

A black and white portrait of a man, Louis I. Jaffé, wearing a fedora hat, a suit, and a tie. He is smiling slightly and looking towards the camera. The background is a textured, light-colored surface.

*The Life of
Louis I. Jaffé*

EDITOR FOR JUSTICE

ALEXANDER S. LEIDHOLDT

Editor For Justice The Life Of Louis I Jaffe

Brendan G. Carr

Editor For Justice The Life Of Louis I Jaffe:

Editor for Justice Alexander S. Leidholdt, 2002-05-01 From his assumption of the Norfolk Virginian Pilot's editorial helm in 1919 until his death in 1950 Louis Isaac Jaff served as one of the South's leading and most respected liberal journalists. Prejudice he faced as a Jew created in him an abiding empathy with the downtrodden and his World War I military service and subsequent Red Cross work deepened his sensitivity to injustice. Alexander Leidholdt's new biography maps the battlefield of intolerance and civil rights violations on which Jaff fired his journalistic salvos and explores the complexities of a man who was poised to become a national spokesman for a better South. Jaff worked ceaselessly to advance racial understanding successfully lobbying locally for black parks and beaches, black police and a black college. A high point of Leidholdt's book is the account of Jaff's attacks on mob justice, a stirring record of one writer's response to what he saw as inexcusable moral sluggishness in civil authorities. For his campaign urging Virginia lawmakers to adopt stiff antilynching legislation he earned the 1929 Pulitzer Prize for distinguished editorial writing. Achieving a poignant balance between Jaff's significant professional accomplishments and the private pains he bore including anti-Semitism, a mentally unstable wife and an estranged son, this superb study demonstrates how Jaff's difficulties limited him as an active liberal reformer but also fueled his prescient and impassioned warnings against Hitler's rise to power in the early thirties. Drawing extensively from primary source material, much of it previously unexamined, Editor for Justice makes an important contribution to journalism and to southern Jewish and black history. Readers will treasure the depiction of an extraordinary champion of human rights.

A New Vision of Southern Jewish History Mark K. Bauman, 2019-05-14 Winner of the 2023 Southern Jewish Historical Society Book Award. Essays from a prolific career that challenge and overturn traditional narratives of southern Jewish history. Mark K. Bauman, one of the foremost scholars of southern Jewish history working today, has spent much of his career as he puts it, rewriting southern Jewish history in ways that its earliest historians could not have envisioned or anticipated and doing so by specifically targeting themes and trends that might not have been readily apparent to those scholars. A New Vision of Southern Jewish History Studies in Institution, Building, Leadership, Interaction, and Mobility features essays collected from over a forty-year career, including a never-before-published article. The prevailing narrative in southern Jewish history tends to emphasize the role of immigrant Jews as merchants in small southern towns and their subsequent struggles and successes in making a place for themselves in the fabric of those communities. Bauman offers assessments that go far beyond these simplified frameworks and draws upon varieties of subject matter, time periods, locations, tools, and perspectives over three decades of writing and scholarship. A New Vision of Southern Jewish History contains Bauman's studies of Jewish urbanization, acculturation, and migration; intra and inter-group relations; economics and business; government; civic affairs; transnational diplomacy; social services; and gender, all complicating traditional notions of southern Jewish identity. Drawing on role theory as informed by sociology, psychology, demographics, and the nature and dynamics of leadership, Bauman

