Student Engagement in Neoliberal Times Nick Zepke, 2016-12-14 This book investigates origins meanings uses and effects of student engagement in higher education and addresses three core questions 1 Why is student engagement so visible in higher education today 2 What are its dominant characteristics 3 What is missing in the popular view of student engagement These questions pave the way for a fresh approach to student engagement The book argues that an elective affinity between student engagement and policies embedded in neoliberalism the dominant ideology of the early 21st century enables student engagement to transcend diverse intellectual and practice contexts This affinity encourages quality learning and teaching that enables student to succeed in their studies and future careers The book shows that focusing on neoliberal objectives for learning and teaching limits the potential of student engagement in higher education

This conclusion leads to a critical and practical social ecological perspective that approaches engagement more as a pathway to social justice than as a list of techniques This book is a work of critical scholarship backed by empirical research It questions accepted theories and practices and offers fresh insights into student engagement in higher education including how engagement could promote social justice Going to School in Oceania Craig Campbell, Geoffrey

Sherington, 2007-10-30 The history and current practices for school systems in the countries of the Oceanic region depend on the economic political and cultural circumstances of their countries Divided into four chronological sections pre nineteenth century nineteenth century twentieth century and present times each chapter traces the factors that have impacted educational philosophy and goals for each country Identifying available options for students of all economic backgrounds each chapter also includes a Day in the Life feature that shares with readers what a typical student in that country will experience at their school Australia Fiji New Zealand Papua New Guinea Samoa **Languages of New Zealand** Allan
