Educational Policy for the Pluralist Democracy Mark Holmes, 1992      **Education Policy** Mark Olssen, John A Codd, Anne-Marie O'Neill, 2004-06-08 Education policy is now a global matter and all the more complex for that Mark Olssen John Codd and Ann Marie O'Neill do us an invaluable service in producing a carefully theorised guide to current issues and key concerns this is an important erudite and very practical book Stephen J Ball Education Policy Research Unit University of London Given the global reach of neoliberal policies we need cogent books that enable us to better understand the major effects such tendencies have Education Policy is such a book It is insightful and well written and should be read by all of us who care deeply about what is happening in education in international contexts Michael W Apple Author of Educating the Right Way and John Bascom Professor of Education University of Wisconsin Madison I really am taken with the book the range and depth of analysis are truly impressive This book is a magnum opus and everyone in the area should read it Hugh Lauder University of Bath In their insightful and comprehensive book on education policy Mark Olssen John Codd and Anne Marie O'Neill wrestle with the big questions of citizenship and democracy in an age of globalization They argue that education policy in the 21st century is the key to security sustainability and survival The book anchored in the poststructuralist perspective of Michel Foucault traverses the whole territory of education policy not only methods and approaches of policy analysis and the dominant political perspectives that influence policy classical liberalism social democracy and neo liberalism but also those policy areas that require the closest scrutiny markets trust professionalism choice diversity and finally community citizenship and democracy This is the new policy bible for educationalists it is at once systematic provocative and instructive Michael A Peters Research Professor University of Glasgow It is rare indeed for books with such ambitious scope as this one to appear within educational scholarship This is an important book for any graduate student who is undertaking work on any aspect of education policy Education Review This book provides an international perspective on education policy and of the role and function of education in the global economy The authors present a Foucauldian perspective on the politics of liberal education within a theoretical framework necessary for the critical analysis of education policy The authors set out the analyses necessary for understanding the restructuring in education and social policy that has occurred in many countries affected by the resurgence of neo liberal political theory They examine education policy in relation to globalization citizenship and democracy The authors argue that globalization is an extension of neoliberalism and is destructive of the nation state community and democracy They show the importance of education in building strong democratic nation states and global communities based on cultural identity and inter cultural awareness This book is essential reading for students of education policy studies and social policy analysis      **All-European Study on Education for Democratic Citizenship Policies** Cezar Birzea, Council of Europe, 2004-01-01 The All European Study gives a systematic description of Education for Democratic Citizenship EDC policies in the Council of Europe member states Research was conducted in 2002 at national

level involving national EDC co ordinators practitioners and other stakeholders In 2003 a group of experts produced five regional studies that were submitted for consultation to national authorities in member states with a final feedback given at the EDC Policy Seminar held in Strasbourg in September of the same year The study contains recommendations and examples of good practice in EDC policy implem

**When Education Meets Politics in Taiwan** Ka-ho Kwok,2017-09-13 Politics affect education particularly in transitional societies It is obvious that Taiwan s education reform and democratization share the same set of players All major educational players played a role at different stages in the electoral process striving for popular support This book applies game theoretic tools and proposes dynamic positioning as a new framework that regards Taiwan s education reform from 1994 to 2016 as the outcome of players strategic interactions instead of top down or bottom up The complex interplay is characterized by the continual adjustment of one s preferences and strategies in response to other players moves This concept helps explain how and why Taiwan s education reform was once embraced by most players cooperation but became a battlefield between different camps non cooperation soon after a change of the ruling party in 2000 It disputes various structural approaches on educational change including functionalism conflict theory globalization and theories of liberal democracy It also contributes to the field of game theoretical studies in education and the specific literature of politics social change and education reform

