

Educating The Infant And Toddler

Karen Miller

Educating The Infant And Toddler:

Educating the Infant and Toddler Burton L. White, 1988 *On Being and Well-Being in Infant/Toddler Care and Education* Mary Benson McMullen, 2022 With its real life stories and invitations for reflection and conversation this book is an ideal professional development resource for pre and in service birth age 3 professionals The author shares lived experiences of being in four distinctly different baby rooms as a researcher over extended periods of time She frames each life story around elements of well being and asks readers to consider whether and how environmental and relational factors supported or hindered the physical psychological and emotional well being of the children and adults The author encourages readers to see themselves in the stories to consider how they may have acted in the circumstances described and to deliberate on their own practices and beliefs With empathy and respect McMullen fully conveys an intent to elevate celebrate and honor those who spend their days in infant toddler care and education while examining the critical role all adults in society play in the lives of our youngest citizens Book Features Invites personal reflection and discussion with colleagues in the form of prompts and questions after each story Provides a friendly but scholarly look at the spaces conditions and quality of birth to age three settings the area of fastest growing need in early childhood care and education ECCE Focuses on the well being of the adults and children featured in the book providing a holistic perspective on their needs motivations and experiences Emphasizes a here and now perspective in contrast to books that tend to focus primarily on preparing children for future outcomes and accomplishments **Wellbeing for Infants and Toddlers in Education and Care** Gloria Quinones, Andrea Delaune, 2025-06-16 This collection explores key issues related to infant and toddler wellbeing offering diverse international perspectives on how wellbeing is culturally understood Scholars from Drawing from Australia Aotearoa New Zealand Brazil Greece Norway Portugal and the UK present local conceptualizations that contribute to a broader global understanding of wellbeing The international contributors examine wellbeing as a crucial construct emphasising the importance of relationships health emotions imagination and professional practice in infant toddler education Their research covers various topics including transitions peer relationships love interactions with objects and environments conceptualisations of time pedagogical weaving Indigenous knowledge and intra connectedness This book highlights the significance of relationships between people places objects and time in shaping wellbeing It challenges readers to reconsider wellbeing as both central to pedagogy and deeply interconnected with humans non humans and vibrant environments Drawing on diverse theoretical frameworks and research projects the collection offers rich multifaceted insights into wellbeing across varied contexts **(Re)conceptualising Children's Rights in Infant-Toddler Care and Education** Frances Press, Sandra Cheeseman, 2022-10-11 This book brings together researchers from a variety of national contexts to examine and explore the conceptualisation reconceptualisation and translation of children s rights for infants and toddlers in early childhood education and care settings It brings together authors from various national contexts to examine changing

understandings and manifestations of infant and toddler rights in Early Childhood Education and Care The book aims to engender trans national dialogue through the contributions Through such dialogue both authors and readers are challenged to recognise the specificity of their own cultural contexts and thereby envision a more expansive view of infant and toddler rights By drawing together reflections on infant toddler rights from key early childhood researchers across the world this book will extend readers understandings of rights not only in terms of how rights are re conceptualised but also how to meaningfully translate the rights afforded in policy to practice
