BY CARL MARZANI

*From Pentagon  
to Penitentiary*

B O O K 4

•The only man truthfully and completely in love with the United States... a unique man... of hard-headed coherence. He has succeeded in thinking in such a completely American idiom because he succeeds in making operative the enormous difference between Americans and us Europeans. •

## Education Of A Reluctant Radical:

**The Education of a Reluctant Radical: Growing up American** Carl Marzani,1992      **The Education of a Reluctant Radical** Carl Marzani,1992 Carl Marzani was imprisoned in 1950 as one of the first victims of the gathering cloud of McCarthyism his case a cause celebre He would subsequently become one of New York s foremost left publishers and as a writer and polemicist a distinctive voice of the Cold War years This final volume of his memoirs includes his Prison Notebooks confiscated by the prison authorities in 1949 and retrieved from the FBI files in the 1980s Publisher web site

*The Education of a Reluctant Radical: Roman childhood* Carl Marzani,1992      **The Education of a Reluctant Radical: From Pentagon to penitentiary** Carl Marzani,1992      *The Education of a Reluctant Radical: Roman childhood* Carl Marzani,1992      **Praise from a Future Generation** John Kelen,2007 Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices Material seldom seen by the public includes a suppressed photograph of the grassy knoll an unpublished 1964 interview with an eyewitness the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison s charge that anti Castro CIA operatives were involved

*Rethinking the Cinematic Cold War* Stefano Pisu,Francesco Pitassio,Maurizio Zinni,2025-03-01 Historical consensus increasingly views the Cold War period as a multifaceted conflict which extended beyond the borders of the USSR and USA encompassing both cultural and diplomatic history Debate remains however about how best to balance the Cold War as a cultural event with the existence of Cold War culture Rethinking the Cinematic Cold War provides a fresh reassessment of this period highlighting how the convergence of geopolitical interests cultural production and exchange and technological and media history shaped a unique epoch Consequently this volume seeks to diagnose the role cinema played in expanding the ideological outlook of artists audiences and policymakers      **The Education of a Reluctant Radical: Spain, Munich and dying empires** Carl Marzani,1992      *Dagoes Read* Fred L. Gardaphé,1996 Since 1987 writer and critic Fred Gardaph has regularly reviewed Italian North American literature in Fra Noi an Italian American monthly newspaper based in Chicago This volume features the best of Parole Scritte his monthly columns Introduced by an essay from which the collection gets its title Dagoes Read is the first publication of its kind in the history of Italian North American literature It serves as a fine introduction to this literary movement as well as a survey of recent publications by Italian North Americans Works reviewed include those by Tony Ardiaone Dorothy Bryant Pietro di Donato John Fante Maria Mazziotti Gillan Frank Lentricchia Jay Parini Diane Raptosh Gay Talese Sal LaPuma and many others      *Forgotten Radicals* Walter T. Howard,2005 This detailed investigation of Communists and their Party in the hard coal fields of northeastern Pennsylvania known as the Anthracite

draws on sources such as the central archives of the Communist Party of the United States to examine the origins growth and decline of the relatively small but active Marxist Leninist organization that operated there during the first half of the 20th century Anthracite Just mentioning the name of the hard coal region of Pennsylvania conjures up classic images of labor violence and class conflict Molly Maguires Lattimer and the 1902 national coal strike Yet this legendary tradition of labor and class discord has prompted no historian to chronicle the complete story of the region s largest and most active radical group in the 20th century American Communists They are forgotten radicals Chronicling the story of these forgotten radicals allows us to examine American Communism in an important area of the highly industrialized state of Pennsylvania where a major capitalist enterprise the hard coal industry employed a large contingent of immigrant workers for about half of the 20th century To be sure studying these radicals permits us to explore the overall historical pattern of American Communism\_ the founding of the Party in 1919 the challenges of the 1920s the heyday of the thirties the turns of World War II and the decline during the McCarthy period\_ in a regional context Thus Forgotten Radicals fills a niche in local studies of rank and file Communist activity

**The Italian American Heritage** Pellegrino A D'Acierno, 2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors

Jane Jacobs's First City Glenna Lang, 2021-05-04 A thorough investigation of how Jane Jacobs s ideas about the life and economy of great cities grew from her home city Scranton Jane Jacobs s First City vividly reveals how this influential thinker and writer s classic works germinated in the once vibrant mid size city of Scranton Pennsylvania where Jane spent her initial eighteen years In the 1920s and 1930s Scranton was a place of enormous diversity and opportunity Small businesses of all kinds abounded and flourished quality public education was available to and supported by all and even recent immigrants could save enough to buy a house Opposing political parties joined forces to tackle problems and citizens

worked together for the public good Through interviews with contemporary Scrantonians and research of historic newspapers city directories and vital records author Glenna Lang has uncovered Scranton as young Jane experienced it and shows us the lasting impact of her growing up in this thriving and accessible environment Readers can follow the development of Jane s acute observational abilities from childhood through her passion in early adulthood to understand and write about what she saw Reflecting Jane s belief in trusting one s own direct observation above all this volume has been richly illustrated with historic and modern color images that help bring alive a lost Scranton The book demonstrates why at the end of Jacobs s life her thoughts and conversations increasingly returned to Scranton and the potential for cohesion and inclusiveness in all cities

