Dale Cluff,1990 This unique new volume considers how well new librarians are being prepared for the profession Here in one easy to reference volume are the valuable opinions perspectives and facts of those who influence library education those who are responsible for it and those who are the recipients of it Intended for those who are considering entering the library profession professors of library and information science current students in library school and for administrators of academic school public and special libraries that employ library school graduates this comprehensive volume features chapters that are both candid and philosophical In *Library Education and Employer Expectation* the question of preparation is discussed from several perspectives by individuals representing various aspects of the library profession Potential employers of those with library degrees spell out their expectations of potential employees voice their views on how well library education is preparing those who choose to go into the profession and give suggestions aimed to help library educators to better meet employer expectations Persons representing academic school public law health science and state libraries as well as a major network and the archival profession are among the contributors This volume also represents the library school perspective Deans of a public and private library school explain present library education philosophy tell of specific objectives of their schools indicate the type of student they like to attract spell out constraints under which they work and indicate expectations they have of future employers of their graduates Another important dimension presented is that of the recent graduate who has been on the job for a few years These authors indicate why they decided to go into the profession detail why they chose the library school they did tell what they expected to get out of library school education and spell out how well library school prepared them for the profession Another perspective represented in *Library Education and Employer Expectations* is that of the accreditation body A thorough coverage of the Committee on Accreditation s role in library education is given by the Chair of the committee An issue very much associated with the topic of library education and employer expectations is that of the value of the ALA accredited degree A recent study undertaken by a librarian reports on how Association of Research Libraries directors value the ALA accredited degree for potential employees Included in the study is a summary of what appears in job ads in the professional literature about ALA accredited degree requirements *Resources in Education* ,1998 *Library & Information Science Abstracts* ,2005

Global Action on School Library Education and Training Barbara A. Schultz-Jones,Dianne Oberg,2018-11-19 This book illuminates school librarian and teacher librarian education and training in light of the 2015 IFLA School Library Guidelines second edition The Guidelines provide a framework for effective service delivery to ensure that students and teachers have access to quality library services delivered by qualified librarians and information professionals The book focuses on moving professional practice forward translating the Guidelines into actions ensuring effective education and training and improved

practice The book highlights issues and concerns related to school librarian and teacher librarian education and training What attitudes skills and knowledge are required to inspire students and support teaching and learning effectively What curriculum content is required How are field and practical experiences integrated appropriately into face to face and online educational and training programmes How are leadership skills developed effectively Case studies and innovative educational and training programmes from around the world illustrate the diverse ways of preparing librarians for the roles identified in the Guidelines Topics covered include delivering school librarian credentialled programmes improving school librarian services providing professional development preparing and delivering educational and or cultural programmes and services managing human resources collection development of digital and print resources innovative aspects of technology use promotion and advocacy and evaluation and assessment

Research in Education ,1974 *Global Action on School Library Guidelines* Barbara A. Schultz-Jones,Dianne Oberg,2015-06-16 This book celebrates the new IFLA School Library Guidelines and shows how the Guidelines can be used in improving school library services Each chapter describes innovative initiatives for developing implementing and promoting school library guidelines The book provides inspiration and guidance for the creation of national school library standards and for the development and use of standards and guidelines to change school library practice to define the teaching role of school librarians to guide the initial preparation of school librarians and to advocate for school library services Contributors to the book come from around the world Australia Canada Ethiopia France Malaysia Norway Poland Portugal Spain Sweden and the United States Their work illustrates the shared commitment of school librarians around the world to teaching and learning for all as envisioned in the IFLA UNESCO School Library Manifesto

Library Services for Open and Distance Learning Marie Kascus,ALEXANDE L. SLADE,2000-06-15 As the electronic era blurs the boundaries between conventional and distance education and between remote and in person library users the literature on library issues and distance learning has proliferated immensely This work helps you keep abreast of the phenomenal changes taking place in the field of education and the issues they raise for libraries Identifying and describing more than 750 works published since its precursor was completed in 1995 the book provides a comprehensive record of the current literature about distance and open learning in post secondary education programs The authors cover all types of materials from around the world ranging from brief news items to major research reports and dissertations In this edition special emphasis is given to web based distance education Access is provided through four indexes author geographical institution and subject and indexes are cumulative from the previous two bibliographies

Library of Congress Subject Headings Library of Congress,2009 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2009 **Library of Congress Subject Headings** ,2005 **School Librarianship** Susan W. Alman,2017-02-10 This publication focuses on the past present and future impact of school librarians The contributors are recognized leaders within the information profession with expertise in school libraries and they chronicle

international issues in professional education scholarship organizations and the innovations of practitioners information that appeals to a global audience of professional educators practitioners and students involved in school libraries The book is divided into three parts with each chapter contributed by an individual who has made significant contributions to the profession Part 1 focuses on the history of school libraries and children s literature Part 2 provides a perspective on the current trends and opportunities for professional development and scholarship for school librarians and Part 3 offers views on the ways school librarians will interact with students and teachers in the future Readers will find authoritative information about the education professional associations scholarship and innovations that are occurring internationally and they will be inspired to perpetuate the legacy of school library advocacy established by Dr E Blanche Woolls The book will appeal to a global audience of professional educators practitioners and students involved in school libraries

Serving Library Users from Asia John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians *Encyclopedia of Library and Information Science* Allen Kent, Harold Lancour, William Z.