**The Politics of Education Policy in an Era of Inequality** Sonya Douglass,Janelle T. Scott,Gary L. Anderson,2024-11-06 In a context of increased politicization led by state and federal policymakers corporate reformers and for profit educational organizations The Politics of Education Policy in an Era of Inequality explores a new vision for leading schools grounded in culturally relevant advocacy and social justice theories This timely volume tackles the origins and implications of growing accountability for educational leaders and reconsiders the role that educational leaders should and can play in education policy and political processes This book provides a critical perspective and analysis of today s education policy landscape and leadership practice explores the challenges and opportunities associated with teaching in and leading schools and examines the structural political and cultural interactions among school principals district leaders state and federal policy actors and increasingly powerful non state actors This fully revised second edition includes questions for discussion at the end of each chapter as well as expanded discussion on critical race theory the effects on educational systems following the global pandemic the holistic needs of children including physical mental economic nutritional and emotional the impact of technology and AI book banning and the assault on school curricula in some states as well as teacher strikes and the politics of school boards An important resource for practicing and aspiring leaders The Politics of Education Policy in an Era of Inequality shares a theoretical framework and strategies for building bridges between education researchers practitioners and policymakers

Comparative and Global Pedagogies Joseph Zajda,Lynn Davies,Suzanne Majhanovich,2008-06-26 A major aim of Comparative and Global Pedagogies Equity Access and Democracy in Education which is the second volume in the 12 volume book series Globalisation

Comparative Education and Policy Research edited by Joseph Zajda and his team is to present a global overview of recent trends in equity and access in education globally By examining some of the major education policy issues particularly in the light of recent shifts in education and policy research dealing with equity and access the editors aim to provide a comprehensive picture of the intersecting and diverse discourses of globalization education and policy driven reforms The impact of globalization on education policy and reforms is a strategically important issue for us all More than ever before there is a need to understand and analyse both the intended and the unintended effects of globalization on educational systems the state and relevant policy changes especially in terms of equity and access as they affect individuals educational bodies such as universities policy makers across the globe Current education policy research dealing with equity and social inequality reflects a rapidly changing world where citizens and consumers are experiencing a growing sense of uncertainty exclusion and loss of flexibility Yet globalization exposes us also to opportunities generated by a fast changing world economy

The Politics of Education Reforms Joseph Zajda, Macleans A. Geo-JaJa, 2010-01-26 The Politics of Education Reforms which is the ninth volume in the 12 volume book series Globalisation Comparative Education and Policy Research presents scholarly research on major discourses concerning the politics of education reforms globally It provides an easily accessible practical yet scholarly source of information about recent developments in globalisation comparative education and education reforms Above all the book offers the latest findings to the critical issues concerning major discourses surrounding education reforms in the global culture It is a sourcebook of ideas for researchers practitioners and policy makers in education and schooling around the world It offers a timely overview of current policy issues affecting research in comparative education of education reforms It provides directions in education and policy research relevant to progressive pedagogy social change and transformational educational reforms in the twenty first century The book critically examines the overall interplay between the state ideology and current discourses of education reforms in the global culture It draws upon recent studies in the areas of globalisation academic achievement standards equity and the role of the State Carnoy 1999 Zajda 2008a b It explores conceptual frameworks and methodological approaches applicable in the research covering the State globalisation and quality driven education reforms It demonstrates the neo liberal ideological imperatives of education and policy reform affecting schooling globally see also Zajda 2005 Various book chapters critique the dominant discourses and debates pertaining to comparative education discourses on reforms and neo liberal ideology in education

**Educational Regimes and Anglo-American Democracy** Ronald A. Manzer, 2003-01-01 Manzer's comparative political study of schools in Australia Canada New Zealand the United Kingdom and the United States focuses on five fundamental problems in the historical development of Anglo American educational regimes the original creation of systems of elementary education in the nineteenth century as publicly provided and publicly governed the transformation of secondary schools in the early twentieth century to match the emerging structure of occupational classes in capitalist industrial economies the planning for secondary

