**An Edith Stein Daybook** Edith Stein, Maria Amata Neyer, Susanne M. Batzdorff, 1994-09-01 [Edith Stein the Life of a Philosopher and Carmelite](#) Teresa Renata Posselt OCD, 2012-06-29 Having been out of print for half a century the original text is here re edited and enhanced by scholarly perspectives and updated and corrected in the light of knowledge which was not available to the author at the time Book includes 9 photos More Information Enriched by a broader range of contemporary literature about the philosopher educator spiritual writer and victim of the catastrophe that engulfed her as part of her Jewish people this new presentation of the biography everyone cites so frequently brings the reader closer to the real Edith Stein The editors have avoided weighing down this engaging life story with intrusive scholarly notes and commentaries Instead they have relegated such material to a separate section of Gleanings This gives the reader the option of enjoying the biography unencumbered by supplementary matter or delving into the Gleanings when desired The three editors translators are close to the Stein family as well as to her Carmelite family which she entered in 1933 Susanne Batzdorff is Edith Stein's niece who has known her in person Josephine Koeppel and John Sullivan are both Carmelites who have occupied themselves with the life and work of the saint and have talked with several Carmelite religious who lived with Edith Stein Complementing their notes and comments that deepen the knowledge of the famous phenomenologist and Carmelite is an insightful Foreword contributed by Sr Amata Neyer OCD who knew Posselt personally She has served as prioress of the Cologne Carmel and as archivist for its Edith Stein Archive

**Edith Stein** Maria Ruiz Scaperlanda, 2017 In the wake of World War I when neither Jews nor women were widely accepted in academia Edith Stein rose to prominence as a leading intellectual in Germany She was a passionate and brilliant philosopher who lived and thrived in the intellectual university community of Germany She was also a young Jewish woman who shocked her intellectual community when she fell in love with Jesus Christ and became a Roman Catholic More shocking still eleven years later Edith entered the cloistered Carmelite order to follow a

life of mystic and contemplative prayer in the cloister under the name Teresa Benedicta of the Cross Edith Stein's surrender to grace is all the more visible because of the dark night that enveloped the period of history in which she lived and died years when millions of men and women including Edith Stein herself were systematically murdered by the Nazi regime in the name of diligent ethnic cleansing Today as the meaning of feminism is lost in a world of relativism Edith Stein provides a model for a true feminist woman who authentically integrates faith family and work In these pages award winning journalist Maria Ruiz Scaperlanda brings new light to this complex woman her culture and the pivotal period of history in which she lived and died More than a biography these pages paint a multifaceted portrait of Edith Stein as seen by scholars friends and relatives and by Catholics and Jews alike You'll gain new insights into the complex aspects of her life and death as well as the impact of her character and personality on those who knew her But most of all you will enter into the interior life of this woman of Jewish descent who transformed her entire life because of her encounter with Jesus Christ an encounter that led her from the depths of atheism to the heights of sainthood Edith Stein, 1960 **Communion with Christ** M. Regina Van Den Berg, 2015-01-28 Pope Saint John Paul II declared that the great challenge for Christians today is to become the home and school of communion St Teresa Benedicta Edith Stein is a sure guide to attaining the communion for which every human heart longs This work considers St Teresa's life and writings in the context of the spirituality of communion As a philosopher she was directed towards attaining communion with the Truth and she discovered that Truth was a Person Jesus Christ As a Carmelite nun she gave up everything for communion with him Dr Alice von Hildebrand in the foreword says Edith Stein's message is above her time and that the author Sister M Regina van den Berg F S G M is well qualified to write such a book Sister Regina explores in detail Edith Stein's theory of empathy as developed in her doctoral dissertation as well as her later theory of community Sister Regina has also used a number of Edith Stein's writings that until this work have not yet been available in English translation Each chapter explores an aspect of communion richly revealing the wisdom of Edith Stein a Jew who became a philosopher a convert to Catholicism who became a Carmelite nun and crowned her life with martyrdom Stein's work provides insights that can help us to grow in the spirituality of communion first by presenting to us the truth about the human person's nature and vocation and then by showing us how we can arrive at a spirituality of communion in the various aspects of life **The Seeker's Guide to Mary** Maria Ruiz Scaperlanda, 2002 The Seeker's Guide to Mary presents a balanced and insightful examination of the life of Mary To many Christians Mary is a mystery Author Maria Ruiz Scaperlanda introduces us to Mary through scriptural references historical perspective and Christian devotion **Edith Stein The Life of a Philosopher and Carmelite** Teresa Renata Posselt, OCD, 2005 Teresa Renata Posselt O C D was the Novice Director then Mother Prioress of the Cologne Carmel when Edith Stein lived there This is Posselt's tribute to Saint Edith Stein a wreath of recollections lovingly woven together It is also the first ever biography published about that Great Woman of the Twentieth Century from back cover *The Collected Works of Edith Stein* Edith Stein (sainte.), 1986

*Edith Stein Ex Libris* ,2021-12-10 Each volume in the Ex Libris series provides a glimpse into the writings of a renowned Catholic author introducing the spirituality and thought of a great man or woman of faith Saint Edith Stein 1891 1942 also known as Sister Teresa Benedicta of the Cross was born in Breslau Germany of devout Jewish parents In adolescence she became an atheist She went on to study philosophy with one of the greatest thinkers of the time Edmund Husserl and became a prolific writer and lecturer Her search for truth led her to become Catholic and she later joined the Carmelite Order where her writings took on a more theological and spiritual tone In these excerpts from the writings of Edith Stein discover the authentic beauty of her honest pursuit of truth her sincere desire to sacrifice for the good of others and her joyful and generous correspondence with friends Questions for personal study and group discussion are also included Book jacket
