never does what he is told On his arrival in the town he has checked into the spa hotel u and tried to develop two affairs a mildly successful affair with a younger woman whose breasts are lavish and a much less successful affair with an even younger woman whose breasts are the smallest he has ever known And intermittently he has tried to secure the paperwork for the villa he never wanted But gradually in the tribulations of his bureaucracy u which has now lasted for weeks as Haffner has discovered rather than minutes u he discovers that he wants this villa very much Now that he has to fight for it he wants it There are two character notes to Haffner he is an egotist and he adores women A mediocre man but a man of singular appetite And so it is that harried by his family pursued by his women menaced by bureaucrats negotiating with the mafia riven by his memory of the dead and of the missing Haffner endures his many humiliations as he tries to orchestrate his final escape in the forgotten centre of Europe Through the story of his couplings and uncouplings emerge the stories of Haffner s Twentieth Century How can you ever desert from your past your family your history That has been the problem of Haffner s life How do you remain a libertine A novel about the fall of empires and the beauty of defeat The Escape is a swift sad farce of sexual mayhem
