Educating America:

Educating America Jack E. Bowsher, 1989 Public education can learn from corporate training programs Jack Bowsher who helped control a billion dollar a year budget as Director of Education at IBM now retired has a proven track record in education and training This book outlines an incisive workable program for the revival of our educational system Bowsher takes a close look at what s wrong with our schools and tells why many solutions don t work He then applies the best elements of corporate education such as incentives and accountability to public education arguing against blindly throwing more money and more teachers into an already troubled system **Educating America's Military** Joan

Johnson-Freese, 2013 This book offers a detailed examination of the professional military education system in the United States from a critical insider s perspective The mission of America s war colleges is to educate senior military officers in both the ways of war and the defence of peace But are these colleges doing the best job possible in carrying out that important mission Military education faces many demands including a lack of preparation by the students uneven quality of the faculty and confusion over the curriculum Many officers attend resident programs at the war colleges programs against the career advice of their leadership despite the fact that they are virtually guaranteed graduation after less than a year of study while others do their best to avoid it entirely As the professional military education system has come under increasing scrutiny and criticism some have even called for closing the war colleges That answer however does not serve the United States well especially in a complex globalized environment where military leaders need the best specialized education to prepare them for their future challenges This volume examines the system that created and supports the perpetuation of this system and why it is imperative that it be fixed Written by a faculty member at a military college with twenty years experience of the PME system this book will be of much interest to students of the US Military US politics and military education in general

Educating America Morris Finder, 2004-08-30 Morris Finder a student of Tyler s while teaching school in Chicago brings a insider s perspective to Tyler s work Finder bases his work on extensive interviews with Tyler and those who worked with him Tyler s letters to the author and the many articles and books that Tyler wrote making this an informed and knowledgeable view of an educator whose strong views and philosophy effect American schools to this day **BOOK JACKET**

Educating Voters for Rebuilding America Jack E. Bowsher, 2011-09-19 **NATIONAL CRISIS IN LEADERSHIP** Ten years ago our nation was on the right road to fiscal stability with four years of surpluses totaling 560 billion Unfortunately private and public sector senior executives made serious mistakes during the past decade resulting in our federal government being on the road to a financial meltdown This could lead to a long term and deep economic depression like the 1930s In **Educating Voters for Rebuilding America** Jack Bowsher takes a deep investigative look into how Americans can turn the country around To avoid many tax increases being discussed in Washington DC Bowsher argues that there must be systemic changes in many areas of our government and in the free enterprise system Only then will Americans enjoy economic prosperity higher

employment levels affordable education systems a balanced budget a modern nation wide energy system and much more Bowsher describes how these national goals can be achieved in this decade by implementing the required systemic changes and also shows how Social Security and Medicare benefits can be affordable in future years Voters must be educated on the major issues and challenges facing our nation Only they have the power to end the civil war between our two political parties by electing qualified candidates in the White House and Congress in 2012 Educate yourself today **Teaching America to the World and the World to America** R. Garlitz,L. Jarvinen,2012-08-06 A fresh analysis of the study of American foreign relations history this book shows the ways in which international education has shaped the US relationship with the world

Educating America in the 21st Century Vicki Ebeling,2002-11 For Parents Learn what you can do for your child how the education system works what free special services are available For Professionals Who Help Children Learn how you can advise parents help students improve at school handle crisis situations competently For Students Understand how you learn and remember how your opinion counts how to get into college For Everyone Discover how we can improve U S education and how you can make a difference *Teaching America about Sex* M. E. Melody,Linda M. Peterson,1999-05 This witty and provocative study of sex and marriage manuals reveals the patterns of permissiveness and prohibition and tellingly the mechanisms of suasion and enforcement from sermons and hellfire to mutilation and electroshock that have informed popular sex education over the past hundred and twenty years From the roaring 20s to the 1960s sexual revolution and after Teaching America about Sex reveals that even as sexual behavior changed during periods of upheaval the prescriptive literature on sex has remained traditional at its core promoting primarily sex within marriage for the purpose of reproduction

Essays in Twentieth-Century Southern Education Wayne Urban,2014-03-05 A comprehensive treatment of the defining issues race class reform regarding education in this century of the American South The approaches range from broad based historical comparisons to analyses of select case studies **Educational Programs** United States.