traverses a broad swath often urban of the southern landscape from Savannah Charleston and Baltimore through Atlanta New Orleans Galveston and beyond the country to Europe and Israel Bauman's retrospective volume gives readers the opportunity to review a lifetime of work in a single publication as well as peruse newly penned introductions to his essays The book also features an Additional Readings section designed to update the historiography in the essays **Ku Klux Kulture** Felix Harcourt, 2017-11-22 A study of the Ku Klux Klan's efforts to interact with American culture in the 1920s In popular understanding the Ku Klux Klan is a hateful white supremacist organization In *Ku Klux Kulture* Felix Harcourt argues that in the 1920s the self-proclaimed Invisible Empire had an even wider significance as a cultural movement *Ku Klux Kulture* reveals the extent to which the KKK participated in and penetrated popular American culture reaching far beyond its paying membership to become part of modern American society The Klan owned radio stations newspapers and sports teams and its members created popular films pulp novels music and more Harcourt shows how the Klan's racist and nativist ideology became subsumed in sunnier popular portrayals of heroic vigilantism In the process he challenges prevailing depictions of the 1920s which may be best understood not as the Jazz Age or the Age of Prohibition but as the Age of the Klan *Ku Klux Kulture* gives us an unsettling glimpse into the past arguing that the Klan did not die so much as melt into America's prevailing culture Praise for *Ku Klux Kulture* A superb piece of scholarship Harcourt is particularly good at showing how anti-Klan cultural productions helped legitimize the Klan's views The New Republic An impressive work of archival history The book is essential reading because it shows that rather than a radical fringe group the 1920s KKK was a central well-respected part of white Protestant culture The Forward An intriguing exploration of the rise and fall of the second iteration of the Ku Klux Klan Recommended Choice *Elusive Equality* Jeffrey L. Littlejohn, Charles Howard Ford, 2012 In *Elusive Equality* Jeffrey L. Littlejohn and Charles H. Ford place Norfolk Virginia at the center of the South's school desegregation debates tracing the crucial role that Norfolk's African Americans played in efforts to equalize and integrate the city's schools The authors relate how local activists participated in the historic teacher pay parity cases of the 1930s and 1940s how they fought against the school closures and Massive Resistance of the 1950s and how they challenged continuing patterns of discrimination by insisting on crosstown busing in the 1970s and 1980s Despite the advances made by local activists however Littlejohn and Ford argue that the vaunted urban advantage supposedly now enjoyed by Norfolk's public schools is not easy to reconcile with the city's continuing gaps and disparities in relation to race and class In analyzing the history of struggles over school integration in Norfolk the authors scrutinize the stories told by participants including premature declarations of victory that laud particular achievements while ignoring the larger context in which they take place Their research confirms that Norfolk was a harbinger of national trends in educational policy and civil rights Drawing on recently released archival materials oral interviews and the rich newspaper coverage in the Journal and Guide Virginian Pilot and Ledger Dispatch Littlejohn and Ford present a comprehensive multidimensional and unsentimental analysis of the century-long effort to gain

educational equality A historical study with contemporary implications their book offers a balanced view based on a thorough sober look at where Norfolk's school district has been and where it is going Jewish American Chronology Mark K. Bauman, 2011-06-07 This comprehensive and analytical history of American Jews and Judaism from the Colonial Era to the present explores the impact of America on Jews and of Jews on America Covering more than four centuries from the Colonial Era forward Jewish American Chronology offers an introduction to the history of American Jews and Judaism using individual examples personality profiles and illustrations to bring fundamental patterns and major themes to life Arranged chronologically the entries illustrate how a variety of different Jewish groups and individuals have adapted to America both changing in accordance with time and place and retaining tradition and culture even as they became thoroughly American Readers will learn how Jews have created community and institutions confronted anti-Semitism and interacted among themselves and with other groups They will read about immigration migration and socioeconomic mobility And they will discover how Jews have filled critical economic niches contributed disproportionately in a variety of endeavors and changed over time and in reaction to circumstances In this wide ranging work Jewish Americans are depicted in a balanced and accurate manner describing Nobel Prize winners and standout economic success stories as well as those who achieved fame and notoriety in other ways Race Harmony and Black Progress Mark Ellis, 2013-10-16 Founded by white males the interracial cooperation movement flourished in the American South in the years before the New Deal The movement sought local dialogue between the races improvement of education and reduction of interracial violence tending the flame of white liberalism until the emergence of white activists in the 1930s and after Thomas Jackson Jack Woofert Jr a Georgia sociologist and an authority on American race relations migration rural development population change and social security maintained an unshakable faith in the effectiveness of cooperation rather than agitation Race Harmony and Black Progress examines the movement and the tenacity of a man who epitomized its spirit and shortcomings It probes the movement's connections with late 19th century racial thought Northern philanthropy black education state politics the Du Bois Washington controversy the decline of lynching the growth of the social sciences and New Deal campaigns for social justice **Choice**, 2002 *The White House Looks South* William E. Leuchtenburg, 2005-10-01 Perhaps not southerners in the usual sense Franklin D Roosevelt Harry S Truman and Lyndon B Johnson each demonstrated a political style and philosophy that helped them influence the South and unite the country in ways that few other presidents have Combining vivid biography and political insight William E Leuchtenburg offers an engaging account of relations between these three presidents and the South while also tracing how the region came to embrace a national perspective without losing its distinctive sense of place According to Leuchtenburg each man had one foot below the Mason Dixon Line one foot above Roosevelt a New Yorker spent much of the last twenty five years of his life in Warm Springs Georgia where he built a Little White House Truman a Missourian grew up in a pro Confederate town but one that also looked West because of its history as the entrepôt for the Oregon Trail Johnson