**Intelligence Studies in Britain and the US** Christopher R. Moran,2013-03-31 The first introduction to writing about intelligence and intelligence services Secrecy has never stopped people from writing about intelligence From memoirs and academic texts to conspiracy laden exposes and spy novels writing on intelligence abounds Now this new account uncovers intelligence historiography s hugely important role in shaping popular understandings and the social memory of intelligence In this first introduction to these official and unofficial histories a range of leading contributors narrate and interpret the development of intelligence studies as a discipline Each chapter showcases new archival material looking at a particular book or series of books and considering issues of production censorship representation and reception

**Transatlantic Anarchism during the Spanish Civil War and Revolution, 1936-1939** Morris Brodie,2020-04-08 Between 1936 and 1939 the Spanish Civil War showcased anarchism to the world News of the revolution in Spain energised a moribund international anarchist movement and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines Those that stayed at home set up groups and newspapers to send money weapons and solidarity to their Spanish comrades This book charts this little known phenomenon through a transnational case study of anarchists from Britain Ireland and the United States using a thematic approach to place their efforts in the wider context of the civil war the anarchist movement and the international left

**The Final Victim of the Blacklist** Gerald Horne,2006 John Howard Lawson was one of the most brilliant successful and intellectual screenwriters on the Hollywood scene in the 1930s and 1940s This biography of Lawson features many of his prominent friends and associates including John Dos Passos Theodore Dreiser F Scott Fitzgerald Charles Chaplin Gene Kelly Edmund Wilson and others

**Youth, Education, and Islamic Radicalism** Mun'im Sirry,2024-03-15 Youth Education and Islamic Radicalism offers groundbreaking analysis of religious intolerance and radicalization among high school and university students in modern day Indonesia Indonesia is one of the most diverse countries in the world in terms of religion ethnicity and socioeconomic status but also in the complexity of its education system Youth Education and Islamic Radicalism examines the roots of religious intolerance among young Indonesians and explores the various ways in which educated youth navigate radical ideologies amid growing religious conservatism The book presents nuanced explanations as to why one

person becomes radicalized while another does not calling into question the common assumption that religious radicalism is directly connected to terrorism It problematizes the notion that the university is a significant hub trigger or birthplace of radicalization by asking What makes education attractive for extremist recruitment What shapes students views Under what circumstances do radicalization and deradicalization processes of educated youth take place Youth Education and Islamic Radicalism identifies a constellation of factors that shape young people s views of religious diversity in Indonesia demonstrating the ways in which they become radicalized in the first place and how in some cases they deradicalize themselves The Cubalogues Todd Tietchen,2010-10-17

Immediately after the Cuban Revolution Havana fostered an important transnational intellectual and cultural scene Later Castro would strictly impose his vision of Cuban culture on the populace and the United States would bar its citizens from traveling to the island but for these few fleeting years the Cuban capital was steeped in many liberal and revolutionary ideologies and influences Some of the most prominent figures in the Beat Movement including Allen Ginsberg Lawrence Ferlinghetti and Amiri Baraka were attracted to the new Cuba as a place where people would be racially equal sexually free and politically enfranchised What they experienced had resounding and lasting literary effects both on their work and on the many writers and artists they encountered and fostered Todd Tietchen clearly documents the multiple ways in which the Beats engaged with the scene in Havana He also demonstrates that even in these early years the Beat movement expounded a diverse but identifiable politics

**Contemporary Theories in the Sociology of Education** Jack Demaine,1981-05-01 *Constructivism in Education* Leslie P. Steffe,Jerry Gale,2012-10-12

Unique in offering a multidisciplinary perspective on key issues of alternative epistemologies in education this collection includes contributions from scholars in family therapy epistemology and mathematics science and language education These respected researchers were brought together to develop the theme of constructivism as it applies to many diversified fields This book examines key distinctions of various constructivist epistemologies comparing and contrasting the various paradigms Each section provides both keynote positions on a particular alternative paradigm as well as critical comments by respondents regarding that position Several chapters also present a synthesis of the alternative epistemological perspectives

*Radical Students* Alan Barcan,2002-08-04 From the 1920s to the 1960s the Australian Left struggled to make ideological sense of the Great Depression the growth of fascism and militarism overseas World War II the atomic bomb the Cold War and fear of communism All these issues found expression on the campus of Australia s oldest university where ardent youth pursued the ideal of social justice Sydney s controversial philosophy professor John Anderson and his Freethought Society added volatility to the mix with their rejection of orthodox politics Later impassioned hostility between supporters of the Communist Party the Labor Party and the Catholic Movement led by B A Santamaria ruffled undergraduate life Alan Barcan was himself a participant in the radical movement This account of the period leavened with anecdotes and lively undergraduate wit recreates the texture of student life and the shifting faultlines of political loyalties The ruthless tactics

ponderous zeal and underlying idealism of student politics are set against discussions of the liberal humanist tradition and the nature and purpose of universities Barcan presents a roll call of famous names in Australian political professional and cultural life Poet James McAuley with fag in mouth and a glass of cheap plonk pounds the piano for rehearsals of the student revue Similarly unfamiliar appearances are made by Gough Whitlam John Kerr H V Evatt Brian Fitzpatrick P R Stephensen Donald Horne Christopher Brennan A D Hope Germaine Greer Amy Witting Neville Wran Peter Coleman P P McGuinness and many other significant figures of the past half century Radical Students will stir the blood of those who were there and make stimulating reading for those Australians who care about education politics and liberal thought
