Susan B. Martinez,2013-03-25 Reveals an ancient race of Little People the catalyst for the emergence of the first known
civilizations Traces the common roots of key words and holy symbols including the scarlet biretta of Catholic cardinals back
to the Little People Explains how the mounds of North America and Ireland were not burial sites but the homes of the Little
People Includes the Tuatha De Danaan the Hindu Sri Vede the dwarf gods of Mexico and Peru the Menhune of Hawaii the
Nunnehi of the Cherokee as well as African Pygmies and the Semang of Malaysia All cultures have stories of the First
People the Old Ones our prehistoric forebears who survived the Great Flood and initiated the first sacred traditions From the
squatch gods of Mexico and Peru to the fairy kingdom of Europe to the blond pygmies of Madagascar on every continent of the
world they are remembered as masters of stone carving agriculture navigation writing and shamanic healing and as a hobbit
people no taller than 31 2 feet in height yet perfectly proportioned Linking the high civilizations of the Pleistocene to the
Golden Age of the Great Little People Susan Martinez reveals how this lost race was forced from their original home on the
continent of Pan known in myth as Mu or Lemuria during the Great Flood of global legend Following the mother language of
Pan Martinez uncovers the original unity of humankind in the common roots of key words and holy symbols including the
scarlet biretta of Catholic cardinals and shows how the Small Sacred Workers influenced the primitive tribes that they
encountered in the post flood diaspora leading to the rise of civilization Examining the North American mound culture sites
including the diminutive adult remains found there she explains that these stately mounds were not burial sites but the
sanctuaries and homes of the Little People Drawing on the intriguing worldwide evidence of pygmy tunnels dwarf villages elf
arrows and tiny coffins Martinez reveals the Little People as the real missing link of prehistory later sanctified and
remembered as gods rather than the mortals they were Atlantis in the Caribbean Andrew Collins,2016-09-15 An in depth
investigation of the mounting evidence that Atlantis was located in the Bahamas and Caribbean near Cuba in particular
Explains how Atlantis was destroyed by a comet the same comet that formed the mysterious Carolina Bays Reveals evidence

of complex urban ruins off the coasts of Cuba and the Bahamas Shows how pre Columbian mariners visited the Caribbean and brought back stories of Atlantis s destruction Compares Plato s account with ancient legends from the indigenous people of North and South America such as the Maya the Quich and the Yuchi of Oklahoma The legend of Atlantis is one of the most intriguing mysteries of all time Disproving many well known Atlantis theories and providing a new hypothesis the evidence for which continues to build Andrew Collins shows that what Plato recounts is the memory of a major cataclysm at the end of the last Ice Age 13 000 years ago when a comet devastated the island of Cuba and submerged part of the Bahaman landmass in the Caribbean He parallels Plato s account with corroborating ancient myths and legends from the indigenous people of North and South America such as the Maya of Mesoamerica the Quich of Peru the Yuchi of Oklahoma the islanders of the Antilles and the native peoples of Brazil The author explains how the comet that destroyed Atlantis in the Caribbean was the same comet that formed the mysterious and numerous elliptical depressions known as the Carolina Bays found across the mid Atlantic United States He reveals evidence of sunken ruins off the coasts of both Cuba and the Bahamas ancient complexes spanning more than 10 acres that clearly suggest urban development and meticulously planned road systems Revealing the identity of Plato s opposite continent as ancient America Collins argues that Plato s story was first carried back to the Mediterranean world by trans Atlantic mariners such as the Phoenicians and Carthaginians as early as the first millennium BC He offers additional ancient trans Atlantis trade evidence from Egyptian mummies Roman shipwrecks in the Western Atlantic and the African features of giant stone heads in Mexico Piecing together the final days of Atlantis and the wildfires earthquakes tsunamis days of darkness and advancement of ice sheets that followed the ancient comet s impact Collins establishes not only that Atlantis did indeed exist but also that remnants of it survive today most obviously in Cuba Atlantis s original central island

The Message on My Arm HERMANELI TORREVILLAS,2014-09-26 This new book sheds light on the existence of Extraterrestrial Beings Author H Torrevillas M D invites readers to embark on a fascinating journey to unlock some of lifes greatest mysteries The author shares his many encounters that made him lean towards the study of intuitive feelings as well as psychic phenomena that relate to the mystifying world of the unknown From the cradle to the grave our parents peers institutions and society form our values and behavior but this process has been hijacked This book opens our minds to the fact that unknown to us for generations we have allowed dictators power brokers and corporate puppeteers to profit from our ignorance and enslavement From the anvil of compulsory schooling to media and entertainment we are being kept in bondage to ideas that shape our actions But the author is optimistic that we can overcome negative forces that control our minds and those of our leaders He had been in a quandary in his early years regarding paranormal happenings in his life Rather than ignore them as skeptics are inclined to do Dr Torrevillas regarded them as significant in his life

The National Union Catalog ,1973 **2012: Extinction or Utopia** J. Allan Danelek,2010-09-08 Is 2012 the end of the world as we know it From 2012 to global warming to worldwide pandemics

doomsday scenarios play an increasingly large role in our lives Do any of these apocalyptic scenarios pose a real urgent risk Why does our modern culture continue to embrace these bleak beliefs and how are they affecting our world Separating hype from truth J Allan Danelek scrutinizes the ancient Mayan calendar s end date of 2012 and takes a hard look at whether it spells the end of the world or a new beginning Danelek also delves into other doomsday beliefs past and present from biblical end times prophecies to biological warfare and discusses the predictions of world famous prophets such as Nostradamus and Edgar Cayce With piercing logic Danelek objectively explores the apocalyptic threats that have captured our imagination and reveals startling insights about what kind of future dire or dazzling awaits humanity **The First Mythology** Alfred

Sylvester Jr.,2019-09-17 For over 35 years I have searched books and the past trying to solve Alchemy The magic of the Philosophers Stone Turn lead to gold A cure all medicine The fountain of youth Was it just wishful thinking or is there a basis of fact I soon learned the subject had lasted as a rumor mythology or perhaps just as an idea Something I believed had to be there something was overlooked Now it seems that the something had not been overlooked instead was hidden from the masses for many reasons That something will astound you will surprise you yet you will know it is truth Who would have thought that Genesis was really about the yearly cycle That the process of making the stone is really about the understanding of the creation Also that the stone is about how nature can and does handle matter Now with art man and nature I found more can be done with matter and so perfect it You will see that matter handled correctly is purified over time and within shape That shape is a glass pyramid oven You may know of it as the firmament This is the magic and produces a substance that convinced man of God You will see that this power of generation is the God of early man and finding the purified matter led to several things First the process of Genesis though I am not sure what it originally was called That process led to astrology and the naming and defined understanding of those constellations passing overhead Finally it led to a religion which was that of Isis and Osiris When understood you will see that those are the religions of today and little has changed You will then know why all of this was hidden from you Lastly you will know the All and want to make this substance You will understand that you re a part of and maintained by this system That we need to maintain it before we cause it to destroys us This is then Alchemy understood the enchanting power of transformation Synopsis Andrew D.