who hailed from the former Confederate state of Texas was a westerner as much as a southerner Their intimate associations with the South gave these three presidents an empathy toward and acceptance in the region In urging southerners to jettison outworn folkways Roosevelt could speak as a neighbor and adopted son Truman as a borderstater who had been taught to revere the Lost Cause and Johnson as a native who had been scorned by Yankees Leuchtenburg explores in fascinating detail how their unique attachment to place helped them to adopt shifting identities which proved useful in healing rifts between North and South in altering behavior in regard to race and in fostering southern economic growth The White House Looks South is the monumental work of a master historian At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people s lives and that presidents can be change makers

The Columbia History of Jews and Judaism in America Marc Lee Raphael, 2009-10-22 This collection focuses on a variety of important themes in the American Jewish and Judaic experience It opens with essays on early Jewish settlers 1654 1820 the expansion of Jewish life in America 1820 1901 the great wave of eastern European Jewish immigrants 1880 1924 the character of American Judaism between the two world wars American Jewish life from the end of World War II to the Six Day War and the growth of Jews influence and affluence The second half of the volume includes essays on Orthodox Jews the history of Jewish education in America the rise of Jewish social clubs at the turn of the century the history of southern and western Jewry Jewish responses to Nazism and the Holocaust feminism s confrontation with Judaism and the eternal question of what defines American Jewish culture Original and elegantly crafted The Columbia History of Jews and Judaism in America not only introduces the student to a thrilling history but also provides the scholar with new perspectives and insights

The Book Review Digest ,2003 **The History of the Supreme Court of the United States** William M. Wiecek, 2006-01-23 The Birth of the Modern Constitution recounts the history of the United States Supreme Court in the momentous yet usually overlooked years between the constitutional revolution in the 1930s and Warren Court judicial activism in the 1950s 1941 1953 marked the emergence of legal liberalism in the divergent activist efforts of Hugo Black William O Douglas Frank Murphy and Wiley Rutledge The Stone Vinson Courts consolidated the revolutionary accomplishments of the New Deal and affirmed the repudiation of classical legal thought but proved unable to provide a substitute for that powerful legitimating explanatory paradigm of law Hence the period bracketed by the dramatic moments

of 1937 and 1954 written off as a forgotten time of failure and futility was in reality the first phase of modern struggles to define the constitutional order that will dominate the twenty first century Congressional Record United States.

Congress,1950 **Report of the President, Acting Through the Attorney General, on the Feasibility of Establishing an Environmental Court System** United States. Department of Justice. Land and Natural Resources Division,1973

Harvard Law Review ,1927 *Congressional Record* United States. Congress,1974 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

Report of the President, Acting Through the Attorney General, on the Feasibility of Establishing an Environmental Court System United States. President (1969-1974 : Nixon),William M. Cohen,1973

The Southern Workman ,1928 The May or June issue of 1900 1939 includes the report of the institute s president for 1900 1939 **The Political Thought of Justice Antonin Scalia** James B. Staab,2006-05-04 The Political Thought of Antonin Scalia A Hamiltonian on the Supreme Court traces Justice Antonin Scalia s jurisprudence back to the political and constitutional thought of Alexander Hamilton Not only is there substantial agreement between these two men in the areas of constitutional interpretation federalism separation of powers executive and judicial power but the two men also have similar temperaments bold decisive and principled By examining the congruence in thought between Hamilton and Scalia it is hoped that a better and deeper understanding of Justice Scalia s jurisprudence will be achieved While an abundance of scholarship has been written on Justice Scalia no one has systematically examined his political philosophy This book also draws out the important differences between Justice Scalia s jurisprudence and that of the other conservative members of the Court the late Chief Justice William Rehnquist and Justices Sandra Day O Connor Anthony Kennedy and Clarence Thomas

This Captivating Realm of E-book Books: A Comprehensive Guide Unveiling the Pros of E-book Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and ease of access, have freed readers from the limitations of physical books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in bookstores. E-book devices, sleek and portable, effortlessly store an wide library of books, allowing readers to immerse in their favorite reads whenever, everywhere. Whether traveling on a busy train, lounging on a sun-kissed beach, or simply cozying up in bed, E-book books provide an exceptional level of ease. A Reading World Unfolded: Discovering the Wide Array of Kindle Editor For Justice The Life Of Louis I Jaffe Editor For Justice The Life Of Louis I Jaffe The E-book Store, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every readers taste and choice.
