Education in Sexuality Glencoe Staff, Mary Bronson Merki, 1993-01-01      *Glencoe Health, A Guide to Wellness, Modules, Education in Sexuality* McGraw-Hill Education, 1998-08-21 Print student edition      **Glencoe Health, Human Sexuality Student Edition** McGraw Hill, 2003-05-29      Glencoe Health Module, Education In Sexuality Student Edition McGraw-Hill, 1995-08-31      Global Perspectives on Gender and Sexuality in Education Elinor L. Brown, Guichun Zong, 2017-05-01 International Advances in Education Global Initiatives for Equity and Social Justice is an international research monograph series that contributes to the body of inclusive educational policies and practices focused on empowering society's most vulnerable groups raising the ethical consciousness of those in positions of authority and encouraging all to take up the mantle of global equity in educational opportunity economic freedom and human dignity Each themed volume in this series draws on the research and innovative practices of investigators academics educators politicians administrators and community organizers around the globe This volume consists of three sections each centered on an aspect of gender equity in the context of education The chapters are drawn from a wide range of countries including Australia China Gambia India Italy Kenya Kyrgyzstan Laos Slovenia Swaziland Grenada Jamaica Trinidad Tobago The United States and Turkey addressing issues of gender equity citizenship education egalitarianism in sexual orientation and strategies to combat human trafficking The 15 chapters document both the progress and challenges facing those who strive for gender equity in access to education the portrayal of women in curricula and the acceptance of diverse sexual orientations within differing country contexts and provide an overview of promising policies practices and replicable successful programs      **The Moral Panics of Sexuality** B. Fahs, M. Dudy, S. Stage, 2013-09-12 A provocative feminist analysis of the moral panics of sexuality this interdisciplinary edited collection showcases the range of historical and contemporary crises we too often suppress including vagina dentata vampires cannibalism age appropriateness breast cancer menstrual panics and sex education      **Marriage and the Family** Julie Xuemei Hu, Shondrah Tarrezz Nash, 2019-04-23 Marriage and the Family Mirror of a Diverse Global Society is a comprehensive text about marriage and the family in sociology family science and diversity studies The book is divided into four parts studying marriage patterns and understanding family diversity developing and maintaining intimate relationships tackling family issues and managing household crises and appreciating contemporary living arrangements in a diverse American society and across the global community Marriage and the Family is unique in its focus on diversity as well as its global perspective Diversity Overview boxes feature vignettes of family diversity in America Global Overview boxes invite students to experience family life in different areas of the world Indeed families become a mirror that helps students see a diversifying American society and a globalizing world      **Sexuality in Close Relationships** Kathleen McKinney, Susan Sprecher, 2014-05-22 This is one of the first volumes to examine the interface between research undertaken in sexuality and that in close relationships from a social

psychological perspective Experts from several different disciplines offer chapters that contain theory extant literature and their own original research on such topics as jealousy extradyadic sexuality communication love and sexual coercion Aimed at a fairly wide audience this book will be of interest to students faculty and other professionals in social psychology sociology communication and family and women s studies It is also a valuable source of information for teachers researchers and clinicians working in the areas of human sexuality and or close relationships

**HIV/AIDS Guidelines for Special Education Populations** New Mexico. Department of Education, 1991

Globalizing Education, Educating the Local Ian Stronach, 2009-12-16 Provides a critical account of how contemporary educational knowledge is put together and presented in the global knowledge economy redefining the actors in the education process including principally the child pupil and learner but also the teacher parent inspector and policy maker

Sexuality and Women with Learning Disabilities Michelle McCarthy, 1999 Sexuality and Women with Learning Disabilities makes a significant contribution to both feminist and disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis

Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively

Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors

CSPRD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly

about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy's findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this vulnerable group and advises on education support and seeking justice for abused women Glencoe Health, Softcover Human Sexuality - 2014 Student Edition

BRONSON, McGraw-Hill Education, 2014-05-30 *Glencoe Health* Mary Helen Bronson, 2022 The Encyclopædia of Sexual Behaviour Albert Ellis, Albert Abarbanel, 2013-10-22 The Encyclopædia of Sexual Behaviour Volume Two is an encyclopedia of sexual behavior and covers topics ranging from the linguistic aspects of sex to sex life in Latin America sex in the literature and sexual love Laws on marriage and family and on sex crimes are also discussed along with sexual perversions and the art of loving Comprised of 52 chapters this volume first deals with Judaism's attitudes and teachings on sex particularly with regard to the sexuality of women nudity and prostitution The reader is then introduced to the connection between language and sex sex life in regions such as Latin America the Orient and the Soviet Union and the portrayal of sex in literature Subsequent chapters explore sexual love as opposed to altruistic love marriage and family living menopause and the menstrual cycle movement and feeling in sex the interrelationship of music and sex and the effects of nutrition and health on sexuality Other chapters focus on phallicism and sexual symbolism planned parenthood around the world the psychology of pornography human reproduction and sex in relation to race and Protestantism This book will be of interest to psychologists and psychiatrists **Black Masculinity and Sexual Politics** Anthony J. Lemelle, Jr., 2010-04-26

This book is about how African American males experience masculinity politics and how U S sexism and racial ranking influences relationships between black and white males Lemelle argues that the only way to accommodate African American males is to eliminate sexism particularly as it appears in the organization of families *Human Sexuality; Physiological, Psychological, and Sociological Factors* James Leslie McCary, 1973 Sexual Fields Adam Isaiah Green, 2022-12-22 In the late modern period an unprecedented expansion of specialized erotic worlds has transformed the domain of intimate life Organized by appetites and dispositions related to race ethnicity class gender and age these erotic worlds are arenas of sexual exploration but also sites of stratification and dominion wherein actors vie for partners social significance and esteem These are what Adam Isaiah Green calls sexual fields which represent a semblance of social life for which he offers a groundbreaking new framework To build on the sexual fields framework Green has gathered a distinguished group of

scholars who together make a strong case for sexual field theory as the first systematic theoretical innovation since queer theory in the sociology of sexuality Expanding on the work of Bourdieu Green and contributors develop this distinctively sociological approach for analyzing collective sexual life where much of the sexual life of our society resides today Coupling field theory with the ethnographic and theoretical expertise of some of the most important scholars of sexual life at work today Sexual Fields offers a game changing approach that will revolutionize how sociologists analyze and make sense of contemporary sexual life for years to come

### **The Continuum Complete International Encyclopedia of Sexuality**

Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language

*Resources in Education*, 1994

*Forced Sexual Intercourse in Intimate Relationships* Ida M. Johnson, Robert T. Sigler, 2018-12-18 Published in 1997 Literature is reviewed relating to those behaviours which have traditionally been referenced as date rape acquaintance rape or rape by a friend or someone known to the victim Forced sexual intercourse in intimate relationships is placed in both an historical context and a conceptual context Limited published and unpublished data from the authors research are included in appropriate chapters The theory chapter ends with the presentation of a rudimentary model for examining forced sexual intercourse in intimate relationships developed by the authors The topics of domestic violence courtship violence and forced sexual intercourse are highly controversial and tend to be dominated by those who are promoting specific political agendas Much of the work in this field has been written from the feminist perspective with recent works appearing which oppose the feminist perspective This work is neither feminist nor anti feminist in its approach It is analytical and as much as possible in a politized environment analytical and neutral
