Education For Special Needs Principles And Practice In Camphill Schools:

Education for Special Needs Henning Hansmann, 1992 Education for Special Needs provides a unique introduction to Rudolf Steiner's ideas on the education of children with special needs particularly as practised in the Camphill movement. Curative education aims to treat children with intellectual and sensory handicaps or nervous and emotional disturbances through predominantly pedagogical means. It draws on insights from psychiatry, paediatrics, psychology, sociology, education and the philosophy of Rudolf Steiner. This book looks at the underlying principles of Steiner's approach to education and at how the educational curriculum of the Waldorf schools is adapted for the special needs of the handicapped. Spiritual

Healing with Children with Special Needs Bob Woodward, 2007-03-15 This book gives a fascinating account of individual healing sessions with children with complex special needs and moderate to severe learning difficulties. Drawing on his extensive experience, Bob Woodward shows how spiritual healing can help children with special needs to achieve peace and relaxation.

Holistic Special Education Robin Jackson, 2024-04-30 Parents working with special needs children often face difficult decisions about the child's education. This book puts forward the case for holistic special education as practiced by Camphill schools. Written by people involved in holistic special education on a daily basis, this book is a candid, informative manual which will be valued by parents and professional children's workers alike.

Promoting Inclusive Practice Lani Florian, Richard Rose, Christina Tilstone, 2002-09-11 Very hot topic: inclusion is the education policy here to stay. Addresses all of the areas where inclusion is an issue, so has broad appeal. Is clear and digestible. Very well known editors and a range of contributors. Full of practical examples and case studies. Christina is editor of The British Journal of Special Educational Needs.

Anthroposophic Medicine for all the Family Sergio Maria Francardo, 2017-04-18 This invaluable book not only provides practical suggestions and advice regarding common medical issues and ailments but also presents the fundamental principles of anthroposophic medicine. It explains the underlying picture of disorders in the human organism and the therapeutic approach of anthroposophic medical practice, giving answers to the questions that in an ideal world a patient would like to discuss at length with his or her doctor. Anthroposophic Medicine for all the Family illustrates some of the key remedies and procedures used in the treatment of common ailments as diverse as influenza, asthma, menstrual pain, sunburn, hypertension and childhood illnesses. It provides support for anyone seeking to improve their health whilst involving the reader in a conscious process of healing and self-development.

Utopias in American History Jyotsna Sreenivasan, 2008-10-24 An insightful look at the long tradition of communal societies in the United States from colonial times to the present, examining their ideological foundations, daily life and relationships to mainstream American society. With this volume, a fascinating yet often overlooked part of the American story is brought to the forefront. In Utopias in American History, independent scholar Jyotsna Sreenivasan makes the case that from the founding of the American colonies to the hippie communes of the 1960s to the cohousing movement which started in the 1990s, the United States has the most
