Education And Cultural Studies Toward A Performative Practice:

Education and Cultural Studies Henry A. Giroux, Patrick Shannon, 2013-12-02 Although the disciplines of critical education and cultural studies have traditionally occupied separate spaces as they have addressed different audiences their concerns as well as the political and pedagogical nature of their work overlap Education and Cultural Studies brings members of these two groups together to demonstrate how a critical understanding of culture and education can transgressively implement broad political change All written from within this framework of cultural studies and critical pedagogy the contributors illuminate the possibilities and opportunities open to practicing educators In eschewing a romantic utopianism and in assessing the current climate of what is attainable and practical this book teaches us how we can begin to translate and perhaps even transform the vexing social problems that confront us daily Contributors include Carol Becker Harvey J Kaye David Theo Goldberg Jeffrey Williams Sharon Todd Douglas Kellner Deborah Britzman Jacqueline Reid Walsh Claudia Mitchell Cameron McCarthy Mike Hill Susan Searls Stanley Aronowitz Douglas Noble Kakie Urch Henry Giroux David Trend and Robert Mikilitsch Cultural Studies, Education, and Youth Benjamin Frymer, John Broughton, Matthew Carlin, 2011-07-01 Cultural Studies Education and Youth Beyond Schools edited by Benjamin Frymer Matthew Carlin and John Broughton addresses the new cultural landscapes which increasingly educate our youth With essays from both emerging and established scholars the book explores the ways media and popular culture have a growing impact on our youth their identities and everyday lives In our highly mediated world the nature of education has been dramatically transformed and taken way beyond the walls of our schools Identities are formed values learned and relationships developed in the worlds of pop culture and media spaces Each author brings a different lens to the study of education beyond the classroom From the re emergence of Che Guevara to the effects of an increasingly virtual culture this collection critically attends to the changing nature of education and the impact of culture in the lives of youth Cultural Studies Education and Youth Beyond Schools raises significant questions and offers important insights for teachers youth scholars and practitioners alike **The SAGE Handbook of Performance Studies** D. Soyini Madison, Judith Hamera, 2006 Publisher description **Cultural Studies** Lawrence Grossberg, Della Pollock, 2017-11-01 A collection of essays on the topical and familiar the future of reggae and the legend of Bob Marley community and the public body in breast cancer media activism and the redefinition of the Louvre are among the subjects discussed *Affective Capitalism in Academia* Daniel Nehring, Kristiina Brunila, 2023-01-16 Drawing on affect theory and research on academic capitalism this book examines the contemporary crisis of universities Moving through 11 international and comparative case studies it explores diverse features of contemporary academic life from the colonality of academic capitalism to performance management and the experience of being performance managed Affect has emerged as a major analytical lens of social research However it is rarely applied to universities and their marketisation Offering a unique exploration of the contemporary role of affect in academic labour and

the organisation of scholarship this book considers modes of subjectivation professional and personal relationships and organisational structures and their affective charges Chapter 9 is available Open Access via OAPEN under CC BY NC ND licence

From Hegel to Madonna Robert Miklitsch,1998-01-01 Moves from the discourses of dialectical negation to cultural populist affirmation that is from Hegel to Madonna Studies in order to envision a mode of critique that can persuasively describe and explain the cultural contradictions of late capitalism *Biotechnology, Education and Life Politics* Pádraig Murphy,2014-04-24 What should individuals and society do when genetic screening becomes widely available and with its impact on current and future generations still uncertain How can our education systems around the world respond to these developments Reproductive and genetic technologies RGTs are increasingly controversial and political We are entering an era where we can design future humans firstly by genetic screening of undesirable traits or indeed embryos but perhaps later by more radical genetic engineering This has a profound effect on what we see as normal acceptable and responsible This book argues that these urgent and biopolitical issues should be central to how biology is taught as a subject Debate about life itself has always been at the forefront of connected molecular genetic and social personal identity levels and each of these levels requires processes of communication and debate what Anthony Giddens called in passing life politics In this book P draig Murphy opens the term up with examples from field research in schools student responses to educational films exploring the future of RGTs and science studies of strategic biotechnology and the lab practices of genetic screening Life political debate is thoroughly examined and is identified as a way of connecting mainstream education of biology with future generations Biotechnology Education and Life Politics will appeal to post graduates and academics involved with science education science communication communication studies and the sociology of education **Encyclopedia of the Social and Cultural Foundations of Education: A-H ; 2, I-Z ; 3, Biographies, visual history, index** Eugene F.
