*An Adventure in Service-Learning* Anto T. Kerins, 2016-04-08 *An Adventure in Service Learning* argues that education can provide not just knowledge and skills but it can also encourage the development of values and responsibility Service Learning is a teaching method unlike any other It allows students to use their classroom theory to help others through relevant service or volunteering activity In so doing it gives students the opportunity to use the experiences of helping others to strengthen their understanding of subject material Service learning is like a bridge that connects education with the outside world It breathes life and clarity into any subject and better prepares students for life after college *An Adventure in Service Learning* is a well written and easy to read book It introduces the newcomer to service learning and provides the seasoned practitioner with an important analysis of this most interesting of teaching methods Its discussion of learning and the role of higher education will interest educationalists and its consideration of service will be important to those who are concerned about community A passionate belief in education and its possibilities permeates *An Adventure in Service Learning* The book examines service learning in project management

leadership and management consultancy and provides readers with an understanding of how the method can work in any subject or discipline. It clarifies the need for community and discusses the nature and possibilities of what it means to be human. The book will help to renew and reinvigorate practitioners, policy makers and the education system as a whole.

Creating Successful Community and Academic Partnerships in Service-Learning Mary Elizabeth Rauktis, **Service Learning Through a Multidisciplinary Lens** Shelley H. Billig, Andrew Furco, 2002-10-01 *Co-Constructing and Sustaining Service Learning in Graduate Programs: Reflections from the Field* Hos, Rabia, Santos, Brenda, 2023-08-18

Ensuring doctoral students receive a well rounded and thorough education is critical for their future success. Service learning within the doctoral program is one of the many aspects that helps shape students' experiences and prepares them for life after graduation. *Co-Constructing and Sustaining Service Learning in Graduate Programs: Reflections from the Field* captures the experiences of doctoral students who were involved in socially just and sustainable service learning projects and what it meant for them to be engaged in scholarship through service learning. The book also illustrates what service learning looks like and should look like in higher education, particularly given the inequities that exist in the field of education. Covering key topics such as online education, academic identity and sustainable learning, this reference work is ideal for administrators, policymakers, researchers, scholars, practitioners, instructors and students.

Jagla,Joseph A. Erickson,Alan S. Tinkler,2013-12-01 *Transforming Teacher Education through Service Learning* provides a fresh look at educational reform through the lens of teacher preparation It poses the question Why service

learning now as it discusses the meaningful ways service learning pedagogy can transform the approaches used to prepare teachers to educate tomorrow's children. The pedagogy of service learning has significant implications for teacher education. Its transformative aspects have far-reaching potential to address teacher candidate dispositions and provide deeper understanding of diversity. Knowledge of the pedagogy and how to implement it in candidates' future classrooms could alter education to a more powerful experience of democracy in action and enhance the civic mission of schools. The current and ongoing research found within this volume is meant to continue support of the notion of educational reform. Because the vision we hold becomes the reality we experience, it is imperative to consider the question: Why service learning now as we adjust teacher preparation programs to promote engaging opportunities for today's youth? **Community-based**

**Transformational Learning in Early Childhood Settings** Christian Winterbottom, Vickie E. Lake, Adrien Malek-Lasater, 2024-06-03. This comprehensive research-based resource illuminates the challenges and benefits of integrating community-based transformational learning (CBTL) experiences of teachers, students, and the community in early childhood settings. Balancing historical context with theoretical underpinnings, ongoing research, and current practice, this multi-authored volume demystifies the praxeology of CBTL. It uses annotated case studies to explore the importance of considering contextual factors, i.e., cultural practices, community health, and demographics, and student level that may influence what early years students gain from CBTL experiences, and it encourages a community dialogue that is both challenging and affirming to support students' confidence in their own capacity to make a better world for all people. As the first CBTL book specific to early childhood settings, it is key reading for future teachers. It is also of great interest to current educators, administrators, and community organizers who want to help center CBTL as a vital part of early childhood curriculum.
