Genesis to Deuteronomy: Notes on the Pentateuch Charles Henry Mackintosh,1972 Notes on the Pentateuch C. H. Mackintosh,1973 *Notes on the Pentateuch* C. H. Mackintosh,2015-01-03 Commentary on the Book of Deuteronomy

Handbook on the Pentateuch Victor P. Hamilton,2005-09-01 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter through the Pentateuch examining the content structure and theology Hamilton surveys each major thematic unit of the Pentateuch and offers useful commentary on overarching themes and connections between Old Testament texts Genesis to Deuteronomy ,1931 **Bible Explorer's Guide** John Phillips, A getting started handbook that provides ground rules for interpreting God's Word and helps for applying its principles

Slightly Bad Girls of the Bible Liz Curtis Higgs,2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from *Slightly Bad Girls of the Bible* **Exploring the Composition of the Pentateuch** L. S. Baker Jr.,Kenneth Bergland,Felipe A. Masotti,A. Rahel Wells,2020-12-11 For many years the historical critical quest for a reconstruction of the origins and development of the Pentateuch or Hexateuch has been dominated by the documentary hypothesis the heuristic power of which has produced a consensus so strong that an interpreter who did not operate within its framework was hardly regarded as a scholar However the relentless march of research on this topic has continued to yield new and refined analyses data methodological tools and criticism In this spirit the contributions to this volume investigate new ideas about the composition of the Pentateuch arising from careful analysis of the biblical text against its ancient Near Eastern background Covering a wide spectrum of topics and diverging perspectives the chapters in this book are grouped into two parts The first is primarily concerned with the history of scholarship and alternative approaches to the development of the Pentateuch The second focuses on the exegesis of particular texts relevant to the composition of the Torah The aim of the project is to foster investigation and collegial dialogue in a spirit of humility and frankness without imposing uniformity In addition to the editors the contributors include Tiago Arrais Richard E Averbeck John S Bergsma Joshua A Berman Daniel I Block Richard Davidson Roy E Gane Duane A Garrett Richard S Hess Benjamin Kilch'r Michael LeFebvre Ji Moskala and Christian Vogel **God Is Greater Than Family Mess** Joey Johnson,2010-01-07 On the basis of the biblical phrase visiting the iniquity of the fathers on the children to the third and fourth generation the author traces Family Mess or generational

bondage in the family of Abraham to the fourth generation As the father of Israel and of the Christian faith Abraham provides an excellent example for us to examine his family mess in order to help us conquer our own God is Greater Than Family Mess will help you Understand how God worked through the difficult circumstances of Old Testament characters to give them a destiny Understand the impact of dysfunction in your family of origin Look at dysfunction and co dependency from a biblical perspective Identify your own family mess Understand that God is greater than your upbringing Pursue your hopes dreams expectations and destiny in the Holy Spirit God worked in the midst of Abraham s family problems to give the promise of a brighter future He gave Abraham and his posterity a destiny that overcame their outward limitations Praise God that He does the same thing for us the spiritual children of Abraham The Heart of a Dad George Gibbs II,2018-02-07 The Heart of A Dad is an unfinished story of the journey of a dad who attempted to practice parenting through the grid of biblical Christianity It is a story about a young man who came out of a fractured and semi dysfunctional upbringing and discovered a path to functional parenting In this book dads are challenged to maintain strong vibrant relationships with their children through their engagement and their support of their childrens dreams Gibbs takes you through several stages in the parenting process from a very practical perspective and he attempts to show not only how he navigated through these different stages but he also shares with you the practical lessons learned from each of these parenting stages For example in chapter five where he discusses The Danger Zone he provides dads with eight practical steps for navigating this period of their childrens lives In part two Gibbs explores parenting through the lives of historical biblical characters and he draws parenting lessons for dads from these 12 characters He humanizes them and makes what was done thousands of years ago relevant in parenting today The foundational principles of The Heart of a Dad are discovered in his presentation of Lessons Learned from Enoch who was the father of Methuselah who was the oldest man of historic record he lived 969 years In part three Gibbs unveils parenting lessons as they are seen in the spiritual relationship between God the Father and his children He also explores the theology of God through the biblical relationship that exists between God the Father and His only begotten Son The Heart of a Dad is a fresh look at parenting from an experiential yet biblical perspective Young fathers can learn from the lessons of parenting without making the same mistakes that Gibbs and so many others made by not realizing that there are models that one can follow and that there are navigational maps and tools available for parenting
