Henderson, 2000-09-01 Volume 2 in the two volume set about overcoming the odds in African American Education **Resources in Education**, 1999-04 **Urbanism Past & Present**, 1981 *Our Onward March* Jonathan D. Neu, 2025-03-04 Provides vital new evidence that Union veterans remained stubbornly opposed to the nation's reconciliationist tendencies and unwilling to surrender the causes for which they fought Union soldiers service to the nation did not end in 1865 Instead it persisted well into the twentieth century as hundreds of thousands of veterans joined the Grand Army of the Republic GAR and directed the reform and improvement of their communities through their fraternal membership in thousands of local posts around the country In *Our Onward March* Jonathan D Neu shows how Union veterans of the GAR drew on lessons they learned in the Civil War lessons about broad principles like democracy freedom and loyalty to undertake grassroots civic projects designed to address the rampant social ills and challenging foreign policy issues associated with US modernization Armed this time with sage wisdom and unwavering principles they mobilized again to consummate their wartime victory with reform minded activism on behalf of establishing an even more perfect Union Extending the boundaries of America's post Civil War era Neu investigates the GAR during the Progressive era a period in the organization's history that scholars have overlooked Countering stubborn notions that the GAR was merely a pension advocacy group or an insular bastion of sentimental nostalgia he reveals instead that the organization reached a turning point in 1890 after which it became an active and decentralized civic association whose members worked to instill a commitment to public life engagement with community issues and pride in the democracy they had defended as young men Anchored by illuminating new source material including post minute books and fraternal records *Our Onward March* places aging GAR members squarely among the diverse constellation of turn of the century social reformers using their memory of the Civil War to promote robust veteran led civic engagement By situating Union veterans in this context we see a more accurate portrait of the GAR post in American culture as a local center of progressive activism
