arroyo: vibrant, eclectic drawings, paintings, and collages that reflect and amplify the energy of Joyce's writing. Last winter, a man tried to break Marcel Duchamp's *Fountain* sculpture. The sculpted foot of Michelangelo's *David* was damaged in 1991 by a purportedly mentally ill artist. With each incident, intellectuals must confront the unsettling dynamic between destruction and art. Renowned art historian Dario Gamboni is the first to tackle this weighty issue in depth, exploring specters of censorship, iconoclasm, and vandalism that surround such acts. Gamboni uncovers here a disquieting phenomenon that still thrives today worldwide. As he demonstrates through analyses of incidents occurring in nineteenth and twentieth-century America and Europe, a complex relationship exists among the evolution of modern art, destruction of artworks, and the long history of iconoclasm. From the controversial removal of Richard Serra's *Tilted Arc* from New York City's Federal Plaza to suffragette protests at London's National Gallery, Gamboni probes the concept of artist's rights, the power of political protest, and how iconoclasm sheds light on society's relationship to art and material culture. Compelling and thought-provoking, *The Destruction of Art* forces us to rethink the ways that we interact with art and react to its power to shock or subdue. Eduardo Arroyo, 1983.