schools in the development of the welfare state after the Second World War the accommodation of social diversity in public schools from the 1960s to the 1990s in response to increasingly strong assertions of ethnicity language race and religion not only as criteria for equal treatment but also as foundations of communal identity and more Multicultural education Lotty Eldering, Ferry J. M. Rijcke, Louis V. Zuck, 2019-10-08 No detailed description available for Multicultural education Faith, Rights, and Choice James Farney, Clark Banack, 2023-02-27 The Canadian provinces have evolved quite different ways of responding to the policy problems posed by religious schools Seeking to understand this peculiar reality Faith Rights and Choice articulates the ways in which the provincial governance regimes developed for religious schools have changed over time Covering nearly three centuries the book begins with the founding of schooling systems in New France and continues into a variety of present day conflicts that emerged over the question of religion in schools James Farney and Clark Banack employ a method of process tracing drawing on 88 semi structured interviews with key policy insiders They also reference archival material documenting meetings political speeches and legislative debates related to government decisions around issues of religious education Relying on the theoretical foundations of both historical institutionalism and Canadian political development Faith Rights and Choice presents a new analytic framework to help make sense of the policy divergence witnessed across Canada **Catholic Schools in a Plural Society** Andrew B. Morris, 2024-01-05 This book comprises a selection of articles published mainly in peer reviewed academic journals together with a small number of documents prepared for policy makers within the Catholic education sector in England and Wales The texts have been reprinted almost entirely as originally published but with some minor editing to avoid unnecessary duplication The papers are grouped into four sections The first is concerned with the context of state maintained Catholic schools The second explores research into the academic performance of Catholic schools prior to 1995 The third provides data on pupils academic and social outcomes together with comparative studies of teachers and leadership of Catholic schools The fourth section contains briefing papers about various aspects of state maintained Catholic education Democracy's Midwife Jack Crittenden, 2002-01-01 The philosopher educator John Dewey wrote that Democracy has to be born anew every generation and education is its midwife In an America where every vote though considered equally counts for very little Democracy's Midwife offers the vision of a new kind of democratic system a deliberative democracy energized by an educated citizenry Jack Crittenden's excellent new study looks behind the modern democratic rhetoric to reveal a system of government that excludes citizens from participating directly in decision making The book combines a thorough examination of the theoretical underpinnings of democratic education with radical solutions for the overhaul of a system of civic education dating back to the Founding Fathers Democracy's Midwife is both a denunciation of an education system that has failed to prepare future citizens for participation in public life and a timely blueprint for the creation of a civic minded electorate prepared for the responsibility of self government **Devolution and Pluralism in Education in Northern Ireland** Caitlin Donnelly, Penny

McKeown, Robert Osborne, 2006-03-17 This is the second of two anthologies designed to accompany the Open University course From Enlightenment to Romanticism an interdisciplinary exploration of the changes and transitions in European culture between 1780 and 1830 The collection of extracts in this anthology provides primary and secondary sources on changing landscapes new forms of knowledge new conceptions of art and the artist and the exotic and Oriental Each selection is accompanied by a detailed introduction explaining the context and significance of the sources Extracts in the anthology stimulate questions rather than provide reassuring answers and offer vital insights to the major events movements and personalities of the time

**The Democratic Dilemma of American Education** Arnold Shober, 2018-04-19 This compelling new book asks How can American education policy be consistent with democratic ideals Robust democracy is the combination of participation self rule equality understanding and inclusion but these norms can produce contradictory policy Local control in education policy can undermine educational equality Participation in teachers unions can improve working conditions but thwart self rule by local taxpayers The Democratic Dilemma of American Education draws on contemporary research in political science and education policy to offer remarkably balanced insights into these challenging issues Expertly navigating through local state and federal layers of education policy Arnold Shober examines contemporary controversies over education governance teachers unions and collective bargaining school funding school choice academic accountability and desegregation Shober describes the inherent practical dilemmas of current policy and the difficulties policymakers face in overcoming them to produce lasting educational reform in a democratic federal system of government Timely engaging and accessible this is the ideal resource for courses in public policy as well as education and politics
